

PLANNING AND DEVELOPMENT SERVICES

MAYOR: Lauren McLean | DIRECTOR: Mark Lavin

February 9, 2021

To whom it may concern,

The City of Boise is proposing to repeal and replace the following City Code:

- Title 9, Chapter 12, Moving, Deconstruction or Demolition of Buildings

A summary of updates to the draft ordinance includes:

- General clean-up and formatting updates for consistency with other adopted codes.
- Additions or updates to provisions as follows:
 - Added a Definitions section
 - Added a Code Official section
 - Added Planning Division Review/Approval language
 - Updated language regarding bonds
 - Updated language for Planning Division approval for storage of moved buildings
 - Added language for Special Permits under the Deconstruction or Demolition section
 - Added provision for recycle/reuse of some materials, with exceptions
 - Added provision for a Material and Waste Management Plan
 - Updated the Appeal section
 - Updated the Penalties section

The City of Boise Building Code Board of Appeals has reviewed the proposed updated ordinance, recommending approval to City Council.

Copies of the draft ordinance and Material and Waste Management Plan are included. Members of your organization are encouraged to review and/or comment on the proposed ordinance. Available communication options for any questions or comments include:
