

## BOISE FIRE DEPARTMENT

MAYOR: Lauren McLean | ACTING CHIEF: Romeo Gervais

November 4, 2020

To Whom It May Concern,

The City of Boise is proposing updates to Title 5, Chapter 12 – Fire Code.

Some of the relevant updates cover the following code topics:

- general clean-up language and formatting to ensure consistency across the ordinances
- wildland-urban interface chapter and map
- new operational permits
- use of foam-water suppression systems
- tenant space identification for multi-tenant occupancies
- spec warehouses
- control valve and FACP locations

The City of Boise Building Code Board of Appeals has reviewed the proposed updated ordinance, and recommended approval to City Council.

A copy of the draft ordinances with amendments are included. Members of your organization are encouraged to review and/or comment on the proposed ordinances. Available communication options for any questions or comments include:
