| 107 | No time to visit | 3/1/2022 4:39 PM |
| 108 | No adults only events | 3/1/2022 4:26 PM |
| 109 | Waited for it to be drained to skate it | 3/1/2022 3:49 PM |
| 110 | Always wanted to go over and use it but now I live in a condo that has its own pool. | 3/1/2022 3:38 PM |
| 111 | the pool wasn't a skatepark | 3/1/2022 3:04 PM |
| 112 | I didn't know about it. | 3/1/2022 2:56 PM |
| 113 | I went to the South pool until they built the Fairmont Pool. Fairmont is only 5 blocks from my house. | 3/1/2022 1:53 PM |
| 114 | I did not know about the pool at the time | 3/1/2022 1:41 PM |
| 115 | Didn't even know the pool existed th ere and was open and functional to use and enjoy! | 3/1/2022 1:38 PM |
| 116 | Turn it into a skatepark | 3/1/2022 1:37 PM |
| 117 | The pool is relatively small & assumed it to be crowded | 3/1/2022 1:36 PM |
| 118 | It is a part of Boise's history. We need to save all historical buildings and places. | 3/1/2022 12:52 PM |
| 119 | I didn't realize that South pool was open to the public, and we went to Borah for the splash pad/other splash pads | 3/1/2022 12:44 PM |
| 120 | I went to school at south and never seen it actually open | 3/1/2022 12:32 PM |
| 121 | I did not realize it was in my neighborhood. | 3/1/2022 11:12 AM |
| 122 | I recently moved from the North End to Rose Hill area. Therefore, South wasn't the pool of choice. If it had other amenities, we would have considered it. | 3/1/2022 10:49 AM |
| 123 | Covid shutdown | 3/1/2022 10:47 AM |

| 154 | Provide senior only time. No kids! | 2/28/2022 6:24 PM |
| 155 | I did not know about the pool. I lived in a different part of Boise. | 2/28/2022 6:14 PM |
| 156 | I didn't know it existed and when I did too many kids let's have a kid free day! | 2/28/2022 6:07 PM |
| 157 | I used a gym pool and didn't know how to get a pool pass | 2/28/2022 5:50 PM |
| 158 | I am an adult without children. Seems like it would be strange since it's such a family/kids centered pool. I love that the kids in the neighborhood had a safe place to congregate. | 2/28/2022 5:29 PM |
| 159 | Would have appreciated an adult lap swimming time | 2/28/2022 4:58 PM |
| 160 | We go to the river | 2/28/2022 4:49 PM |
| 161 | I'm new to South Boise and am used to going to the Natatorium | 2/28/2022 4:49 PM |
| 162 | I didn't know this historical importance (and coolness) of the pool. Would be fun if there were social events that occurred at the pool, that made it more for my population (50+) to visit. | 2/28/2022 4:16 PM |
| 163 | I didn't live here | 2/28/2022 3:58 PM |
| 164 | I used to work there and spent enough time at the pool already. | 2/28/2022 3:46 PM |
| 165 | numerous other activity options, most being easier to access | 2/28/2022 3:45 PM |
| 166 | I don't think the pool has been open since we have lived here. | 2/28/2022 3:37 PM |
| 167 | I was unfamiliar with the pool. Now older and want to swim to stay healthy. | 2/28/2022 3:16 PM |
| 168 | Did not know about this pool before | 2/28/2022 3:12 PM |
| 169 | I did not have the funds at the time to afford going. I wanted to! | 2/28/2022 3:06 PM |
| 170 | I generally don't swim anymore but I believe kids should have access to a swimming pool as I have great memories of our local pool when I was a kid. | 2/28/2022 2:35 PM |
| 171 | Did not know this existed | 2/28/2022 2:11 PM |
| 172 | one child swam at a neighbor's pool, the other wasn't interested in water activities | 2/28/2022 1:38 PM |
| 173 | A very old facility that didn't have features or amenities we desired. | 2/28/2022 1:36 PM |
| 174 | Moved to the neighborhood in winter of 2019. Pool was closed in 2020. | 2/28/2022 1:23 PM |
| 175 | Have a personal pool already | 2/28/2022 1:22 PM |
| 176 | I did not know about it. | 2/28/2022 1:20 PM |
| 177 | I was working too much to have the time for recreation | 2/28/2022 1:09 PM |
| 178 | My children were too young to swim with just me. | 2/28/2022 12:56 PM |
| 179 | Grandchildren only are here a short time | 2/28/2022 12:40 PM |
| 180 | Unaware of accessibility | 2/28/2022 12:14 PM |

| 40 | Great Location for a neighborhood pool. History of the pool. | 3/25/2022 11:54 AM |
| 41 | Right now, it's hard to appreciate a non-functional pool. The architecture is beautiful, but I want somewhere that is functional and safe for our family. | 3/25/2022 11:43 AM |
| 42 | The art deco historic gem and that it is truly a neighborhood pool which I feel is very important. Families in the neighborhood should be able to walk/ bike to a pool. Also adjacency to the Junior High and park. | 3/25/2022 10:45 AM |
| 43 | It's a classic, simple pool and is part of the neighborhood charm. | 3/25/2022 10:45 AM |

| 51 | The historic character | 3/24/2022 9:09 PM |
| 52 | I appreciate the community significance that South Pool has had growing up in this neighborhood. My family, going back to my grandparents, learned to swim there, and I think that it plays a roll in strengthening the community of the neighborhood. Not to mention the summer job experience that being a life guard provides to neighborhood kids! | 3/24/2022 8:46 PM |
| 53 | How close it is to our home and the Art Deco front entrance. My kids like the temperature of the water. | 3/24/2022 8:42 PM |

| 66 | small use; neighborhood; design | 3/22/2022 8:59 PM |
| 67 | This neighborhood recreational resource was easily available and was great for keeping our kids engaged, active, and out of trouble during the summer. | 3/22/2022 3:53 PM |
| 68 | Wonderful recreational, health, social resource for all people, especially the children of our neighborhood. | 3/22/2022 10:51 AM |
| 69 | Memories | 3/22/2022 10:06 AM |
| 70 | Seeing families enjoy the pool as an amenity to the neighborhood | 3/22/2022 7:49 AM |
| 71 | I love it's unique architecture and it's history in the city of Boise. I also love how it has provided a place for neighbors to swim and gather for so many years. It has always been close to folks in the area. Because of that neighborhood access, my children easily went swimming at South for many years. It really is such an important facility for the neighborhood. | 3/21/2022 1:30 PM |
| 72 | Location | 3/21/2022 10:30 AM |
| 73 | That it's accessible to the bench neighborhood, it's historical value as a place where neighborhoods come together and share a common enjoyment | 3/20/2022 4:53 PM |
| 74 | Geographic location with respect to other pools. Spacing pools evenly across the city will increase use by making them more accessible to people without transportation (like kids) and minimize automobile traffic and its impact on safety and global warming. | 3/20/2022 4:38 PM |
| 75 | style, history, tradition, how much my friends loved swimming there and still have great memories | 3/20/2022 2:05 PM |
| 76 | It was where I learned to swim as a child, and I would like to see at least the entrance remaining, just as the entrance to the old South school remains. | 3/20/2022 1:55 PM |
| 77 | IT WAS MY CHILDHOOD POOL | 3/20/2022 1:30 PM |

| 224 | I appreciate that at age 4, I took swim lessons at South. My children and grandchildren live in the neighborhood and also have taken lessons at South pool. I have lived her since I was born in 1954 and lived in poverty but still had South pool to spend my summers! This is an important place for all to use, not just for those that live close to South but every new American, refugee ,human being in Boise should have this location for recreation, at a reasonable price. This is important for every child to have apiece of history that I know from experience is a healthy fun environment. I appreciate everything about it! | 3/10/2022 8:44 AM |

| | year and with the pool open, it is active and lively during the summer. It's delightful to have walkers, bike riders and cars coming and going to the pool on a summer day. It gives some people something enjoyable to do on a summer day and the activity on the street and in front of the pool reflects that. | |

| 302 | I grew up swimming at South Pool during the 60's. While it has some sentimental value to me, I don't swim any longer and don't use the pool. | 3/7/2022 9:32 PM |
| 303 | I adore this pool. It really is a neighborhood gem, beautiful and unique given how few of such pools remain. The interior locker room design is clever, and how you come up and into the pool area makes you feel like you rise up and into a tree house. The shape also invites relaxation and play vs. laps. There is also a certain intimacy about this pool. You could replace it with one with lots of amenities as at some of the larger pools, but I think that would be missing the point. Instead, you can engage people with more intimate and inventive events in and around the pool such as an aqua yoga, something like the firewater event they have in Providence, RI, or a swim and a movie. I also appreciated the evening times Boise made available and often went at those later times. Based on allocated budget, it would appear that Boise has the funds to update these pools, and I would hope that Boise would choose to do so. | 3/7/2022 9:30 PM |

| 362 | Its location in the center of the Depot Bench Neighborhood from which residents often walk to the pool, its being contiguous with South Junior High (with swimming as a sanctioned high school sport representing a chance to cooperate with Boise School District on an improved facility,) its availability to significant populations of refugee & immigrant youth who also live within walking distance, its historic Art Deco/Art Moderne design, the fact that I have significant personal history with South Pool as I worked there full time for 4 summers from 1961-1964 when I lived 250 yards away, and that I now live 100 yards from this wonderful pool ! I support rehabilitation of the pool, but if it is not rehabilitated, it should at least be rebuilt as a surface, rectangular-shaped, enclosed lap pool for year-round competitive high school & junior high P.E. opportunities (while saving on site the Art Deco facade features at the front of the existing pool.) Tearing down South Pool and building a new pool at Whitney Elementary makes no sense as it is a primary school at which level no sanctioned swimming occurs. Importantly, DO NOT even try to build a skateboard facility at South Pool, right next to all the "NO SKATEBOARDING" signs on the sidewalks at South Jr. High. | 3/4/2022 3:09 PM |

| 389 | Memories!!!! I grew up going to South pool as a kid, and I had my first swimming lessons there. My kids also have also greatly enjoyed swimming there. I appreciate the history of it, I appreciate the Art Deco style as well. It is lovely to have a nice big pool in our neighbourhood and I am dismayed that so much of Boise's past is being erased. It was bad enough that the super cool South Junior High school was torn down and replaced with what looks and feels like a prison. Please do not close this pool or tear it down. | 3/3/2022 7:52 PM |

| 472 | It is where all of my children learned to swim. The beautiful art deco design must be preserved. All of my children attended South Jr High next door. | 3/2/2022 5:41 PM |
| 473 | It is right by the tennis court I use. Love jumping in after a hot summer game. Love hearing people enjoying the pool while I play tennis. Historical preservation is very important to me and I really love the art deco style. As mentioned in the intro to the survey, this is one of, I believe, 12 pools of this design remaining. Boise is growing and we need public spaces beyond the usual parks, tennis courts, and the like. I *think we only have 3 public pools for such a large population. And Boise just keeps getting hotter in the summer. | 3/2/2022 5:27 PM |

| 522 | Historic significance, Art Deco design example that should be preserved for future generations. Closeness to our home. | 3/2/2022 12:12 PM |
| 21 | I want to support wholesome recreational opportunities for tweens and teens in our community. Our neighborhood is very diverse economically which is good. To maintain quality of life for many it is important to make everyone feel included and invested. I think public services are an excellent way to do that. I would support a local taxing district to maintain a public pool for our neighborhood. | 3/2/2022 12:17 PM |
| 520 | It's a safe place to go during summer. Having the public pools keeps my children busy and engaged in positive play when school is out | 3/2/2022 12:20 PM |

| 572 | History | 3/2/2022 9:58 AM |
| 573 | It's location as a neighborhood pool is helpful to be able to have a respite from the hot Idaho summers on short notice. It's easily accessible by walking or biking which makes it easy to spend a full day there or just a quick dip. It tends to be less crowded than the larger pools as well, making it a bit easier for young swimmers. | 3/2/2022 9:58 AM |
| 574 | It's historical significance, art deco design and it's place in the park | 3/2/2022 9:56 AM |
| 575 | The history | 3/2/2022 9:55 AM |
| 576 | It provided fun, safe and heat quenching activity on hot summer days. If it could be built to be open year round even better! | 3/2/2022 9:55 AM |
| 577 | Family friendly | 3/2/2022 9:53 AM |
| 578 | The location | 3/2/2022 9:53 AM |
| 579 | Beautiful design and key location for the Bench neighborhoods. It's a landmark of my childhood as a Boise native. I appreciate the history and unique architecture, | 3/2/2022 9:53 AM |
| 580 | It was a great place to meet your friends during the summer when school was not in session. It was easy to get to and we could afford a family pass | 3/2/2022 9:53 AM |
| 581 | The Art Deco style | 3/2/2022 9:52 AM |
| 582 | The historic significance of the building is really cool, especially since so few of these types of pools are still standing. | 3/2/2022 9:51 AM |
| 583 | The history and uniqueness of the pool. | 3/2/2022 9:45 AM |
| 584 | It was so close to our home. Loved the art deco design | 3/2/2022 9:45 AM |

| 637 | Love the Art Deco entrance. Very unique. | 3/2/2022 6:00 AM |
| 638 | The history and location of it being next to South Jr high. | 3/2/2022 5:36 AM |
| 639 | The memories of trying to learn to swim there when I was about 5 years old. The water was too cold and made me cry. I went to South Jr. High in the late 1960s. The pool is a fixture in the fabric of Boise and my life. Even though I don't use the pool now it warmed my heart to drive by and see the bikes strewn around the front entrance and kids having a great time. It reminds me of my youth when all of Boise was a playground for us kids on our bikes. | 3/2/2022 5:23 AM |
| 640 | Nothing. Waste of money | 3/2/2022 5:11 AM |

| 659 | Memories | 3/1/2022 10:31 PM |
| 660 | I used it daily as a child and the historical aspect of the unique style is important in retaining some of Boise's history. Too many things in our town have been "improved" to the point of being unrecognizable. The smaller pool creates a more neighborhood feel. Fewer users give a better experience, and a feeling that it is "my pool". | 3/1/2022 10:31 PM |
| 661 | i have some of my fondest memories there meeting friends and biking to it almost everyday some summers. it is a very nostalgic place for me and my family. | 3/1/2022 10:24 PM |

| 675 | I was a City Lifeguard, swim team coach and swim instructor in High School at South and Borah pools, and a competitive swimmer growing up. Having an opportunity for an entry level job in public service and focused on swimming lessons and community safety through the South pool and Boise City Pools gave me a great opportunity to serve my community in a way that means a lot to me. Specifically, the South Pool is located in what was at the time (2012-2015) a major neighborhood for refugees and lower income community members. And our "pool rats" were able to spend their time under the watch of the pool staff, having fun and becoming confident, strong swimmers, rather than have a more difficult time accessing an opportunity to learn to swim, or opportunity to engage in a safe space under some responsible observation during the summer season. So I suppose I appreciate that South served as a critical space for a neighborhood that isn't the East End, allowing less Well off kids the same chance to learn to swim as kids near the "more fun" pools like Ivy Wild and the Nat. | 3/1/2022 8:15 PM |

| 911 | When I moved here to Boise, I was impressed with the amount of pools it had. I was also impressed by how convenient they were. They were open often and also taught lessons regularly including at The South Pool. Moving here from Connecticut where they had pools but were rarely open. The city would spend millions of dollars to build them yet never open them. Most of these were located in areas of low income where kids really could have enjoyed them. There parents couldn't afford to take them many places. I think swimming and recreation in general are so important for our youth. Certainly the city can waste money on other things that Do not contribute to the well being of the city. | 3/1/2022 7:22 AM |

Including that it was built during a time all of Boise was given the same attention and upgrades. Having two identical historic pools in Boise is special. I think both should be updated to meet standards identically. I have lived in Boise my whole life and I am middle aged. I carry a lot of bitterness as it has become even more obvious the last couple of years the north end and other higher income parts of town have been given more funding and attention. This is an opportunity to show equitable treatment, and importance of preservation | |

| 1106 | The availability for all kids regardless of financial ability to have a facility that enhances the entire neighborhood | 2/28/2022 6:29 PM |
| 1107 | I greatly appreciate the location. The only other "public" pools accessible to this part of the Bench are in motels by the Airport. Having a small pool in the neighborhood is important to our community. | 2/28/2022 6:26 PM |
| 1108 | It was my stomping ground growing up above Ann Morrison Park. I also managed South Pool one summer. | 2/28/2022 6:26 PM |
| 1109 | Wasn't ever too busy. The price was affordable. I liked that there weren't a lot of really little children there because of its layout and how deep the water was. | 2/28/2022 6:25 PM |
| 1110 | Close community / neighborhood gathering spot to cool off | 2/28/2022 6:21 PM |
| 1111 | It's iconic architecture, the small size and neighborhood feel of it, its simplicity, and the lovely views. | 2/28/2022 6:21 PM |
| 1112 | Aesthetics and community history. I also love that with increased urban sprawl taking many amenities out to meridian or other valley locations, we have these little pool jewels within our neighborhoods! | 2/28/2022 6:20 PM |
| 1113 | Proximity to my parents house | 2/28/2022 6:19 PM |
| 1114 | I love to classic Art Deco architecture. I love the idea of a public pool for the neighborhood. It's so important to have access for kids of all backgrounds and economic backgrounds to have easy access to this amenity. | 2/28/2022 6:18 PM |
| 1115 | It's a great way to cool down in the summer with your friends. Kept me out of the canals | 2/28/2022 6:17 PM |

| 1125 | The history | 2/28/2022 5:56 PM |
| 1126 | It is very close to my house, and the design is unique. | 2/28/2022 5:52 PM |
| 1127 | Location. It was great to pop over to cool off at night, but it's not where we go to have a fun swim day. | 2/28/2022 5:45 PM |
| 1128 | neighborhood gem | 2/28/2022 5:44 PM |
| 1129 | I spent my entire childhood summer there. It was affordable thank goodness. | 2/28/2022 5:38 PM |
| 1130 | It is a wonderful pool that is great size and depth for community fun | 2/28/2022 5:35 PM |
| 1131 | Community feel, affordability, historical character, connection to using it as a kid | 2/28/2022 5:34 PM |
| 1132 | The historical value and again, I loved that the neighborhood kids had a safe and fun place to hang out. The neighborhood won't be the same without it. | 2/28/2022 5:32 PM |
| 1133 | facade, unique shape (i.e., not a rectangle) | 2/28/2022 5:29 PM |
| 1134 | Asset to the community I live in. | 2/28/2022 5:23 PM |
| 1135 | history and uniqueness that new pool couldn't replicate | 2/28/2022 5:22 PM |
| 1136 | There is a strong sense of community. I loved going to South Pool as a kid every single day it was open for several years. All the lifeguards knew my siblings and I by name. It was a home away from home and very affordable for our mother to get a season family pass. Being able to swim a lot was also very good for my health and my siblings health as well. | 2/28/2022 5:18 PM |
| 1137 | We love South Pool. The simplicity of neighborhood access, historic design, location, are all reasons why we love this pool. While there are fancier, newer options, I'd love to see the historic nature of this pool preserved with modern upgrades. | 2/28/2022 5:17 PM |
| 1138 | Historic significance and location for folks in that part of town | 2/28/2022 5:12 PM |

| 1140 | Location. | 2/28/2022 5:09 PM |
| 1141 | Location in neighborhood and accessibility for all to use due to low cost to enter | 2/28/2022 5:07 PM |
| 1142 | it has a perfect location for the bench neighborhoods | 2/28/2022 5:06 PM |
| 1143 | Proximity to my home and the evening operation hours | 2/28/2022 5:03 PM |
| 1144 | location near our home | 2/28/2022 5:02 PM |
| 1145 | cost is low - to swim on hot summer day. It is an easy walk for most kids in the neighborhood. love to see them walking to it during the summer | 2/28/2022 5:01 PM |
| 1146 | Small neighborhood amenity. When our kids were growing up they could go on their own to meet friends there. | 2/28/2022 5:00 PM |
| 1147 | Neighborhood pool | 2/28/2022 4:59 PM |
| 1148 | It's a very welcoming, inclusive pool. Many neighbors visit it as well, and I personally appreciate the atmosphere. | 2/28/2022 4:59 PM |

| 1152 | Convenience. Community energy and climate. History. Architecture. | 2/28/2022 4:57 PM |
| 1153 | The ability for the kids to easily meet up with friends to swim without crossing major roads | 2/28/2022 4:55 PM |
| 1154 | I like the architecture and overall classic appearance | 2/28/2022 4:55 PM |
| 1155 | It's historical charm | 2/28/2022 4:54 PM |
| 1156 | Wesley Bintz tremendous historical value | 2/28/2022 4:54 PM |
| 1157 | Location (walkable from my house) | 2/28/2022 4:52 PM |
| 1158 | It's historic and timeless look and memories | 2/28/2022 4:50 PM |
| 1159 | Proximity | 2/28/2022 4:49 PM |
| 1160 | The history and way it looks I think it's so cool we have a bintz pool and should be proud of it. We can make a little ramp and they also have wheel a hair that can go up stairs now. | 2/28/2022 4:49 PM |
| 1161 | The price | 2/28/2022 4:43 PM |
| 1162 | Different from the other pools | 2/28/2022 4:41 PM |
| 1163 | Close location | 2/28/2022 4:41 PM |
| 1164 | Affordable, and close | 2/28/2022 4:39 PM |

| 1166 | It's historical relevance | 2/28/2022 4:37 PM |
| 1167 | The retro feel | 2/28/2022 4:36 PM |
| 1168 | The central bench location next to South Junior High and the accessible recreation it provides to local children and adult. | 2/28/2022 4:35 PM |
| 1169 | Pool | 2/28/2022 4:32 PM |
| 1170 | Its unique design. | 2/28/2022 4:32 PM |
| 1171 | Are family has enjoyed having a place to swim plus swimming lessons for decades. It's important to have this pool in this area. There are not a lot of choices for fun activities during the summer in this area of Boise besides the small parks that have playgrounds baking in the sun and becoming to hot by a certain time of day. It was also cost effective. It helps keep kids away from the canals and Borah pool is not always an option being 3 miles away from South area neighborhoods. Not everyone can afford to join the YMCA. | 2/28/2022 4:32 PM |
| 1172 | Memories | 2/28/2022 4:31 PM |
| 1173 | The unique design of the pool. | 2/28/2022 4:30 PM |
| 1174 | Style | 2/28/2022 4:29 PM |
| 1175 | Just being a nice pool, safe to take my grandkids to play and learn to swim. | 2/28/2022 4:28 PM |
| 1176 | Access | 2/28/2022 4:26 PM |
| 1177 | It is truly a staple for our community. It has great history, provides unique architecture, and gives the bench kids a place to congregate that is safe. | 2/28/2022 4:22 PM |
| 1178 | That I was able to share South Pool not only with my kids but also my grandchildren! | 2/28/2022 4:22 PM |
| 1179 | location | 2/28/2022 4:21 PM |
| 1180 | I appreciate most about South pool is having a community pool for bench residents a fun place to gather with neighbors and friends. | 2/28/2022 4:20 PM |
| 1181 | The historic value and great community opportunity for summer fun. | 2/28/2022 4:19 PM |

| 1197 | Neighborhood pool | 2/28/2022 3:53 PM |
| 1198 | This appearance. I LOVE the art deco design. Location was great for a lot of lower-income families. The diving board and basketball hoop. | 2/28/2022 3:49 PM |
| 1199 | Location - it's an attractive facility for many in a working-class, limited-income neighborhood. Thousands of people live within easy walking/biking distance. It's been there my entire life. | 2/28/2022 3:49 PM |
| 1200 | Locally, near my home. | 2/28/2022 3:48 PM |
| 1201 | Never been can't say | 2/28/2022 3:45 PM |
| 1202 | Accessibility and a sense of community | 2/28/2022 3:44 PM |
| 1203 | I love its old architecture and have fond memories all throughout my childhood and adult life going there | 2/28/2022 3:44 PM |
| 1204 | Easy to get to, close to our house. | 2/28/2022 3:44 PM |
| 1205 | Gives neighborhood kids/families something to do in the summer | 2/28/2022 3:43 PM |

| 1214 | Historic, great location | 2/28/2022 3:26 PM |
| 1215 | The value for the community and the historical value. | 2/28/2022 3:25 PM |
| 1216 | It's a pool! You can't reliably tell me that Boise will build more pools. The pools we have are precious resources, particularly with our scorching hot summers. | 2/28/2022 3:23 PM |
| 1217 | Accessibility to the neighborhood | 2/28/2022 3:20 PM |
| 1218 | That it is in the middle of a neighborhood with few pools available. | 2/28/2022 3:19 PM |
| 1219 | The historic architecture! | 2/28/2022 3:14 PM |
| 1220 | It's maybe a mile from our house and we now have a 2 year old that we'd love to be able to take. | 2/28/2022 3:14 PM |

| 1222 | The location, and the mid century exterior | 2/28/2022 3:13 PM |
| 1223 | The closeness to my home (and to so many other residences). The affordability of the entrance fee. It's a great place for kids and teens to hang out, especially during a heat wave. | 2/28/2022 3:11 PM |
| 1224 | I like to use public pools for swimming lessons for my kids. | 2/28/2022 3:11 PM |
| 1225 | It's a beautiful and historic structure that provides a healthy outlet to kids in the neighborhood. | 2/28/2022 3:07 PM |
| 1226 | The history, the uniqueness. | 2/28/2022 3:07 PM |
| 1227 | I love that that side of town has a community pool offered. | 2/28/2022 3:07 PM |
| 1228 | It's character and historic significance. | 2/28/2022 3:06 PM |
| 1229 | Easy to use. Close to my house. Affordable | 2/28/2022 3:04 PM |
| 1230 | I appreciated the uniqueness but realize that financially you may not be able to keep it that way. Possibly you could incorporate the front portion of it at least. | 2/28/2022 3:04 PM |
| 1231 | Neighborhood proximity | 2/28/2022 3:02 PM |
| 1232 | Classic look and neighborhood experience | 2/28/2022 3:01 PM |
| 1233 | neighborhood proximity so children and others can use it frequently | 2/28/2022 2:58 PM |
| 1234 | It is an important element of the bench community. I was at the pool every day during my childhood. Great place to enjoy healthy activity for little cost and stay out of trouble as a young boy. | 2/28/2022 2:58 PM |
| 1235 | Community gathering spot. | 2/28/2022 2:56 PM |
| 1236 | It's historic and recreational value. | 2/28/2022 2:56 PM |
| 1237 | It's historic significance: I greatly value the historic significance of the South Pool and want to see it maintained as a historic structure. What an asset to Boise. The cost to maintain is just a small expense to save this historic gem! | 2/28/2022 2:55 PM |
| 1238 | location on the bench, within walking distance of 2 elementary schools | 2/28/2022 2:48 PM |
| 1239 | The architecture | 2/28/2022 2:46 PM |
| 1240 | community resource, social interaction, historical significance | 2/28/2022 2:39 PM |
| 1241 | Loved the uniqueness of it compared to the other Boise pools | 2/28/2022 2:37 PM |
| 1242 | I believe neighborhoods should have a local pool, local parks, and other recreational opportunities within walking distance. | 2/28/2022 2:37 PM |
| 1243 | That it is the neighborhood pool and has a history. | 2/28/2022 2:37 PM |
| 1244 | Unique | 2/28/2022 2:37 PM |
| 1245 | The historic design and location | 2/28/2022 2:35 PM |
| 1246 | Location. Great for long summer days wher I don't have to go far | 2/28/2022 2:34 PM |
| 1247 | The affordability as well as proximity to our home. | 2/28/2022 2:29 PM |
| 1248 | Its historic uniqueness. My kids love swimming at a pool that both their mom and grandparents | 2/28/2022 2:28 PM |

| 1249 | Neighborhood fun for the kids and we met people in our community. | 2/28/2022 2:26 PM |

| 1301 | Historic signifigance, affordable family friendly activity. | 2/28/2022 1:03 PM |
| 1302 | It's uniqueness. It is a staple in that area of town as well as to the community. Losing South pool is losing another piece of Boise history. | 2/28/2022 12:59 PM |
| 1303 | Location | 2/28/2022 12:58 PM |
| 1304 | What I love about South Pool is that it is located close to lower income areas and it provides a fun, kid-friendly summertime activity to those in the area. Community amenities like this are super important because they give people wholesome recreational opportunities and improve overall quality of life. | 2/28/2022 12:58 PM |

| 1346 | Convenience. Historical. | 2/28/2022 12:20 PM |
| 1347 | I grew up about 3 blocks away from South pool and spent at least 3 days a week, all summer (for about 10 years), swimming here. My friends and I could walk there by ourselves from a young age, so it was easier for my working parents to allow us to go and have fun (didn't have to drive to one of the further public pools). Location and easy access for kids in the neighborhood on the bench are very important. The other closest pool for these neighborhoods would be Borah Pool, which would definitely not have been accessible for me as a young kid without parents driving us there. I also appreciate that it's a smaller pool, and was never as crowded as Ivywild or the Natatorium. The open hours for daytime and nighttime swimming were both great! | 2/28/2022 12:17 PM |

| 1436 | It has a classic, neighborhood feel | 2/28/2022 10:33 AM |
| 1437 | That city if giving an amenity. We don't even have a rec center. | 2/28/2022 10:25 AM |
| 1438 | Drowning is THE leading cause of death in children. The city practically shut down schools and are going to crazy measures to save us from covid and yet we can't spend some money to make pools and swim lessons and swim team accessible. Not having swim team for kids under 9 last year may have caused more problems than covid. Kids need to be strong swimmers in a neighborhood with a river and so many ponds. Accessible pools is one way to make that happen. | 2/28/2022 10:24 AM |
| 1439 | It's location in a neighborhood with low-income residents and lots of families. | 2/28/2022 10:11 AM |

| 26 | Build a new pool at the same site while maintaining the old structure for its historic significance | 3/25/2022 12:47 PM |
| 27 | Upgrade the equipment to make the pool function as a high quality neighborhood pool. | 3/25/2022 11:54 AM |
| 28 | As a Bench resident, I would love to have a neighborhood pool that I can visit with my 7 year old emerging swimmer. We did a lot of time at the Natatorium last summer and at Ivy Wild prepandemic because both pools are larger. Neighborhood access for disabled folks is also a critical component. | 3/25/2022 11:43 AM |
| 29 | Modernization which could provide money making opportunities. | 3/25/2022 10:45 AM |

| 31 | Just keep it open. | 3/25/2022 10:25 AM |
| 32 | I want to be similar to the Borah Pool. | 3/25/2022 8:01 AM |
| 33 | convert it to a skatepark | 3/25/2022 1:00 AM |
| 34 | Maintaining the existing oool and adding on an area for toddlers and smaller kids. | 3/25/2022 12:03 AM |
| 35 | Access | 3/24/2022 11:02 PM |
| 36 | Improvements that maintain historic characteristics | 3/24/2022 9:09 PM |
| 37 | I think that the architecture is a little challenging, with the narrow staircases and exposer to the sun. I also think that the pool could be a huge community building place, with more affordability, communication, and access. | 3/24/2022 8:46 PM |
| 38 | Updated swimming facilities with shallowing areas, slides, nicer restrooms & dressing rooms and some shade. | 3/24/2022 8:42 PM |

| 39 | I feel it needs a fresh look | 3/24/2022 7:59 PM |

| 42 | Clearly the building interior could use some improvement and accessibility should be improved. | 3/24/2022 4:47 PM |
| 43 | Adding to the back to add accessibility or adding a separate changing/bathroom next to the pool. | 3/24/2022 3:32 PM |
| 44 | Convert it into a skate bowl | 3/24/2022 1:53 PM |
| 45 | Torn down, put a pool in ground and make use of the park space around for community gatherings, playground, outdoor gym | 3/24/2022 1:17 PM |
| 46 | Safety & accessibility.(ADA Compliance) | 3/24/2022 9:43 AM |
| 47 | Making it awesome and a great place for kids to spend their summer | 3/22/2022 9:02 PM |
| 48 | keep the original design, add pool surround for more use | 3/22/2022 8:59 PM |
| 49 | The South Pool is a neighborhood treasure for kids. If it's deemed to expensive to refurbish and maintain the original design, then a new pool should replace the existing one. | 3/22/2022 3:53 PM |
| 50 | Probably the access by those with mobility issues - the stairs are an impediment. Also whatever engineering, safety, energy efficiency. | 3/22/2022 10:51 AM |
| 51 | New indoor pool | 3/22/2022 10:06 AM |
| 52 | Keeping it open and functioning as a community draw | 3/22/2022 7:49 AM |
| 53 | I do believe it is important to provide a safe and and secure swimming pool in the neighborhood. An updated facility able to interpret and reflect its history in our community would be most desired. | 3/21/2022 1:30 PM |
| 54 | Maintenance. | 3/21/2022 10:30 AM |
| 55 | Heated water, addition of a children's pool, | 3/20/2022 4:53 PM |
| 56 | bringing the community together, even though I lived in SV and then Gooding, I LOVED going to the pools | 3/20/2022 2:05 PM |
| 57 | KEEPING IT IN GOOD CONDITION WHILE MAINTAINING ITS ORIGINAL LOOK | 3/20/2022 1:30 PM |
| 58 | Need to ensure it's clean and well taken care of. It'd be nice if it was modernized too, I don't see value in perfectly preserving it. Yes the history is important and and renovations should be done with it in mind, but renovations should be done. | 3/20/2022 12:35 PM |
| 59 | Build another one beside it for year around swimming | 3/20/2022 12:14 PM |
| 60 | Expanded with shade | 3/20/2022 11:24 AM |
| 61 | I think it should be structurally updates and repainted while also maintaining the architectural and historical aesthetic. | 3/20/2022 11:02 AM |
| 62 | Health and safety should come first. Preservation of historical landmark second. | 3/20/2022 10:02 AM |
| 63 | Tear it down Build new one | 3/20/2022 9:19 AM |
| 64 | The South pool needs to be torn down, and something nicer needs to be put in instead. An indoor swim pool like what YMCA has would be amazing. Or have the pool be an indoor/outdoor pool. The pool needs to be built with better accessibility, all levels of swimmers, and modernized | 3/20/2022 9:11 AM |
| 65 | upgrade the pool so it can be opened again | 3/20/2022 7:55 AM |
| 66 | Whatever can happen to open it again | 3/19/2022 7:21 PM |
| 67 | Modern equipment. Entirely rebuilt if cost was similar. | 3/19/2022 3:36 PM |
| 68 | adult only swim time | 3/19/2022 3:14 PM |
| 69 | Keeping a functioning city pool in the neighborhood | 3/19/2022 1:32 PM |

| 71 | Accessibility | 3/19/2022 10:13 AM |
| 72 | Seating area. In ground (no steps) | 3/18/2022 8:24 PM |
| 73 | don't know | 3/18/2022 2:42 PM |
| 74 | For the kids to play and swim outside. | 3/18/2022 2:15 PM |
| 75 | Opening it back up for the neighborhood to enjoy like it has been all these years. NOT destroying it and NOT modifying it to the extent of it being unrecognizable. When I get a permit to add on to my 75-year old house, I shouldn't be expected to modify every single aspect of my house to current day standards. Asbestos contained within walls is not an issue UNTIL you start to remove it. Lead paint is not an issue unless its flaking off and children are eating it - so paint over it. | 3/18/2022 10:44 AM |

| 78 | Brought up to code and improvements made to keep this a vibrant part of the Depot Bench neighborhood. | 3/17/2022 7:22 PM |
| 79 | Make bigger, provide spaces for parking, and create some shade | 3/17/2022 3:45 PM |
| 80 | Handicap accessiblity | 3/17/2022 2:09 PM |
| 31 | Bringing it up to ADA code so more people can enjoy it. | 3/17/2022 1:27 PM |
| 82 | ADA accessibility | 3/17/2022 12:44 PM |
| 83 | I am not actually familiar with the pool itself. I know that it is old and probably requires some retrofits. While I, as are most people, am concerned about about costs, I think the pool is a great neighborhood asset. I am not particularly attached to the historic aspects of the pool. I would like to see a pool remain at South. | 3/17/2022 11:40 AM |
| 84 | Upgrade or replace. | 3/17/2022 11:17 AM |
| 85 | retain the historic look | 3/17/2022 9:27 AM |
| 86 | To preserve it as a historic monument. | 3/17/2022 12:29 AM |
| 87 | Accessibility and historical savibg | 3/16/2022 10:53 PM |
| 38 | Make it accessible to all | 3/16/2022 6:48 PM |
| 39 | To make the facility assessible to all. | 3/16/2022 6:10 PM |
| 90 | Having a shallow end for non-swimming children and their parents. Seating around the pool is also a big factor. | 3/16/2022 3:06 PM |
| 91 | General maintenance. Doesn't need to be anything fancy. Just needs to be functional. | 3/16/2022 1:47 PM |
| 92 | Maintaining a historic pool and landmark for future generations. | 3/16/2022 1:34 PM |
| 93 | Just upkeep on the dressing rooms, deck, etc. | 3/16/2022 12:06 PM |
| 94 | Make community events happen there. | 3/16/2022 8:24 AM |
| 95 | Locker rooms | 3/16/2022 7:05 AM |
| 96 | Accessibility | 3/15/2022 9:00 PM |
| 97 | More space and greater accessibility | 3/15/2022 7:08 PM |
| 98 | Make it a park | 3/15/2022 3:42 PM |
| 99 | Refurbishment | 3/15/2022 3:24 PM |
| 100 | safety and historical value to the city | 3/15/2022 1:03 PM |
| 101 | Haven't been inside | 3/15/2022 11:18 AM |
| 102 | The bathroom/changing area | 3/14/2022 9:44 PM |
| 103 | Build new. 1. Or major remodel. 2 | 3/14/2022 12:48 PM |
| 104 | Dressing rooms | 3/14/2022 11:02 AM |
| 105 | accessibility for all and kiddie pool | 3/14/2022 10:58 AM |
| 106 | Adding a toddler swim hour could really help families with tiny kids use the pool much more | 3/14/2022 10:01 AM |
| 107 | Accessibility | 3/14/2022 9:31 AM |
| 108 | making it a bigger pool | 3/14/2022 1:23 AM |
| 109 | Make it accessible to all | 3/13/2022 10:20 PM |
| 110 | opening it up again; having its opening season beyond when school starts (at least through labor day weekend as nights and weekends are definitely warm enough and we would use it then) | 3/13/2022 4:54 PM |
| 111 | Turn it into a soccer park | 3/13/2022 4:44 PM |
| 112 | Have it be open! I think the pool is perfect. I don't know if there are swim lessons there now, but it would be helpful for some of the refugee kids if they need to learn how to swim and their parents are unable to provide the resources, it would be great if they had the opportunity to have lessons. | 3/13/2022 3:45 PM |
| 113 | Probably total replacement. | 3/13/2022 1:26 PM |
| 114 | Modernize | 3/12/2022 9:45 PM |
| 115 | Soccer facilities | 3/12/2022 8:41 PM |
| 116 | More accessible, improved hours, | 3/12/2022 8:03 PM |
| 117 | Update the equipment | 3/12/2022 5:41 PM |
| 118 | Social gatherings | 3/12/2022 5:14 PM |
| 119 | Historic restoration or adaptive reuse of the building. | 3/12/2022 3:07 PM |

| 120 | larger facility | 3/12/2022 12:14 PM |
|-----|--|--------------------|
| 121 | Repair and maintain | 3/12/2022 10:07 AM |
| 122 | Not knowing the how much land is available for expansion(s), I would say the need to increase the size of the swimming area. | 3/12/2022 9:46 AM |
| 123 | New pool | 3/12/2022 9:32 AM |
| 124 | Providing a safe and recreational space for all community members to spend time. | 3/12/2022 7:20 AM |
| 125 | Provide a larger better facility | 3/12/2022 5:07 AM |
| 126 | Not sure | 3/11/2022 10:48 PM |
| 127 | Modernize safety related issues and provide an affordable social/fitness gathering site for this neighborhood. | 3/11/2022 8:19 PM |
| 128 | Renovating the interior. | 3/11/2022 6:18 PM |
| 129 | Leave it alone. Maybe handicap swimmers can go to Borah orBSU | 3/11/2022 5:52 PM |
| 130 | South may be past its potential for maintaining operations in a cost beneficial way. Otherwise I'd say the willingness to keep it open with a longer season. When the trend is to reduce hours, fewer people will go. | 3/11/2022 5:50 PM |
| 131 | Bathrooms | 3/11/2022 5:49 PM |
| 132 | I think this should be on the back burner until we are sure the pandemic is over and this community has addressed the urgent need for homes | 3/11/2022 4:03 PM |
| 133 | Keep it clean and safe | 3/11/2022 3:47 PM |
| 134 | Clean up and new concreate in spots a couple trip hazards | 3/11/2022 2:53 PM |
| 135 | Upgrading it's safety and accessibility issues. | 3/11/2022 1:44 PM |
| 136 | Stop all the "climate change" bullshit and provide basic city services like pools | 3/11/2022 1:43 PM |
| 137 | Build a modern, accessable pool. | 3/11/2022 12:30 PM |
| 138 | Invest the money necessary to update or replace with a new pool if needed. Our older neighborhoods continue to be some of the most valued in the city, and part of that is their multiple schools, churches, and city pools. As the population in this neighborhood ages, young families are moving in, and South Pool is the perfect summer recreation! | 3/11/2022 12:24 PM |
| 139 | Larger area around pool to sit/lounge | 3/11/2022 12:23 PM |
| 140 | rebuild in ground but recreate the art deco facade. | 3/11/2022 11:41 AM |
| 141 | Better accessibility for those who are differently abled. | 3/11/2022 11:33 AM |
| 142 | Adult hour/night. Bring art or music to the adjoining park as part of first Thursday and allow alcohol | 3/11/2022 11:17 AM |
| 143 | Making it accessible to disabled people without ruining the historical significance and character of the structure. | 3/11/2022 11:10 AM |
| 144 | Having a space for swimmers who are younger than the grade school. | 3/11/2022 10:08 AM |
| 145 | Better use of the space; the above ground format does not allow for good space utilization. | 3/11/2022 9:59 AM |

| 259 | Accessibility is a concern, but I would think it feasible to provide an exterior lift or the like. And as with any locker room, gender fluid may need some accommodations. It might also be fun to invite food trucks or activities there for certain events where the pool, fields, and tennis courts are in use simultaneously. It could be interesting to create small flooring "pods" that come off the central pool with additional seating or a nice place for a group lunch. You might even consider adding features to sharpen the "treehouse" feel or add a zip line from the pool to the tennis court and one of those gadgets that allows people at the pool to communicate with people on the ground for greater integration between the play areas. Finally, it would be advisable to talk to South Junior High about how they might like to use the pool as its students are likely active users. | 3/7/2022 9:30 PM |

I wasn't that student, but ended up taking it on my record. This shouldn't happen to any other student again. And students should never be able to hurt one another on the property any more. | 314) 2022 12.12 T W |

| 322 | I understand the maintenance issues with an old facility like this. Could a new pool be constructed in it's place preserving some of the historic features? This is not a new residential area like other growing areas of Boise. Create a new pool area to fit the area, not something that will draw in a lot of people from other neighborhoods. It's always been sort of a fun secret for our family. | 3/4/2022 10:57 AM |
| 323 | I think if it were done properly, there would be better access for exercise in our community. Teenagers would be less inclined for harmful activities, and spend more time with friends at the pool. Add a food truck in, or a place to grab a bite, and it could be a very popular summer spot for neighborhood kids. | 3/4/2022 10:41 AM |
| 324 | South Pool is definitely in need of a refresh but it MUST remain the same. Is it perfect no, but that's the charm if the structure. | 3/4/2022 9:53 AM |
| 325 | Update pool interior but not necessary | 3/4/2022 9:02 AM |
| 326 | Update facilities | 3/4/2022 9:02 AM |
| 327 | Update, make safe, and enjoyable for all in Boise. | 3/4/2022 8:38 AM |
| 328 | Popularity of pool as community resource. | 3/4/2022 8:24 AM |
| 329 | The bench doesn't have many things kids can do in the summer. | 3/4/2022 7:31 AM |
| 330 | Larger pool Locker rooms | 3/4/2022 7:15 AM |
| 331 | It obviously needs to be re done. I also attended South JHS and while it was sad to see the school torn down I understood why a more up to date version had to be built, but the unique facade from the library was kept, so perhaps something along those lines could be done for the poos with regards to the entrance of the pool. | 3/4/2022 12:30 AM |
| 332 | Complete renovation as a kid's pool. The 3 municipal pools should be for different uses. | 3/3/2022 10:42 PM |
| 333 | Accessibly | 3/3/2022 10:32 PM |
| 334 | Walkways around the pool being less slippery and wet. | 3/3/2022 10:30 PM |
| 335 | I think having easier accessibility to the pool deck would allow all users to use it. This could be added to the existing pool structure. Additionally, if the pool is kept and refurbished, there would be room for something like a splash pad for younger users. | 3/3/2022 8:00 PM |
| 336 | Updating the facade, maybe adding more deck space, updating the changing rooms, and adding a long winding ramp or elevator for accessibility. It would also be great to bring back the higher diving board. | 3/3/2022 7:52 PM |
| 337 | Getting a slice | 3/3/2022 7:31 PM |
| 338 | Upgrades of the structure itself. | 3/3/2022 7:03 PM |
| 339 | Locker rooms, bathroom, increase pool deck size, pool resurfacing. | 3/3/2022 6:11 PM |
| 340 | Save the facade and rebuild a new pool somewhere else. | 3/3/2022 6:05 PM |
| 341 | Saline water instead of chlorine. | 3/3/2022 5:46 PM |
| 342 | Bring families together | 3/3/2022 5:39 PM |
| 343 | Showcase the history, do not destroy it. | 3/3/2022 5:37 PM |
| 344 | Expansion of aquatic opportunities for this neighborhood that city has ignored for decades. Refurbish this pool and add another one. | 3/3/2022 5:22 PM |
| 345 | Just about everything about the design | 3/3/2022 4:47 PM |
| 346 | It has to be accessibility at this this point, right? | 3/3/2022 4:02 PM |
| 347 | -cleanliness and safety | 3/3/2022 3:36 PM |
| 348 | Safety, accessibility | 3/3/2022 2:48 PM |
| 349 | While the above ground pool is unique and historic, it doesn't seem particularly efficient with the lack of pool deck area and concessions (profit) opportunities. But swimming is a great summer activity and a team/rec pool could be great for those neighborhoods. | 3/3/2022 2:44 PM |
| | , | |
| 350 | Make it more kid friendly, accessible, and safe. | 3/3/2022 2:36 PM |

| 352 | Document pool and history for display, demo pool (keeping historic facade), build indoor accessible pool that can be used year round, with lots of sliding doors to open it to the outdoors in nice weather. A patio for sunbathing would be nice. In the winter have evening swim lessons M-F, general swim on Saturday and Sunday. Too many kids are not good swimmers! | 3/3/2022 1:09 PM |
|-----|--|-------------------|
| 353 | It would be really awesome if the pool was more accessible to a wider range of kids and adults (similar to Ivywild) | 3/3/2022 1:06 PM |
| 354 | The opportunity is the fact we have a historic pool in our neighborhood that needs more annual maintenance that it has received in the past. It is an important icon in our neighborhood. | 3/3/2022 12:30 PM |
| 355 | Swim team | 3/3/2022 10:54 AM |
| 356 | Make it a skatepark! | 3/3/2022 9:19 AM |
| 357 | Turning it into a skatepark | 3/3/2022 8:30 AM |
| 358 | ADA access and keeping it original as possible | 3/3/2022 8:23 AM |
| 359 | Creating a skate park. While I don't skate, it would be an amazing attraction that would reduce crowding at Rhodes and give our city another unique feature. | 3/3/2022 8:11 AM |
| 360 | No clue, make it multi use? Allow people to rent it out? | 3/3/2022 7:52 AM |
| 361 | As long as it is safe, no other major improvements needed (it is just a swimming pool). | 3/3/2022 7:43 AM |
| 362 | Put a food/drink shack to help draw people | 3/3/2022 7:35 AM |
| 363 | It's fine the way it is. Make it so that it can be skated. | 3/3/2022 7:31 AM |
| 364 | Add some shade, put in a ramp. | 3/3/2022 7:20 AM |
| 365 | Updating accessibility, keeping the facade and history | 3/3/2022 7:09 AM |
| 366 | Develop a pool that can be used by all ages, similar to Ivywild. | 3/3/2022 7:06 AM |
| 367 | While it's historic, most everything else about the pool is awful. Old tiny changing areas and no family change space, no deck space, no shallow area for small kids. It's not really a family pool. A new pool facility could serve so many in the area! | 3/3/2022 2:17 AM |
| 368 | I think it presents a great opportunity to create a completely new pool facility - that could very interestingly incorporate the historic elements to create something beautiful and unique for the city. | 3/3/2022 1:42 AM |
| 369 | Asthetics | 3/3/2022 12:19 AM |
| 370 | Certainly deferred maintenance is a significant issue. In reading the project assessment a lot of time is spent calling out deficiencies from lack of maintenance or timely repairs. I can't stress this enough parks and rec avoiding spending money on an old asset over the last 3 decades (that I have been in the neighborhood) has been obvious. we should be looking at the costs as deferred. They should have been budgeted for and provided each year. Not used as an excuse today to say "we need to close or demolish these pools because they have been poorly maintained". The second opportunity is that future plans should make reasonable accomodations to meet ADA requirements. The key is reasonable given the context that these pools are not really expected to have all the available features and accomodations that a facility built today would. | 3/2/2022 11:17 PM |
| 371 | Accessibility to all people of all abilities | 3/2/2022 11:06 PM |
| 372 | Locker rooms, food concession | 3/2/2022 10:56 PM |
| 373 | More family fun | 3/2/2022 10:50 PM |
| 374 | Accessibility of disabled community members | 3/2/2022 10:03 PM |
| 375 | just basic maintenance, don't chance the look :(| 3/2/2022 9:54 PM |
| 376 | Accessibility to the above ground pool for all. | 3/2/2022 9:52 PM |
| 377 | Invest the necessary money to fix it for future generations to enjoy. | 3/2/2022 9:45 PM |
| 378 | The pool should become a local skate park | 3/2/2022 9:43 PM |
| 379 | Maybe redoing the pool floor it is very warn down. | 3/2/2022 9:41 PM |
| 380 | With South's remodel there is abundant parking. | 3/2/2022 9:26 PM |
| 381 | Locker rooms, general pool area, accessibility for all swimmers, etc | 3/2/2022 9:17 PM |
| 382 | Make it clean and safe. | 3/2/2022 8:59 PM |
| 383 | Update bathrooms/lockers. Keep that façade. | 3/2/2022 8:55 PM |
| 384 | Accessibility for people with limited mobility. Shade structures as well. | 3/2/2022 8:49 PM |
| 385 | It's perfect. Don't change anything. | 3/2/2022 8:41 PM |
| 386 | Shade, better locker room facilities, longer hours. | 3/2/2022 8:41 PM |
| 387 | Get it to code and public safety | 3/2/2022 8:40 PM |
| 388 | Maintenance | 3/2/2022 8:36 PM |
| | | |

| 389 | Keep a well designed and historical piece of the community | 3/2/2022 8:31 PM |
|-----|---|------------------|
| 390 | More activities. We must frequent ivy wild for the childrens area, and secondly head to borah for the diving board. We would love to have some of those same features closer to our home. | 3/2/2022 8:14 PM |
| 391 | Maintaining the historical structure | 3/2/2022 8:11 PM |
| 392 | You can add wheelchair accessible lifts | 3/2/2022 8:11 PM |
| 393 | I believe the city should invest in a higher quality pool space vs. a reclamation projection. | 3/2/2022 8:11 PM |
| 394 | Accessibility | 3/2/2022 7:52 PM |
| 395 | As above. Swimming lessons and to cool off when it boise summer weather. | 3/2/2022 7:52 PM |
| 396 | Probably the dressing areas and the floors. | 3/2/2022 7:50 PM |
| 397 | larger pool, better accessibility | 3/2/2022 7:50 PM |
| 398 | In ground pool | 3/2/2022 7:45 PM |
| 399 | Maybe it should be a skate park year round. | 3/2/2022 7:42 PM |
| 400 | More space for better use | 3/2/2022 7:41 PM |
| 401 | I think turning it into a skatepark type facility would be a great decision | 3/2/2022 7:36 PM |
| 402 | Unsure | 3/2/2022 7:34 PM |
| 403 | The use of the jr highs parking lot makes parking more convenient. Maybe add on another pool for younger kids | 3/2/2022 7:16 PM |
| 404 | Only ever seen from the outside, so unsure. | 3/2/2022 7:10 PM |
| 405 | Updating facilities & water park | 3/2/2022 6:49 PM |
| 406 | It sounds like there are improvement necessary to reopen operations. Completing those and preserving historic value, if possible. | 3/2/2022 6:39 PM |
| 407 | We can make more space so more people can relax while others swim | 3/2/2022 6:18 PM |
| 408 | Skatepark | 3/2/2022 5:55 PM |
| 409 | Not sure but I hope a pool continues to be an option | 3/2/2022 5:55 PM |
| 410 | Not sure. | 3/2/2022 5:41 PM |
| 411 | Turn into a skate park because it would be cheaper than tearing it down | 3/2/2022 5:32 PM |
| 412 | Add accessibility. Elevator? Still want the building to remain as intact as possible without major design changes. | 3/2/2022 5:27 PM |
| 413 | Preserve its history, integrity and originality while making it safe for continued use in the community | 3/2/2022 5:18 PM |
| 414 | Accessibility for those of all abilities. Accessibility for children. | 3/2/2022 4:49 PM |
| 415 | Accessibility for all | 3/2/2022 4:48 PM |
| 416 | Cleanliness | 3/2/2022 4:22 PM |
| 417 | Bathrooms | 3/2/2022 4:18 PM |
| 418 | Rebuild it like ivy wild. | 3/2/2022 4:11 PM |
| 419 | Accessibility for those with disabilities and mobility concerns | 3/2/2022 4:08 PM |
| 420 | accessibility | 3/2/2022 4:00 PM |
| 421 | Locker rooms need to be updated. | 3/2/2022 3:57 PM |
| 422 | Being open | 3/2/2022 3:56 PM |
| 423 | Stair/ ramp accessibility. | 3/2/2022 3:37 PM |
| 424 | With the increased population, and tendency for new builds to be built on lots the size of postage stamps, it's more important than before to make sure people have the opportunity to use a clean, accessible pool. A shocking amount of adults (and kids) don't know how to swim. Give them a place to learn. | 3/2/2022 3:23 PM |
| 425 | Repurposing for a better public use. This should not be demolished. | 3/2/2022 3:21 PM |
| 426 | Keep the art deco and update the parts that need fixed. | 3/2/2022 3:13 PM |
| 427 | We think you should find a way to support the new Greater Boise Aquatic Center | 3/2/2022 3:12 PM |
| 428 | Up to code | 3/2/2022 3:08 PM |
| 429 | Modern update to safety and accessibility. | 3/2/2022 3:01 PM |
| 430 | Maybe just updated bathrooms! | 3/2/2022 2:58 PM |
| | Poturbish to original glosy | 2/2/2022 2:20 DM |
| 431 | Refurbish to original glory | 3/2/2022 2:39 PM |

| 433 | Unsure. | 3/2/2022 2:37 PM |
|-----|--|-------------------|
| 434 | Adding slides, splash area, other amenities | 3/2/2022 2:35 PM |
| 435 | The pool is too deep at the shallow end. There are no steps only ladders. The drop from shallow to deep is very steep. | 3/2/2022 2:21 PM |
| 436 | updating bathrooms | 3/2/2022 2:17 PM |
| 437 | Modernize | 3/2/2022 2:07 PM |
| 438 | make it a skatepark | 3/2/2022 2:05 PM |
| 439 | Safety and accessibility | 3/2/2022 2:05 PM |
| 440 | I believe the south pool could be turned into a skatepark | 3/2/2022 2:04 PM |
| 441 | Start iver | 3/2/2022 1:57 PM |
| 442 | This could be an opportunity to expand the pool or convert part of it to indoor so that people can keep swimming through the whole year. | 3/2/2022 1:52 PM |
| 443 | Make it more accessible for all groups. | 3/2/2022 1:28 PM |
| 444 | Keep the historical structure but improve it so it is accessible for all people not just able bodied. | 3/2/2022 1:14 PM |
| 445 | It probably needs a new update and face lift | 3/2/2022 1:08 PM |
| 446 | The idea of turning it into a skate park would also work in my opinion, skateparks serve a similar purpose in the community and if the facility would get more use, that would be good | 3/2/2022 1:06 PM |
| 447 | Build a more modern, more accessible pool for the community with lower ongoing maintenance costs. | 3/2/2022 1:02 PM |
| 448 | General maintenance and upkeep | 3/2/2022 12:58 PM |
| 449 | Skate park. I believe it would be cost effective to use the pool to develop the skate park design. | 3/2/2022 12:56 PM |
| 450 | The pool allows a wide age range to enjoy a family and friend oriented activity. | 3/2/2022 12:56 PM |
| 451 | ? | 3/2/2022 12:40 PM |
| 452 | Build with young families in mind. | 3/2/2022 12:39 PM |
| 453 | Overall upgrades. | 3/2/2022 12:37 PM |
| 454 | Tearing it down and building a much nicer one in its place. | 3/2/2022 12:34 PM |
| 455 | General clean up and upkeep | 3/2/2022 12:32 PM |
| 456 | Make it more accessible and safe for all member of the community | 3/2/2022 12:32 PM |
| 457 | Keeping the upkeep up to operational standers. So Future young people can make memorys. | 3/2/2022 12:31 PM |
| 458 | Maintaining some of the history while making it more beginner swimmer friendly! | 3/2/2022 12:31 PM |
| 459 | Add shade and a shallow end and swimming lessons | 3/2/2022 12:20 PM |
| 460 | Making the hours more accessible | 3/2/2022 12:20 PM |
| 461 | If the choice is between no pool and an old well maintained pool, I definitely want a pool. If we can get a small new facility that would be great too. If it was covered so it could be used year round even better. It doesn't need to be huge, or have tons of bells and whistles. Think along the lines of a nice private pool in a subdivision. So why should my neighborhood have a public pool instead of a private one? Because cities should take care of their inner core or they will rot from the inside. Sprawl makes services more difficult to provide. | 3/2/2022 12:17 PM |
| 462 | I think it would be more cost effective if the city were to transform South Pool into a skate park. By doing so, this would likely not require the cost of upkeep and maintenance that is required when operating as a swimming pool to the public. This could also preserve the historic quality. | 3/2/2022 12:14 PM |
| 463 | Accessibility | 3/2/2022 12:06 PM |
| 464 | If it becomes a skateboarding pool, not only would it become a huge destination, the cost for renovation would be a fraction of destruction. | 3/2/2022 12:06 PM |
| 465 | New pool & building | 3/2/2022 12:00 PM |
| 466 | Making a splash pad nearby for small children! | 3/2/2022 11:48 AM |
| 467 | Bringing the structure up to code and better accessibility | 3/2/2022 11:46 AM |
| 468 | Turned into skate park | 3/2/2022 11:36 AM |
| 469 | Bring up to code and modernize but keep its uniqueness as wellbut add more like a splash pad and play area | 3/2/2022 11:36 AM |
| 470 | Make sure everything is safe and make sure there are enough chairs or shade for sitting since moms sometimes don't have any shady areas | 3/2/2022 11:35 AM |
| 471 | General repairs and maybe find away to make more space along the sides? | 3/2/2022 11:28 AM |

| 472 | Turn it into a skatepark | 3/2/2022 11:26 AM |
|--|--|---|
| 473 | The pools and locker rooms can be more accessible to those with disabilities and those who are not strong swimmers | 3/2/2022 11:22 AM |

| 475 | lane lines for lap swim | 3/2/2022 11:10 AM |
| 476 | Better changing/shower facilities? More space around the pool so that kids who will inevitably run will be less likely to hit someone? | 3/2/2022 11:10 AM |
| 477 | Seating and shade. Different depths for different ages. | 3/2/2022 11:06 AM |
| 478 | Turn it into a skate park! | 3/2/2022 11:03 AM |
| 479 | Maintain its historical design | 3/2/2022 10:59 AM |

| 494 | Community awareness for ohurs, etc - I have lived near south pool for 9 years and honestly forget it is available during the summer! I would love to take my future kids there during the summer though. | 3/2/2022 10:36 AM |
| 495 | Could be kept as a Pool or turned into a small concert venue. Refab one end of the empty Pool into tiered seating. | 3/2/2022 10:35 AM |
| 496 | Upgrade the surrounding grounds to offer more for teens and youth plus families. Picnic areas, bike area, splash pond. Free passes for qualifying GPA's or report cards, reading programs? | 3/2/2022 10:33 AM |
| 497 | Wheelchair accessible. We need a slide! | 3/2/2022 10:31 AM |
| 498 | A new local SKATEPARK | 3/2/2022 10:29 AM |

|-----|---|------------------|
| 601 | Knowing what shape South was in when I worked there, I'm sure it's got some steep costs associated. I've heard there's a possibility it could be revived and repurposed to be a Skatepark, and I support that concept because the skate community can be just as positive for communities and youth as swimming pools (I'm a City Planner so i would just hate to see it demolished if it can be saved in some way). However, I do think that a Swimming Pool needs to remain in the long term vision for the South Pool neighborhood - for the same reasons the pool had an impact on my life in high school. Swimming is a life skill, and access to a swimming pool is a crucial element of building competence and confidence in young swimmers and lifelong swimmers, regardless of background. If a skatepark means losing the pool, period, my heart breaks for the residents, especially the pool rats in the neighborhood. But I hope a new pool would be considered to preserve the opportunity for building a crucial competency for kids. | 3/1/2022 8:15 PM |

be accessible for those with mobility issues, wheelchair, or seniors. Locker/shower rooms that 638 Get it up and running, or replace it with a new pool. There needs to be a pool there. 3/1/2022 4:58 PM 639 3/1/2022 4:43 PM Potentially update it's infrastructure to maintain it can be a pool. Or re construct into a skatepark and the maintenance would be much less. 640 Better physical access for all, adult only hours 2 x's per day, better bath/shower/locker 3/1/2022 4:37 PM facilities, pool water filtration system 641 A newer facility could potentially serve more people - swimming lessons AND recreation. 3/1/2022 4:31 PM 3/1/2022 4:29 PM 642 Better ongoing maintenance. 643 Ada compliance and safety 3/1/2022 4:24 PM 644 Bringing the current design into ADA compliance. 3/1/2022 4:19 PM 645 To do it affordable and not waste millions on it. 3/1/2022 4:14 PM 646 Not sure 3/1/2022 4:14 PM 647 Skate park? 3/1/2022 4:09 PM 648 I think Keeping the facility in tact as is and transitioning the facility into a skateboarding 3/1/2022 4:05 PM feature called a bowl. This would keep its original character, give it a new purpose with little to know maintenance, and give the opportunity to relocate South's pool to a more updated facility. 649 Updated to attract more individuals. 3/1/2022 3:56 PM 3/1/2022 3:51 PM 650 To make a place for neighborhood children to grow and develop swimming safety and skills. 651 Keeping the historic building but making it accessible for all 3/1/2022 3:50 PM 652 Skate park 3/1/2022 3:50 PM 653 Becoming ADA compliant and making any other necessary upgrades. 3/1/2022 3:43 PM 654 Keeping it just as is, is a way of teaching about history, difference of function, diversity of 3/1/2022 3:37 PM people. People appreciate the opportunity. Not all structures have to be designed in 2022 in order to be functional. 655 Realistically the neighborhood would be better served with a larger, more modern pool. I just 3/1/2022 3:32 PM hate to see South pool go 656 Perhaps a wheelchair suitable lift. 3/1/2022 3:27 PM 657 Great family fun. 3/1/2022 3:15 PM 3/1/2022 3:05 PM 658 to use this opportunity in creating a safe fun environment for adolescents to skateboard 659 Turn it into a skatepark! 3/1/2022 3:04 PM 3/1/2022 2:59 PM 660 If a larger better pool is desired, another one should be built nearby. Best opportunity would be retrofitting it for accessibility and otherwise keeping it the same, maintained. 661 Access to shade 3/1/2022 2:57 PM 662 Not sure... 3/1/2022 2:52 PM 663 Keeping it open. 3/1/2022 2:52 PM 664 Historical artifact. So fun to use. Unique draw to tourism. To have TWO of very few in the 3/1/2022 2:51 PM nation. Is bragging rights 665 Turning it into a skatepark! Would be cheaper to do than then demolishing it! 3/1/2022 2:46 PM 666 Update accessibility and freshen look up 3/1/2022 2:42 PM 667 I would tear it down a make a nice inground pool in its place. 3/1/2022 2:41 PM 668 Turn south pool into a public skate park. 3/1/2022 2:30 PM 669 Make it into a skatepark 3/1/2022 2:29 PM 670 Possibly using it for other activities and opening it up for more community options 3/1/2022 2:25 PM 671 Building it into a skate park would be the smartest and cheapest way to renovate the pool, far 3/1/2022 2:24 PM less safety requirements as well as opening a spot on the bench that welcome the skate community 672 Update it 3/1/2022 2:23 PM 673 make sure it is accessible, safe and affordable to all residents, 3/1/2022 2:23 PM 674 Skatepark 3/1/2022 2:20 PM 675 Turning it into a skatepark. It would be cheaper, functional, safer (covid wise), and would still 3/1/2022 2:19 PM be able to keep a historical monument without tearing it down 676 Accessibility and expansion of the size of the pool 3/1/2022 2:17 PM 677 Frankly, we love it the way it is. It has character, it has served its surrounding neighborhoods 3/1/2022 2:14 PM for so long. Very few things in Boise are "charming," and South Pool is one of them.

| 815 | If the pool isn't ADA compliant then find a way to make it so. Find a way to keep it open, instead of making excuses for closing things that the taxpayer dollars should be used for. Recreation is important for our youth and the community in general. Especially having access to pools in a part of the country that gets so hot in the summer. Surely the city will not look back 50 years from now and say that it was a mistake to keep a pool open or build a better one in the same spot. | 3/1/2022 7:22 AM |
| 816 | Opening the pool, keeping its historic look, offering umbrella stands, selling snacks and drinks, charging a small fee or membership for entrance | 3/1/2022 7:13 AM |

| 820 | Definitely accessibility for mobility-impaired guests. On top of that, it would be fun to have a water slide or something besides the diving board and basketball hoop to entertain kiddos. | 3/1/2022 7:04 AM |
| 821 | The pool structure definitely needs some maintenance and updating. I don't think every pool in the city of Boise needs to fit everyone's needs. There are plenty pools in the city for people that may need ADA accommodations. Instead of focusing on all the maintenance and repairs the south pool needs, start looking at it as an asset and what can be done to draw more of the community there. With its close proximity to South junior high, you have the tennis courts and basketball hoops and an open field. We don't need to invest in another park or a community garden. No one is going to go to the community garden. If you focus on the children and their needs, the right decision will be made. Also, you should consider a community fund drive for both pools to help with costs. | 3/1/2022 7:01 AM |

| 834 | Nothing. Can't be all things to all people. This pool meets a ton of needs. Not only do I go there now but I worked there for 4 years. We absolutely were many at rush youths entire summer including the refugee population. Don't close down or lose this historic landmark. I have a special needs kid and most of us in and around this community understand despite best efforts, not every place or activity includes all of us and that's okay. This place, as it is, meets the needs of many people who need it and there are alternative public pools close by that better serve this population. Save historic south and Lowell pools. | 3/1/2022 6:11 AM |

| 926 | I think maintaining it for active leisure among the youth is huge. When there isn't a pool close by, why bother doing something active like swimming? It also keeps a historic structure for future generations. | 2/28/2022 8:35 PM |

| 932 | Making the accessibility more modern to accommodate people with special needs. I am wondering too if the exterior could be saved and the interior made a skate park. | 2/28/2022 8:14 PM |
| 933 | I would keep a pool there, but if it was cheaper replace it and keep the old art deco façade, very cool and unique | 2/28/2022 8:12 PM |

| 942 | An addition/extension/adjacent facility for littler kids (like the splash pad at Borah or the child areas at Ivywild and the Natatorium) | 2/28/2022 7:58 PM |
| 943 | It's not a very functional pool. Hardly any deck, etc. If you are to demolish the old structure I'd keep the Art Deco facade and replace it with a modern pool. DO NOT again forsake the central bench by demolishing the pool and not replacing. Our strip mall library is a great illustration of how the city has treated the Central Bench. Replace! | 2/28/2022 7:57 PM |
| 944 | If it can be "rebuilt" in the same location, make it ADA accessible. Can an access be built behind the pool going up. Make an area outside of the pool for people to sittables, benches. Quite a few years ago the pool stopped being open on Sundays, sometimes that is the only day people can go. Can a slide be added. A lot of people go to Ivy Wild but hits capacity now with all the people living here and no one can get in (no tube slide, the Nat tube slide is horrible with seam bumps). With more people living in Boise, Boise needs to keep the swimming pools. | 2/28/2022 7:56 PM |

| 984 | In your article summary, you did not mention that the structure itself was falling apart. Yes, when maintanance is don't done on a regular basis, all things start to fall apart. City of Boise pools were never an important part of spending money from the City Rec. department. Also, hours where shortened at both Lowell and South pools. That in itself says the pools, especially these two, aren't important. What has been the attendance by pool goers in the 2 neighborhoods. When I started lifeguarding at Lowell Pool in 1973, we had a lot of neighborhood kids swimming both sessions when the pool was open. Swim lessons were also very busy even when Lowell was not a heated pool. Yes, these two pools are not as fancy, but they have been loved by neighborhoods that used them. | 2/28/2022 6:26 PM |
| 985 | Improve the size of the restroom/changing areas possibly. If it isn't up to ADA standards then it should be but it should continue to be the unique design that it is. | 2/28/2022 6:25 PM |

| 1005 | Having a neighborhood pool that is a connection to the city's past, which is also available for generations to come. | 2/28/2022 5:34 PM |
| 1006 | Not sure. | 2/28/2022 5:32 PM |
| 1007 | Honestly, budget wise, it is a small space, so I'd just save the facade and do a community garden or fruit orchard, but if you have to keep it, demolish the interior and replace with an inground pool, single stall, unisex toilets on the north side. | 2/28/2022 5:29 PM |
| 1008 | Accessibility. | 2/28/2022 5:23 PM |
| 1009 | bring up to code with little change in structure | 2/28/2022 5:22 PM |
| 1010 | The facility could use some updating. The cement stairs aren't the safest and the showers in the locker rooms are very aggressive on the skin like thousands of tiny needles. I also think for accessibility for people who can't climb stairs very easily perhaps some kind of lift so they can keeps and eye in their kids if they want to. | 2/28/2022 5:18 PM |
| 1011 | I'd like to see the disabled access improved, maybe by expanding the footprint. I recognize that the historic design poses some challenges here. I love the idea of highlighting the historic design features more prominently with interpretive signs. | 2/28/2022 5:17 PM |

We still have a 2 year old now so it would be nice if it could be more child friendly/or allow life vests. | 2/28/2022 4:52 PM |

Clean and repair existing facility as necessary. Don't try to make it what it is not. accessibility and safety improvements I think the facility should probably be demolished and updated and enlarged. It would be amazing if the facility could be utilized year-round and used by the junior high school for PE. Keeping the community together. I heard it leaks. Clearly this needs to be fixed. | 1269 | build more. | 2/28/2022 10:25 AM |
| 1270 | I appreciate the history behind them and would like to preserve that, but accessibility should be added. | 2/28/2022 10:24 AM |
| 1271 | A small neighborhood pool should be available in this location, but it does not need to be the current aging structure. | 2/28/2022 10:11 AM |
| 1272 | Safety. Would also love something added for younger children. | 2/28/2022 9:48 AM |

| 17 | the design | 3/26/2022 6:52 AM |
| 18 | Maintain the entrance appearance but rebuild the rest. | 3/26/2022 4:38 AM |
| 19 | I love the entryway and I think it's really cool having it be upstairs although I understand since it's not accessible for all that may need to be changed somehow but it's just so cool. | 3/26/2022 1:20 AM |
| 20 | The curb appeal is very important. The design of the pool itself that is round like the pools at the Sun Valley Lodge in Ketchum Idaho. | 3/26/2022 12:40 AM |
| 21 | The Art Deco facade and its being above ground! That's very attractive. | 3/25/2022 11:10 PM |
| 22 | All of it | 3/25/2022 11:04 PM |
| 23 | The Art Deco design | 3/25/2022 10:04 PM |
| 24 | All of them | 3/25/2022 10:01 PM |
| 25 | The facade | 3/25/2022 9:59 PM |
| 26 | The front would be great to keep like the front of the old South Jr High. | 3/25/2022 9:26 PM |
| 27 | Signage, deck appearance | 3/25/2022 9:21 PM |
| 28 | The entrance | 3/25/2022 3:58 PM |
| 29 | The front entrance way is really fun it would be great to get to keep that and then build a more updated pool behind it | 3/25/2022 3:05 PM |
| 30 | Unique appearance | 3/25/2022 2:30 PM |
| 31 | The unique design. | 3/25/2022 2:12 PM |
| 32 | It's place in the community as it served the community and it's architectural design and prominence | 3/25/2022 12:47 PM |
| 33 | The outside structure. | 3/25/2022 11:54 AM |
| 34 | I wish it were possible to preserve the structure but build a new pool that is functional and doesn't have the same risk of expensive breakdown. | 3/25/2022 11:43 AM |
| 35 | Art Deco entrance. | 3/25/2022 10:45 AM |
| 36 | It's unique AND functional, not a common combination. The pool is a landmark on the Bench. It's also a well preserved example design, public works, and culture of Boise. | 3/25/2022 10:45 AM |
| 37 | The facade. | 3/25/2022 10:25 AM |
| 38 | The entrance architecture | 3/25/2022 9:22 AM |

| 39 | I really don't care. So-called historical nature of the South Junior high library on the corner was just a waste. It was a political compromise so we could build the new South Junior high. Nobody uses it. If we build a new south pool we could use the old art deco signage yes that makes people happy. I just don't care. | 3/25/2022 8:01 AM |

| 40 | entry way | 3/25/2022 1:00 AM |
| 41 | This is one of the only Bintz pools left in the world. This is an extremely important thing to preserve. | 3/25/2022 12:03 AM |
| 42 | Its architecture and significance as a unique neighborhood gathering place | 3/24/2022 11:02 PM |
| 43 | All of them! | 3/24/2022 10:09 PM |
| 44 | All of them | 3/24/2022 9:09 PM |
| 45 | The facade on the front is beautiful and significant to the history of the neighborhood. | 3/24/2022 8:46 PM |
| 46 | The Art Deco front entrance & colors. | 3/24/2022 8:42 PM |
| 47 | The front facade | 3/24/2022 6:38 PM |
| 48 | Facade | 3/24/2022 6:02 PM |
| 49 | The facade is most important. | 3/24/2022 4:47 PM |
| 50 | The architecture | 3/24/2022 4:31 PM |
| 51 | The entire pool. Saving the entrance only is not historic preservation and we still lose yet ANOTHER historic property on the Bench. The Bench IS HISTORIC, the city needs to open its eyes and realize there are other areas other than the north end. | 3/24/2022 3:32 PM |
| 52 | It's overall history and snapshot of architectural design. I look at it every time I drive by. | 3/24/2022 1:53 PM |
| 53 | The front facade could be used as an entry way still to a open park | 3/24/2022 1:17 PM |
| 54 | the architecture. | 3/24/2022 9:43 AM |
| 55 | None | 3/23/2022 7:32 PM |
| 56 | Retro touch | 3/22/2022 9:02 PM |
| 57 | 1960's design | 3/22/2022 8:59 PM |
| 58 | The art deco front facade. | 3/22/2022 3:53 PM |
| 59 | I particularly like the art deco facade. It would be nice to preserve it somehow, like the preservation of the old section piece of nearby South Jr High, and its conversion into a stage and ampitheater. | 3/22/2022 10:51 AM |
| 60 | Art Deco entrance | 3/22/2022 10:06 AM |
| 61 | The Art Deco vibe | 3/22/2022 7:49 AM |
| 62 | The architecture itself is interesting and unique. I would love to see it incorporated into any new design. I would also love to see historic interpretation panel included so people not familiar with our city are able to enjoy and learn about our history. | 3/21/2022 1:30 PM |
| 63 | The Deco style is cool. | 3/21/2022 10:30 AM |
| 64 | A neighborhood gathering place where all can enjoy the swimming and sun. It's historical significance in the brench,s history. | 3/20/2022 4:53 PM |
| 65 | entryway | 3/20/2022 2:05 PM |
| 66 | Entrance | 3/20/2022 1:55 PM |
| 67 | THE OVERALL DESIGN | 3/20/2022 1:30 PM |
| 68 | The sign/location and perhaps some of the interior should be kept | 3/20/2022 12:35 PM |
| 69 | That it is so important to the community when this come up in the late 70's Mrs. Klingensmith with no children put up the money to restore the two pools. I will put \$250.00 for each pool to be restored. | 3/20/2022 12:14 PM |
| 70 | Design | 3/20/2022 11:24 AM |
| 71 | The entire structure but especially the entrance- the art decor design and the colors. | 3/20/2022 11:02 AM |

| 32 | The entrance and design | 3/19/2022 10:13 AM |
| 83 | Signage relics | 3/18/2022 8:24 PM |
| 84 | Art Deco design | 3/18/2022 2:42 PM |
| 85 | The front of south jr high is still there and this would be part of that history! | 3/18/2022 2:15 PM |
| 86 | The entire appearance and architectural style that the pool brings to the neighborhood. It "fits in" to the quaint historical neighborhood vs. a brand new, modern pool which would definitely take up a larger footprint. | 3/18/2022 10:44 AM |
| 87 | None, I think it should be updated in the most financial sensible way so as to continue to offer the service to the community. | 3/17/2022 7:27 PM |
| 88 | The Art Decco design. | 3/17/2022 7:22 PM |
| 89 | I think functionality and features should outweigh historic features; but, if we're able to still honor it's history, then we should try where appropriate. | 3/17/2022 3:45 PM |
| 90 | Architecrure | 3/17/2022 2:09 PM |

| 94 | Architecture | 3/17/2022 11:17 AM |
| 95 | the exterior/the footprint/ | 3/17/2022 9:27 AM |
| 96 | The actual history/story the design/aesthetic and originality. | 3/17/2022 12:29 AM |
| 97 | Signage | 3/16/2022 10:53 PM |
| 98 | the art deco exterior should be saved | 3/16/2022 8:58 PM |
| 99 | The entire pool and its signage | 3/16/2022 8:21 PM |

| 101 | The architecture | 3/16/2022 6:48 PM |
| 102 | The entire structure | 3/16/2022 6:10 PM |
| 103 | Sign | 3/16/2022 3:49 PM |
| 104 | None. | 3/16/2022 3:06 PM |
| 105 | Neighborhood setting. Above the ground setting. | 3/16/2022 1:47 PM |
| 106 | The above ground design, the tiled glass, and the changing rooms that harken back to a bygone era. New doesn't always mean better. Sometimes the significance of the structure itself is enough to make a young kind curious about the history and this leads to learning and appreciation of the neighborhood where the children live. | 3/16/2022 1:34 PM |
| 107 | Art Deco Above ground makes it practical Part of neighborhood | 3/16/2022 12:06 PM |
| 108 | The architecture. | 3/16/2022 8:24 AM |
| 109 | Facade and above ground oval shape | 3/16/2022 7:05 AM |
| 110 | Keep the design as originally intentioned. Having it be one of a dozen left in the country it is important to keep it true to the design while update it for continued use. | 3/15/2022 9:00 PM |
| 111 | The Art Deco style | 3/15/2022 9:00 PM |
| 112 | None | 3/15/2022 3:42 PM |
| 113 | The design is unique and a throwback to simpler times that if presented well help give Boise proper the personality most municipalities avoid to their detriment. Public Space and design is integral for us to continue to draw people to the area and with that all people win. | 3/15/2022 3:24 PM |
| 114 | The outside, the front yard to sit it, and the wonderful tunnels taking swimmers up the steps to the pool. Being able to sneak a peak from a taller advantage point was so cool. | 3/15/2022 1:03 PM |
| 115 | Not particular | 3/15/2022 11:18 AM |
| 116 | The art deco entrance | 3/14/2022 9:44 PM |
| 117 | The mid century entrance is cool. But that's about it. I think if would be appropriate to incorporate the lines and design of the entry in a new pool. Replicate (generally) with modern materials, textures and design. | 3/14/2022 12:48 PM |
| 118 | The art deco sign/entrance. | 3/14/2022 11:47 AM |
| 119 | Above ground | 3/14/2022 11:02 AM |

| 120 | architectural | 3/14/2022 10:58 AM |
|-----|--|--------------------|
| 121 | I love the art deco style and the character it brings to our neighborhood | 3/14/2022 10:01 AM |
| 122 | Asthetics | 3/14/2022 9:31 AM |
| 123 | the front entrance/art deco historical component | 3/13/2022 4:54 PM |
| 124 | None | 3/13/2022 4:44 PM |
| 125 | I love the architecture of the pool. My kids who are now in their 40s were frequent users of South Pool and when my granddaughter visits me from Mississippi, she LOVED South Pool! They don't have any public pools in Jackson, MS. She didn't know how to swim! | 3/13/2022 3:45 PM |
| 126 | None. Its value is in its location and availability. | 3/13/2022 1:26 PM |
| 127 | In this case, I just see the structure as old not historical. It doesn't seem to be a particularly useful design and doesn't have any aesthetic appeal to me. | 3/13/2022 8:33 AM |
| 128 | None | 3/12/2022 9:45 PM |
| 129 | Facade | 3/12/2022 8:03 PM |
| L30 | The whole place | 3/12/2022 5:41 PM |
| .31 | Entire front | 3/12/2022 5:14 PM |
| 132 | The front facade is very cool. If the pool has to go, then find a creative way to keep the facade. | 3/12/2022 3:07 PM |
| 133 | The old art deco entrance | 3/12/2022 12:14 PM |
| 134 | The entire design | 3/12/2022 10:07 AM |
| 135 | All of it. Any modifications made should preserve the original design and historical relevance in it's entirety. If expansion(s) is required, it should be as an addition to the original structure. There are very few pools remaining in the Nation of this era and need to be preserved. | 3/12/2022 9:46 AM |
| 136 | The beautiful design. It's unique to have this style in Boise, we should keep it for historical sake | 3/12/2022 8:14 AM |
| 137 | I think it'd be nice to retain some of the original features, such as maybe the entrance style, but I believe the restoration for the purpose of achieving a highly functional space should trump preserving historic value. | 3/12/2022 7:20 AM |
| 138 | The entrance way | 3/12/2022 5:07 AM |
| L39 | The artful design is so unique | 3/11/2022 10:48 PM |
| .40 | Profile of the pool above ground | 3/11/2022 8:19 PM |
| 41 | The Art Deco entrance. | 3/11/2022 6:18 PM |
| .42 | It's unique and historic | 3/11/2022 5:52 PM |
| .43 | Hopefully the facade is preserved; similar to the old South Junior High. | 3/11/2022 5:50 PM |

| L48 | The facade. | 3/11/2022 1:44 PM |
| .49 | None | 3/11/2022 1:43 PM |
| .50 | Facade and entry. | 3/11/2022 12:30 PM |
| 151 | The fact that it has been in this neighborhood for many years, providing great family recreation, at an affordable cost and easy access. I don't believe it is a fair proposition to get rid of these pools for all, because of limited handicapped access, if there are other Boise pools that have access. In most cases those individuals would probably have to be driven, rather than walk or bike. I'm also not sure it is reasonable for teenage lifeguards to be responsible for physically handicapped swimmers?? | 3/11/2022 12:24 PM |
| L52 | All the historic features | 3/11/2022 12:23 PM |
| L53 | a reproduced facsimile of the art deco design. | 3/11/2022 11:41 AM |
| .54 | The front facade and exterior structure of the pool building. | 3/11/2022 11:33 AM |
| .55 | The buildingKeep it original but give it an era-appropriate color change | 3/11/2022 11:17 AM |
| .56 | The front facade; the general shape of the building. | 3/11/2022 11:10 AM |
| .57 | None specifically | 3/11/2022 10:08 AM |
| .58 | The entry | 3/11/2022 9:59 AM |
| .59 | Historic features at the pool are not important to me, only the function. | 3/11/2022 9:57 AM |

| 160 | All of it! Above ground pool! Neighborhood pool! Unique to Boise! | 3/11/2022 9:37 AM |
|-----|--|--------------------|
| 161 | All of it, please do not tear this down. | 3/11/2022 9:29 AM |
| 162 | The architecture is wonderful and should remain, if not at the pool (if you are going to remove it), at least somewhere in the neighborhood - art project perhaps? | 3/11/2022 8:46 AM |
| 163 | The facade is interesting, but we get carried away with historic preservation in the City. | 3/11/2022 8:13 AM |
| 164 | Mid century design | 3/11/2022 6:14 AM |

| 207 | I love the layout and structure of South Pool. It is so unique and not replaceable! | 3/9/2022 6:16 PM |
| 208 | The Art Deco facade is so interesting and unique. | 3/9/2022 4:24 PM |
| 209 | The Art Deco fits with the Depot Bench. The size and the shape of the pool are unique. | 3/9/2022 4:24 PM |
| 210 | The look of the entrance. | 3/9/2022 3:47 PM |
| 211 | Wall facade, Art Deco entry way. | 3/9/2022 3:04 PM |
| 212 | All of them. | 3/9/2022 2:53 PM |
| 213 | Perhaps some pictures of the original pool and Art Deco attributes could be featured on the grounds (like the pictures of the original Natatorium along the greenbelt in SE Boise) but the design should be updated to accommodate today's needs. In ground vs. the current need for all the stairs, would be preferable to me. | 3/9/2022 2:09 PM |
| 214 | If historical structures cannot be salvaged, the facility's story can be captured and displayed via audio/visual presentations (e.g. kiosk that plays a short video about the pools history and value.) | 3/9/2022 1:34 PM |
| 215 | The entire structure. | 3/9/2022 1:27 PM |
| 216 | It is a unique pool but I am not certain the historic features outweigh the costs of updating it for continued use as it is. I think a newer pool would draw more neighbors. | 3/9/2022 12:52 PM |
| 217 | The facade/entrance. | 3/9/2022 12:24 PM |
| 218 | For our family its more about havibg the opportunity to make happy memories and the healthy activity getting out in the sunshine, exercising, meeting and connecting with neighbors etc than so much keeping the architecture look authentic from the past. | 3/9/2022 12:24 PM |
| 219 | I love the art deco style, but if that can't be saved, I'm ok with doing whatever you have to to make it larger. | 3/9/2022 11:59 AM |
| 220 | the aesthetic is a plus for sure. | 3/9/2022 11:54 AM |

| 341 | The entire pool is important as is. Yes it needs to be repaired but it doesn't need to be changed. It has served this community since the 50s and that needs to be respected. Its an historic icon of this city. Sadly its not accessible for everyone with disabilities but there are other public pools closeise by to fit the needs of everyone. This is an exception to the rule as it is historic. I use to attend this pool and now as I'm older I physically cannot due to my disabilities but Im okay with this because I have so many other options close by. | 636 | It's just such a rad structure! The entry, absolutely, and the pool itself which feels like being up on a platform above the world - is fantastic! The spaces for the office and locker rooms were dingy and spooky but endearing when I was working there - but I'm sure they could use some love. Ultimately - I want kids to learn to swim and have a safe place to play in summer when school is out. But if keeping south a pool seems like a huge expenditure of tax dollars, it may be time to come up with a new south area swimming solution, and repurpose the old, super rad pool into a new life. | 3/1/2022 8:15 PM |

| 677 | The deco front is very cool - but affordable recreation for ALL Boiseans is even more important. As a public school counselor, I was sort of amazed at how EXPENSIVE the city pools are. I cannot pay \$15 for each member in a family of 5 to swim. When I was a kid, my city pool (northern Idaho) cost 50 cents per afternoon spent there. THAT was a price open to ANY child. Even a buck or two, but \$15? | 3/1/2022 4:31 PM |

I love that when my kids are swimming there I can park across this street and run over to tell them something at the side of the pool if I need to. | 771 | Keep it the way it is, that is the best way to preserve the historic features. It is silly to keep a small part. Better to build another nearby pool if additional needs have been identified, but keep South pool the same. | 3/1/2022 10:28 AM |
| 772 | the look of the front building! if that could be kept or redone very similarly would be awesome! | 3/1/2022 10:27 AM |
| 773 | The look and the location. And have I mentioned it being open? I am so disappointed in city administration/mayor for their decisions around this. Kids need recreation for their mental and physical health. We've been so focused on covid safety we haven't taken into account the bigger picture. It's also really interesting that the pools in the poorer neighborhoods have been closed. So much for equity and inclusion. | 3/1/2022 10:24 AM |

| 822 | I lean toward historic preservation of buildings. I prefer to keep as much as possible and realize that accessibility is an expensive issue, but does not justify tearing down significant syructures to rebuild them. If an entry fee is required to restore and upgrade the structure, I prefer that over demolition. | 3/1/2022 8:17 AM |

| 834 | All it's historic features are important to me. | 3/1/2022 7:56 AM |
| 835 | The elevation of the pool and the front screams historical landmark. The entire structure as is says unique and the property is large enough to make equality changes without dramatically changing the structure. It could be as simple as an addition to the back area or two lifts placed on the side of each dressing room. Adding a few disability chairs in the shallow area. | 3/1/2022 7:56 AM |
| 836 | Entrance | 3/1/2022 7:54 AM |

| 348 | Historic features in the case of this pool aren't that important to me. I do think that it is a unique pool. Please do not drag the decision out for years. Keep our pools open. Stop closing things that people use. There was always a steady amount of people at this location when I was there. | 3/1/2022 7:22 AM |
| 349 | I think the whole pool is a historical delight. However, understand creating accessibility for some of our community members is important. However, there are pools that are accessible and it is understood they may take a little more Drive time. | 3/1/2022 7:18 AM |

| 354 | The exterior of the building | 3/1/2022 7:04 AM |
| 855 | The design aesthetic is very important to me! Historic preservation is one of my top priorities. With the country divided in so many ways, the generational divide between young and old can be, in part, bridged by a strong connection to heritage and nostalgia. Historic preservation is a perfect opportunity to share the memories of time gone by with our children and grand children. It fosters a sense of connection to the past. Our history and our roots are ingrained in these places. South Pool, like so many other iconic Boise landmarks, connects the past to the present in a way only physical spaces touched by years of joy, friendship, and community, can. Maintaining its Art Deco and art-moderne elements and overall structural integrity are of the upmost importance to me. | 3/1/2022 7:04 AM |
| 356 | The entire structure is unique as a whole. Every time I have people visiting from out of town, they comment on how unique the pool is. They also make note of how many historic buildings downtown have been renovated instead of torn down and replaced. One could argue that our historic schools in the north and East ends should've been torn down and replaced with modern buildings. We keep putting in millions of dollars into those structures to retain the historical value. I am glad that we do even though my family doesn't benefit from it. When it comes to retaining history, not every investment needs to pencil out. | 3/1/2022 7:01 AM |

| 929 | Every single part of it. All of the original features. You want history? There was a young man of color that was a friend and neighbor of mine that spent all of his summer days there. He had a very young mind and loved the high dive. He would sneak up there every chance he got. The problem was he did a belly flop every time so he was not allowed up there. It was the highlight of his life. He lost his life diving from that high dive. I know he would do it again if he could. The joy it gave him would make him laugh so hard! That pool made him so happy. He died doing what he loved and you cant take that away from him. If it seems sad or weird, it is only because you never saw the smile on his face when he made it to the top of that historic high dive. All the money wasted on schools and technology, and all the taxes that I pay for a broken system, It won't hurt anyone to leave one small piece of history. | 2/28/2022 9:43 PM |
| 930 | All of them. Please do not consider leaving some sort of ghoulish remnant as was done at South Junior High. Boise needs to learn how to preserve and repurpose its historic fabric in neighborhoods outside of downtown (welland downtown, too, for that matter). | 2/28/2022 9:39 PM |

| 1048 | Really important to keep the outside front appearance at a minimum. The pool experience is historical and different than traditional pools. Let's keep this historical experience. It's our Roman bath of the 50's. How sad if all the Roman baths were torn down. | 2/28/2022 5:35 PM |

| 1054 | There is a charm the the pool being above ground the way it is. The view is spectacular and it also helps the water stay warm enough to swim in throughout the day. Think about all the kids and families that have swam at south pool over the many years it's been around. All those happy memories. | 2/28/2022 5:18 PM |
| 1055 | It's so unique to have two of these pools in our city, and I'd hate to see Boise's history of "upgrading" historic buildings being used for profit to continue. I recall that Boise High was considered to be a dilapidated eyesore in need of being torn down when I went there in the 90s. What would the City have lost if we'd given into tearing down that school like we have so many others in this town? South Junior High being one of them? In this case, there are so few of these pools left across the country and it's such a unique piece of our local history The Art Deco style, the wraparound locker rooms If we can't keep this as a pool, how about as a skate park? | 2/28/2022 5:17 PM |

| 1229 | 1. Above ground community pools aren't something you see across the country, and we have 2 that were build by someone who's work continues to be taken down. It's important to preserve such land marks to show our children and to remember where we came from. Boise is being taken over population wise. There isn't a lot we can do about that and there are pro's and con's to both sides. One thing we need to do as a generational community is try to preserve some of that which we grew up with. These pools are 2 of the remaining things we have in the valley. They deserve to be restored and enjoyed my our future generations. | 2/28/2022 12:41 PM |
| 1230 | Art Deco exterior and glass blocks. If only a few of these pools are still in existence, I would like to either 1) preserve this pool in its present form or 2) demolish it and replace with inground pool while preserving historic features. Acceptable to me if South and Lowell pools are not ADA accessible if all other Boise city pools are ADA compliant because of Art Deco style. | 2/28/2022 12:41 PM |

I want a place available for teenagers to have their first job. I want a healthy place for teenagers to socialize and congregate that encourages movement and interaction. | 2/28/2022 12:29 PM |

| 1336 | I don't care about historic features, although cool, as much as having pools available to residents. Most older neighborhoods in Boise don't have homeowner associations with pools and the city pools are the only access those children have to swim. Also, let's not crowd the pools left. I think that leaves more kids with the same amount of lifeguards and more opportunities to drown. | 2/28/2022 10:24 AM |

Q15 Thinking about the future of South Pool, which one of the following scenarios would you most like to see become a reality?

| ANSWER CHOICES | RESPO | NSES |
|--|--------|-------|
| Retain the pool exactly as it is today as a historic structure and make no changes – the pool could not reopen in this scenario. | 2.25% | 40 |
| Renovate the pool to address deficiencies and reopen the pool with minimal structural changes – this scenario would retain as much of the historic structure as possible while still allowing for the pool to reopen. ADA (access for people with disabilities) updates would still be required which could alter the structure. | 29.66% | 527 |
| Renovate the pool to address deficiencies and add additional amenities like a larger back deck, zero depth entry and more accessible entrances, potentially at the rear of the structure. This scenario would require substantial alterations to the facility, but the historic front of the pool could possibly be retained. | 32.47% | 577 |
| Renovate and re-open the pool by any means within the city's budget. This option indicates a preference for opening the pool regardless of what changes need to happen to the existing structure. | 8.95% | 159 |
| Take down the existing pool and build a new neighborhood pool at the current location. This scenario would create an updated pool at the existing site, which would be constrained by the size of the property. | 10.75% | 191 |
| Take down the existing pool and build a new neighborhood pool at a new location that would potentially allow for a larger pool with more amenities. | 6.75% | 120 |
| Take down the existing pool and completely reimagine the space. The reimagined site could be anything from a park, a community garden or other public place. | 4.73% | 84 |
| I need more information to decide. | 4.45% | 79 |
| TOTAL | | 1,777 |

Q16 Why did you choose the scenario you selected? What do you like about it? What additional ideas would you like to share with the engagement team regarding your selected scenario?

| 3 | I would like the pool to be usable but want to see the historic structure unchanged | 3/27/2022 4:29 PM |
| 4 | Nostalgia | 3/27/2022 3:57 PM |
| 5 | It's probably more cost effective and the existing structure does not allow ease of access to everyone which makes it difficult to enjoy to pool | 3/27/2022 12:28 PM |
| 6 | Retain the history and modernize the use. | 3/27/2022 11:20 AM |
| 7 | The historical significance needs to stay intact (especially the front face), but updating to be current to general needs is important. | 3/27/2022 10:04 AM |
| 8 | It's doable, and quicker, and would serve present needs. | 3/26/2022 11:18 PM |
| 9 | Keeping this pool and keeping the community keeping the memory that many of us have made | 3/26/2022 6:44 PM |
| 10 | Keep the history and current use. If ADA demands a change for a historic pool, so be it. There is already another pool in the area at Borah. Put city dollars into a pool South of the freeway. Southwest Boise has had minimal city services. A swimming pool in that area has been needed for decades. | 3/26/2022 3:50 PM |
| 11 | I want it to look like it now does but with a sprucing up. Keep the fine character it has. | 3/26/2022 2:56 PM |
| 12 | I think the scenario would work for both the city and the community | 3/26/2022 1:22 PM |
| 13 | I think it would be nice to have some new features but also in the same spot | 3/26/2022 1:17 PM |
| 14 | I like the pool because it's close in my area unlike most peoples and it's near my friends and we can go swimming together | 3/26/2022 1:17 PM |
| 15 | That it is there. I don't have to swim in it to value it. As you know, we have lost so much architectural history in Boise. I don't even recognize most of central Boise any more. These pools are gems, should be rehabilitated and celebrated as working pieces of art and history. | 3/26/2022 8:16 AM |
| 16 | Everything old becomes new again at some point, if we protect what we have. Why reinvent the wheel? This approach provides not only recreation, but a unique piece of history and a source of neighborhood pride. | 3/26/2022 8:15 AM |
| 17 | Boise architectural history needs to be preserved. | 3/26/2022 6:54 AM |
| 18 | This vision maintans the neighborhood quality of size and doesn't require more space. | 3/26/2022 4:40 AM |
| 19 | If you are going to do it, then do it right. This is part of Boise history. Let's not Lise it. Offer some ways that the community can help fund it like is done with Shakespeare and other culturally significant structures. Find creative ways to fund the project and pool (the Natetorium is still going) | 3/26/2022 12:50 AM |
| 20 | I want it to be saved as a working pool. But if this isn't feasible, I'd be for the structure remaining. Perhaps it could be reimagined as a garden. | 3/25/2022 11:12 PM |
| 21 | I think the historical value should be retained as much as possible | 3/25/2022 11:07 PM |
| 22 | I would like to see the pool brought up to current code, but do not want it torn down. | 3/25/2022 10:06 PM |
| 23 | Take down existing pool and rebuild with better amenities and make the old pool a skateboard pool. | 3/25/2022 9:29 PM |
| 24 | I don't have information about how popular the pool was before it closed, or what repairs are needed for its safe functionality before I can offer an informed opinion. | 3/25/2022 5:50 PM |
| 25 | It's keeps the history of the pool and fits the area | 3/25/2022 3:59 PM |
| 26 | The front entrance is the really fun part to save and I think if we could keep that entrance look that adding a safer newer pool would be the best option for families in Boise. It's like the best of both worlds. | 3/25/2022 3:08 PM |
| 27 | It is an historic site that could be preserved for the community and Boise! | 3/25/2022 2:33 PM |
| 28 | It's a very cool looking building that adds a lot of value with its look. | 3/25/2022 2:14 PM |
| 29 | A community exists as the past, the present and the future. Maintaining historical structures within a community adds to the communities prominence and place and sense of being | 3/25/2022 12:48 PM |
| 30 | Anything more than to renovate the pool to address deficiencies will take away from its history. | 3/25/2022 12:00 PM |

| | Also, if the city does any thing more than they will take down the pool and put in the cheapest option. That will take years and might not ever happen. To build trust with community members, the city must take action to save the pool, no matter the cost. | |
|----|--|--------------------|
| 31 | Our current closest pool, Borah, is very small. Having a larger pool with more amenities would be beneficial for the neighborhood. It is frustrating that the nicest pool in Boise is in a wealthy neighborhood. | 3/25/2022 11:45 AM |
| 32 | I believe repairs and ADA compliance can be achieved without significant change. If a wall had to come down, I don't see why the design couldn't be replicated while making improvements. | 3/25/2022 10:54 AM |
| 33 | Neighborhood pools are valuable to a community. I grew up learning to swim, swimming with friends, taking lifeguard and safety courses, and working at the public pool. I feel the history of the pool is also important and with Ivywild and Natatorium both within 3 miles that the south pool can remain a basic pool without all the bells and whistles. | 3/25/2022 10:52 AM |
| 34 | I don't want to see the facade altered. | 3/25/2022 10:25 AM |
| 35 | Bridging modernization while maintaining the most historical significance possible. | 3/25/2022 9:23 AM |
| 36 | I've supported building the new South Junior high on the condition of installing playground equipment in Bowden Park. That was about 15 years ago. We are just now installing that equipment. My son will never use that equipment because he's going to graduate high school. I see the same scenario with the pool. We should tear down the old pool, install a new one like the Borah Pool (and yes there are logistical and traffic issues), etc. but that is the best solution for this neighborhood. I just don't think it will happen. The Cassia Street bike corridor was a waste of time and money. The pavers are already chipping away. Unfortunately, despite my misgivings and my surveys, I knew that would happen. And I believe my input about south pool doesn't really matter. | 3/25/2022 8:11 AM |
| 37 | We need more local pools for families to go that isn't too crowded. The city is growing so keeping it will just cost more \$ down the road trying to maiming such an old pool. | 3/25/2022 3:39 AM |
| 38 | I think keeping aspects of the pool while also reimagining what it could be otherwise - skatepark, community garden, etc | 3/25/2022 1:02 AM |
| 39 | Boise is terrible at maintaining historical interior Ty of the city. We need to stop thinking about how we can progress when we are erasing history of our city in order to have "progress." | 3/25/2022 12:05 AM |
| 40 | Historic places are important and the city needs to be an advocate for saving historic features as the city grows. Leadership in historic preservation needs representation at the top. | 3/24/2022 9:11 PM |
| 41 | I like that it retains the Art Deco front entrance and adds updated features to the swimming area. ADA accessibility is also very important and any other features to entertain kids. This pool is an important neighborhood resource for a fun summer activity within walking distance from our home. | 3/24/2022 8:50 PM |
| 42 | This scenario would update the pool to fit the desires and meeds of the community, while also maintaining the historical connection that it holds in many peoples hearts. | 3/24/2022 8:49 PM |
| 43 | I think it is important to remember the history of our city. I also value using what we already have and giving life to new things. I think we should make the pool fit our needs while preserving the character and using the bones of the structure as best we can! | 3/24/2022 8:31 PM |
| 44 | The pool needs up dated | 3/24/2022 8:00 PM |
| 45 | Just don't like Boise destroying its history markers and making everything brand new! | 3/24/2022 6:40 PM |
| 46 | Accessibility is important and so it history - is there a way to have both without breaking the bank? | 3/24/2022 6:12 PM |
| 47 | I'd like to see the facade saved. But the area is too small for a similar facility. | 3/24/2022 6:03 PM |
| 48 | Preserving the historic quality of the pool is most important to me. While additional amenities may be nice, I do not think they are necessary and worry that they would significantly alter the character of the pool. | 3/24/2022 4:52 PM |
| 49 | My choice would be the most economical choice for the option of a potential reopen of the pool. | 3/24/2022 4:34 PM |
| 50 | Retains historic pool and allows accessibility and keep its national register of historic places status. | 3/24/2022 3:33 PM |
| 51 | I don't think it should be a swimming pool, rather a skate pool. Save the structure, address the safety concerns with regards to opening it, and resurface/renovate it into a skate pool. | 3/24/2022 1:54 PM |
| 52 | I live right next to South and would like the most enjoyable option for my kiddo to spend their summer days :) | 3/22/2022 9:05 PM |
| 53 | Even keeping the front of the pool design as a back drop or other key feature would be fantastic within a pool feature if using the existing structure is not an option. | 3/22/2022 9:01 PM |
| 54 | The presence of a pool at the South Pool location is the primary objective. | 3/22/2022 3:56 PM |
| 55 | While I like the historic value of the existing pool, it seems far more practical and forward-thinking to preserve its memory/history, i.e. like preserving the art-deco facade, and to build a new, modern pool with better access, safety, etc. Also to make sure that future maintenance is funded. The South Junior High area, with the tennis courts, nearby Bowden Park, and the grassy area is a wonderful neighborhood asset, and a new South Pool would add greatly to the quality of life in our neighborhood. | 3/22/2022 10:57 AM |

| 85 | Not enough info (cost analysis) for each scenario. | 3/17/2022 11:18 AM |

| 84 | I would like South Pool to be listed on the National Register. For this reason minimal changes to the structure are preferred so the pool maintains its integrity, allowing for the pool to be legally protected. I think interpretive materials such as signage should accompany changes made to communicate the historic value of the pool. | 3/17/2022 12:50 PM |
| 83 | Allows the pool to be used while preserving historic significance and features | 3/17/2022 1:13 PM |
| 82 | I think it is important to preserve some of Boise's history through it's architecture. | 3/17/2022 1:28 PM |
| 81 | It is very important to maintain historic building using todays technology to adapt to current standatds | 3/17/2022 2:12 PM |
| 80 | The location is most important to me. If we can have a better pool, then I think that's more important than it's historical features. | 3/17/2022 3:47 PM |
| 79 | I would like to see this historical pool retain its current design. If major changes need to be made, possibly build an adjoining new pool, designed to complement the existing structure, while providing some of the necessary changes. | 3/17/2022 7:28 PM |
| 78 | The historic part would remind of my youth and the fun the pool provided and encourage me to use it as a Baby Boomer. | 3/17/2022 7:36 PM |
| 77 | I wish to keep the historical pool as is. I don't understand why the pool was operating just fine pre-2020 and because of the shutdown now is unable to re-open without ADA updates. This lacks common sense as there are other public pools that have ADA access. If you take down the pool completely then the ADA community still wont have access to a pool at this location. | 3/18/2022 10:51 AM |
| 76 | The public need to see the history of Boise. The city has changed so much in the last 10 years and not always for the better. | 3/18/2022 2:18 PM |
| 75 | The location of this pool encompasses a large area of access for the Bench neighborhoods and kids can easily bike to it. So don't move it.!!!! | 3/18/2022 2:46 PM |
| 74 | To give access to others to be able to use the pool as well as give more comfort level, but with also maintaining the pools history and design. A little bit of new and a little bit of old | 3/19/2022 10:16 AM |
| 73 | I think pools are environmentally unsustainable. I would like to see the money directed towards regenerating (not just preserving) our natural resources for humans to enjoy (like rivers, "natural pools", etc.). As climate change makes summers hotter, I think we need to consider cooling options for people beyond chemical-saturated pools. | 3/19/2022 11:57 AM |
| 72 | I think the historical significance of this style of pool is very important, but so is keeping a functioning neighborhood pool and making it more accessible to all. | 3/19/2022 1:33 PM |
| 71 | I'm hoping there will be a pool in the current location. I don't care if it is an entirely new pool or fix the old one without having more information about which is the best option. | 3/19/2022 3:18 PM |
| 70 | I say rebuild unless a complete renovation would save significant money | 3/19/2022 3:38 PM |
| 69 | I love the way it looks as is but would be happy just to see a pool there again | 3/19/2022 7:23 PM |
| 68 | I want our neighborhood to have a pool. | 3/20/2022 7:57 AM |
| 67 | Having a pool in this area is very important, due to proximity. There are no indoor pools/gyms on the bench, and very few nice amenities in this area compared to other areas. We need to keep a pool in this area for families and children to walk to, and enjoy. | 3/20/2022 9:14 AM |
| 66 | The neighbors deserve a healthier Pool | 3/20/2022 9:21 AM |
| 65 | Utilize the structure there with funds available to reopen and have structurally sound improvements. | 3/20/2022 10:05 AM |
| 64 | I would like the pool structure to be improved so that it is safe and accessible to the community while retaining the front entrance of the pool as much as possible. If other parts of the pool structure need to be altered to make it safe, that would be fine. But definitely make it a priority to preserve the architectural and mid century design. | 3/20/2022 11:06 AM |
| 63 | Preserves history but prepares for next generation | 3/20/2022 11:24 AM |
| 62 | I'd be okay with renovations in place as well, but I'd like to see a well updated pool that people will want to use for decades to come | 3/20/2022 12:36 PM |
| 61 | OF ALL CHOICES IT SEEMED TO BE THE BEST | 3/20/2022 1:33 PM |
| 60 | costs. Historic aspects are insignificant. entryway is classy and retro | 3/20/2022 2:06 PM |
| 59 | My main desire is to have a pool in this location. The decision as to renovate the existing versus build new should be based on cost-benefit considering capital and long-term operating | 3/20/2022 4:43 PM |
| 58 | That it represents my childhood growing up. In Boise south pool is still a significant place for the neighborhood and it gives all a place to gather and enjoy just fun | 3/20/2022 4:55 PM |
| 57 | I would prefer to keep some of the historical aspects of the original pool, however, I understand that it might end up being cheaper/better to just start with a blank slate as opposed to working around the old infrastructure of the original pool. | 3/21/2022 12:16 PM |
| 56 | access for more people is needed. | |

| 86 | If no changes are made and it is designated as a historical site, what would that mean exactly? Would it be left to deteriorate? And if changes are made to make it accessible, safe and also potentially improve amenity offerings how would the historical integrity/originality be maintained? | 3/17/2022 12:31 AM |
|-----|---|--------------------|
| 87 | The history of the pool needs to be considered. It would be a shame to destroy such an historic facility. It needs to continue to be used as a pool so that this style of pool doesn't disappear. | 3/16/2022 9:03 PM |
| 88 | This option would retain the pool in the neighborhood, keep a portion of the historical feature, and still be assessible for everyone | 3/16/2022 6:14 PM |
| 89 | Same but better | 3/16/2022 3:30 PM |
| 90 | I'd like to see history preserved, but accessible for all/most to enjoy. I think my option selection does just that. | 3/16/2022 1:36 PM |
| 91 | I think it's important to preserve the facade for its architectural significance but further updates on the opposite side make sense | 3/16/2022 12:53 PM |
| 92 | The design of the pool is just too beautiful to change! It's history is something very special & should be preserved. | 3/16/2022 12:10 PM |
| 93 | A large neighborhood amenity like a big pool and clubhouse would be great | 3/16/2022 10:14 AM |
| 94 | Retaining as much of the old front as possible while allowing renovations on the back side brings a true sense of progress building from what we have while allowing more people to participate. | 3/16/2022 8:25 AM |
| 95 | Don't tear it down. | 3/16/2022 7:07 AM |
| 96 | Keeping the history while still moving forward. Introducing more generations to the history of the pool and history of Boise | 3/15/2022 9:02 PM |
| 97 | The pool should be accessible to all but still maintain some of the historic structure and Art Deco style while also adding some nice benefits like a larger deck | 3/15/2022 9:02 PM |
| 98 | Dog parks and the like is a better use of space. I see it as just increasing our taxes to maintain. It's a money pit. | 3/15/2022 3:43 PM |
| 99 | It would keep the same feeling for so many of us from the bench who have great memories, but it would be safe and accessible for those who can't use it now. | 3/15/2022 1:05 PM |
| 100 | I like to have a shaded area | 3/15/2022 11:18 AM |
| 101 | I think it is a great location in the central bench. A new one could be enlarged a bit by making it longer vs. wider. It would be nice to include a few simple water features in a small shallow wading pool. | 3/14/2022 12:53 PM |
| 102 | A pool is very important for that neighborhood | 3/14/2022 12:09 PM |
| 103 | It deserves to be kept. Got an pool is just a pool, but South's is history, and should be kept above ground. | 3/14/2022 11:04 AM |
| 104 | A new space could incorporate some structural elements like the sign. Ultimately, please don't hang on to this pool just because it is old though! Communities are growing and need newer, more accessible amenities. | 3/14/2022 10:55 AM |
| 105 | It seems evident that changes are needed if the pool is going to remain open and continue to add value as a community gathering place for future generations. This is normal, structures need renovation and upkeep to remain usable and to meet the current needs of the neighborhood. I think the art deco style does add a lot of character to our neighborhood, so retaining as much of it as possible, while making the pool safe, equitable, and usable is my preference. However, if a decision had to be made to either keep the pool usable and open, or to keep the architecture, I would certainly hope we would opt to have a functioning pool. | 3/14/2022 10:08 AM |
| 106 | Retains historic front of the building while providing accessibility. | 3/14/2022 9:33 AM |
| 107 | the pool is way too small | 3/14/2022 1:25 AM |
| 108 | We would rather have a pool at that location, than not. Although we appreciate the value of historical components, not if that meant no pool. That area is where all the elementary students that eventually feed into South Junior High meet and get to know each other for that important transition in their life. Great job opportunities for the old-enough adolescents in this area. South Junior high and the attached green spaces are already a wonderful central meeting place, so the pool fits naturally in that context. | 3/13/2022 5:01 PM |
| 109 | Soccer part could be used year round by lots of kids | 3/13/2022 4:45 PM |
| 110 | I LOVE the pool the way it is, but also want it to be ADA compliant. If it can be brought up to compliance and improved in other ways and still maintain some of the character of the WPA era pool, better! But I do love the upgrading to make it more inclusive. I say throw a bunch of money at the project! Make it fabulous. This neighborhood doesn't have access to a lot of activities, the kids have fun anyway, but I the pool is a very important part of so many kids's childhoods - including film-maker David Lynch who lived across Shoshone St and once set off a bomb in the pool! https://exclaim.ca/music/article/david_lynch-dark_meditations | 3/13/2022 4:04 PM |
| 111 | As stated in an earlier query, the historic nature of South is not important to me. Its value lies in its availability. | 3/13/2022 1:28 PM |

See question #13 above. 124 I think having spaces for people to cool off in our ever increasingly hot summers is important. I think wed be a greener and more community oriented society if we relied on community pools rather than everyone having their own private pool for to mention the fact that the majority of people can't afford their own private pool anyways). I don't think we need to start from scratch and build something new, but I do think all municipal amenities and services should be expanding with the expanding population of the citry, including community pools. 125 This is a great location for a community pool, and since the City already owns the property more money will be spent on the pool instead of purchasing another site. 126 Looking for a win-win between keeping vintage vibe and making sure the neighborhood has a safe, functional pool. 127 I believe it is important to have a pool in both of those locations. A pool should be available to all neighborhoods without a trip across town. 128 The current location has potential for more active spaces like the tennis courts. A memorial in form of the preserved facade wouldn't take much space. It would be great to design a samity pool that has zero depth entry yet doesn't compromise potential for lap and swim team style swimming. Something that facilitates a longer season like indoor but with big bay doors or an outdoor pool with a cold season bubble. Seriously, 1 you build a pool, why not make it the best one possible? 129 Boise gets so hot in the summer time public pools are needed. Nice to have one in most neighborhoods. I understand with change, comes unforeseen problems, but with the correct mindset of saving this historical building for future generations, it can be done, we can have it both ways and all children and adults can witness the beauty of the old with the convenience of the new. Thank you 3/10/2022 7:43 AM 182 KIds and families benefit from exercise. swimming such an important skill to learn early. 183 I love this pool for us and the community and would love to see it stay 3/10/2022 6:56 AM Why hasn't anyone considered building a below ground pool next to them for the Ada 184 3/9/2022 11:07 PM compliance and keep the original pool as is? 185 Historic preservation is what makes any city unique. A lesson should have been learned after 3/9/2022 9:17 PM the "Taj Mahal of the West" was demolished. 186 The historic facade is magnificent. If, however a much larger pool nearby is possible that 3/9/2022 6:32 PM would probably be better still. 187 The location of the pool is important, i would like it to stay at south. Expense is also important 3/9/2022 5:41 PM I would like them to keep the pool while keeping expenses as low as possible. It's a neighborhood pool, one that serves an area with many children, refugee and underserved 188 3/9/2022 4:29 PM population. Nothing against ADA, but there are many other public and private pools that can provide enriching experiences for them. It doesn't make sense to spend a ton of money or shut down a pool for a very small % of the population while the vast majority suffers having no pool 189 It feels important to keep the look of the structure but to make it more accessible and fun for 3/9/2022 3:49 PM families. 3/9/2022 3:47 PM 190 Year round access with an indoor soccer facility. The current pool has limited access especially when Borah pool is so much better on many levels. The indoor soccer facility would engage the diverse bench neighborhood. 191 Create a new pool, possibly at Whitney, and make this a meeting room structure with murals 3/9/2022 3:06 PM outside representing historical moments of the past 100 years. Will fit many needs, placate multiple constituencies, and at a reasonable cost. 192 Swimming is a life long sport....unlike many that may be used if "reimagined" Swimming 3/9/2022 2:11 PM lessons to make Idahoans safe, around the abundant waterways in our state, are priceless! 193 Final product is the most important, whatever can provide better accommodations for the 3/9/2022 1:39 PM community is best even if that includes relocated the pool and turning the former location into another public space. Since there are two pools needed renovation, maybe one can be preserved and the other one redone. Important to keep the historic facade while adding a larger deck will allow for more people to 194 3/9/2022 12:27 PM visit, serving more of the neighborhood. 195 I would like it ADA accessible and bigger so more people would use it. I would like a smaller 3/9/2022 12:02 PM pool for younger children. I want more deck space. 196 I love the pool and the aesthetic. But much like when I refinish a piece or furniture, sometimes 3/9/2022 11:55 AM a complete teardown and rebuild is required. And we can rebuild with class. 197 It's always frustrating to see City money spent on projects such as tearing down, then 3/9/2022 10:18 AM rebuilding places. Try fixing some stuff instead doubling or tripling the cost 198 While a fancy new pool always sounds nice, our family loves the South pool just the way it is. 3/9/2022 9:59 AM The pool was one of the key features we loved about moving into this neighborhood and our

close proximity to the pool. Our family has been so disappointed to not have this amenity the past couple of summers.

| 201 | The best thing to do | 3/9/2022 7:23 AM |
| 202 | Maintaining historic structure. It's unique | 3/9/2022 6:20 AM |
| 203 | I like the idea of it being more accessible with a zero depth entry, and it could definitely use more deck space. I would be in favor of any option that keeps the pool open, but it would be better to have improvements. | 3/8/2022 11:21 PM |
| 204 | I think it's a good start. | 3/8/2022 11:03 PM |
| 205 | This scenario strikes a middle ground as far as cost. | 3/8/2022 10:43 PM |
| 206 | Larger , more modern, separate kids area | 3/8/2022 10:30 PM |
| 207 | Where possible historic facilities should be preserved and maintained for their original purpose. Clearly ADA regulations must allow for access changes but other then that I don't believe superficial changes to the deck area need to be made. Sometimes we just need to appreciate what we already have! | 3/8/2022 10:11 PM |
| 208 | If the facade could be preserved, I would like to see some renovations to make it more "little kid" friendly. I don't support taking the existing pool down completely. Maintaining some of the city's history is important - similar to what was done at South Jr High | 3/8/2022 10:08 PM |
| 209 | It feels like a good compromise between maintaining its historic past and allowing the most access for current day patrons. | 3/8/2022 8:25 PM |
| 210 | Boise needs more year round out door recreational facilities including and especially for hugely popular sports such as soccer and pickleball. | 3/8/2022 8:10 PM |
| 211 | A soccer facility such as the ones built by Urban Soccer Park would serve the community much better than a pool! https://www.urbansoccerpark.com/social-programs/ | 3/8/2022 7:42 PM |
| 212 | It would be nice to keep the feel of the pool and it's authenticity. | 3/8/2022 6:48 PM |
| 213 | We need a pool here, add parks and community gardens on other spots, we need those too! | 3/8/2022 6:28 PM |
| 214 | We don't have any neighborhood facilities let's not lose what little we have, the kids in this neighborhood can be highly destructive they need something to do | 3/8/2022 6:06 PM |
| 215 | I like the shape of the pool and the creativity in it but I want it to open | 3/8/2022 4:26 PM |
| 216 | I have a high regard for historical structures. | 3/8/2022 3:06 PM |
| 217 | Boise is the only city in the country with two of these pools. A rare find and a jewel we should preserve. Neighborhoods surrounding both pools are some of the hottest real estate in Boise. A historic neighborhood pool is definitely an additional asset to the historic preservation of the history and style of both the Depot Bench and the North End. To be cost effective the pool must have attendance. The surrounding neighborhoods are morphing into the next generation of young families. Access and deck space are necessary to encourage and support use. Programs only enhance that. Updates would hopefully include some of the deficiencies, not just repairs and ADA compliance. Although I personally don't use the pool I have a string of grandchildren who will! | 3/8/2022 2:46 PM |
| 218 | Historical use and make the pool ADA accessible | 3/8/2022 2:26 PM |
| 219 | I think it's important to retain the unique historical front and neighborhood feel of the pool while still updating the site with modern amenities and accessibility features. | 3/8/2022 2:02 PM |
| 220 | I'm for the two taking down scenarios and saving the face | 3/8/2022 1:58 PM |
| 221 | 2.4 million is a lot of zeros | 3/8/2022 1:56 PM |
| 222 | I think more kids would show up if it was a bigger and better pool | 3/8/2022 1:48 PM |
| 223 | There is another use for the pool which has not been addressed in this survey. The look of the pool with historical significance can remain the same, but it can be used for skateboarding. A neighborhood skatepark would be a convenience for neighborhood skateboarders of all ages to drop into without going the distance to Rhodes or Veterans Park. It could be used many more months per year than the pool and would add an additional recreational activity on the bench along with the tennis courts next door and the large South Junior High Field. | 3/8/2022 12:42 PM |
| 224 | We need to hold onto historical structures in Boise while we can! | 3/8/2022 12:41 PM |
| 225 | I understand that the pool plumbing, etc is probably in bad shape after 70 years of use. I am an architect and have refused to do pool projects because of the liability associated with the | 3/8/2022 12:17 PM |
| | chemicals deteriorating the structure. I believe the front iconic entrance element should be saved but an at grade dressing room and pool facility be constructed. I would rather have my tax dollars spent on something to give youth and adults to do, rather than on alternatives when they get into trouble. Any study should include cost for enclosing the pool so it can be used year round. | |

|-----|--|-------------------|
| 228 | Why WASTE money on seldom used "Bike Lanes" all over the city and let an asset that the entire neighborhood uses go to waste. | 3/8/2022 10:29 AM |
| 229 | I'm just interested in having a neighborhood pool. I don't have a preference on if it's original, new, or remodeled. | 3/8/2022 9:43 AM |
| 230 | Make a Urban Soccer Field | 3/8/2022 9:13 AM |
| 231 | The pool has been a part of this neighborhood as long as I can remember. It allows many a good means of summer fun. DONT CHANGE JUST TO CHANGE! | 3/8/2022 8:47 AM |
| 232 | This area of town needs a pool like Ivywild or the Nat. | 3/8/2022 7:47 AM |
| 233 | Retaining the older appearance gives the pool a type of flair that is positive in community. New is not always better. | 3/8/2022 7:30 AM |
| 234 | I would like the pool to be kept in the neighborhood. During the summer when the pool was open, I saw children there all the time. There are many children in my neighborhood. | 3/8/2022 7:22 AM |
| 235 | Updates and makes pool accessible without losing facade | 3/8/2022 7:03 AM |
| 236 | I chose to totally reimagine the pool because I want the pool to become a soccer field. There are many people who would love to play soccer around the south area, and this might just be what they need. And I'm pretty sure the people would love this improvement and change. | 3/8/2022 6:42 AM |
| 237 | We need park or indoor basketball or soccer field more useful for the community | 3/8/2022 2:13 AM |
| 238 | This option seems to be the best of both worlds as it retains parts of the historic pool, but also adds amenities that would bring it up to date and better meet the needs of current users. Tearing down the pool and building a new one in a bigger location to meet the needs of the community is also a good option. | 3/7/2022 11:06 PM |
| 239 | I would like to see something else building in the space that is more accessible to everyone, such as a soccer park. | 3/7/2022 10:53 PM |
| 240 | Community pools are needed for the youth of today socially as well as personally. I grew up with enjoying community pools and it made a difference in my life in positive ways. | 3/7/2022 10:04 PM |
| 241 | The way the facility sits maintains sentimental value for me. I grew up in this pool and would hate to see it go away. | 3/7/2022 9:46 PM |
| 242 | I would like to see the usage numbers for the pool. If the pool is being used and the number of swimmers is high enough, then I would support renovation. But if we are only talking about just a few hundred swimmers per season, it's time to take the pool down. Borah pool is close enough to take South's place. Historic preservation is somewhat important, but not important enough to justify spending millions of taxpayer dollars for just a few hundred swimmers per season. | 3/7/2022 9:40 PM |
| 243 | I would like the maintain the unique pool design and "feel." I also think the "renovate the pool to address deficiencies and add additional amenities" could also work depending on the designs. That said, if all that is retained is the historic front (and possibly only), I would be dissatisfied with this outcome. It's the pool design itself—how you move through it and its two-story structure—that makes it so wonderful, not its skin. | 3/7/2022 9:37 PM |
| 244 | Watching throngs of kids go back and forth to the pool is wonderful and it would be too bad to take that away. A full scale remodel would take too long and the pool would lose its historic character. There are other pools in Boise with more amenities and better ada accessibility. While accessibility is important, doing the minimum so all users can enjoy is best option | 3/7/2022 8:52 PM |
| 245 | Time to move on and update to modern amenities | 3/7/2022 8:44 PM |
| 246 | Because Nobody really goes in that pool so it's better if they remove the pool and turn it into a soccer field | 3/7/2022 8:41 PM |
| 247 | I like the location of the pool near the central location of South Jr. high and making better and more accessible while still being in that locations seems like a perfect match. | 3/7/2022 8:16 PM |
| 248 | Maintain the historical spirit while adding modern improvements. | 3/7/2022 7:40 PM |
| 249 | Where I grew up in Illinois we belonged to the local Lions Club pool that was tucked into the woods where we often played. From 3rd grade to 7th I could easily tell you how many times we did NOT go to the pool. It was usually about nine days: seven were vacations away from home where we swam in a lake and two days we missed for some random reason. I became a very water-oriented adult: US Navy, sport scuba diver, ocean swimmer where I average .9 miles more than 200 times, crewed on racing sailboats and commercial fishing boats in Alaska. I feel sure my love of lakes, rivers and oceans came from my joyful summers at the pool. Our community pool was very important to me. My three nieces grew up across from South Jr High and were at the pool very often and they all now live within a mile of South buying there own homes and have kids. One bought the home they were raised in. As much as I like the look and feel of the pool, I think it would be more practical to replace it with a pool of similar size if not a little larger. | 3/7/2022 7:39 PM |
| 250 | I would love to keep the facade and incorporate it in a new pool design | 3/7/2022 7:33 PM |
| 251 | I love the pool as it is and I have never seen it not accommodate all that come to the pool and I live in the neighborhood. It would be a travesty if the pool did not reopen. There is nothing for these neighborhood children to do in the summers, for some kids that pool is their summer. | 3/7/2022 6:54 PM |

| 279 | If there are significant investments by the taxpayers for this scenario, then do the updates right and make these updates last into the next generation and beyond | 3/7/2022 10:40 AM |
|-----|---|--------------------------------------|
| 278 | Preserve appearance of historic structure. Modern designs are brutish, childish, or have no clear architectural identity. | 3/7/2022 10:43 AM |
| 277 | We have a multi cultural neighborhood an ideal place to Grow up keep the kids in the neighborhood. Please don't take six years having meetings | 3/7/2022 11:46 AM |
| 276 | I would like to see the pool reopen no matter what. If the option I chose does not work, I think the city should find a way to reopen. | 3/7/2022 11:59 AM |
| 75 | I chose "need more information" because none of these answers are all that good and they indicate that you guys have already made a decision and are just going to run it around until you cultivate the "outreach" data that supports your pre-assumed decision | 3/7/2022 12:35 PM |
| 274 | Please don't move the pool away from our neighborhood! We already don't have a city playground in our neighborhood. The pool is historically significant and charming, but could use some updates. I would be open to any option that keeps the pool at the location. | 3/7/2022 12:49 PM |
| 273 | must have good ADA accessibility | 3/7/2022 12:51 PM |
| 272 | The cost of updating and maintaining the current pool would be better spent on a new pool. It would be nice to incorporate the classic architecture in a new pool. | 3/7/2022 12:52 PM |
| 271 | We love the historic structure, but we'd like to have the pool in the neighborhood more than anything. | 3/7/2022 1:22 PM |
| 270 | I just want the most economically sound solution to keep the pool up and running. | 3/7/2022 1:23 PM |
| 269 | fix it up and keep the historical look. | 3/7/2022 2:18 PM |
| 268 | I think the pool is a valuable neighborhood and city asset. Having it able to serve even a larger number of people would be great. | 3/7/2022 2:27 PM |
| 267 | Too many structures with historic value are being or have been eliminated in Boise. Let's continue to prize our history. | 3/7/2022 2:49 PM |
| 266 | I think I would prefer a bigger pool in a new location, but that would depend on what locations are available. | 3/7/2022 2:54 PM |
| 265 | Borah Pool is nearby and the space that South Pool is on is not big enough for a new pool. I feel the space can be used for other needs that the neighborhood could use | 3/7/2022 3:06 PM |
| 164 | Have it be a space other than a pool that the community can use | 3/7/2022 3:53 PM |
| 263 | Pools are super expensive and have a very limited operating season. They serve a small slice of the public for a short period of time. I think this community is well served by the pool near Borah High School continue to invest in that facility and reimagine this space for broader use around a longer season. | 3/7/2022 4:00 PM |
| 262 | South & Lowell Pools are historical structures that deserve to be maintained and perhaps adapted to meet modern needs! | 3/7/2022 4:08 PM |
| 261 | Do not make this a park because druggies and bums will use it. | 3/7/2022 4:12 PM |
| 260 | I chose based on the word possible in the third and frankly preferred scenario. As a contractor I know the danger of the word possible as in what is possible is usually a function of short sightedness someone else's profit motive and lack of civic responsibility colliding in a perfectly acceptable and nearly expected fashion. | |
| 259 | I would like to know more about the cities plan for the facility before making my decision. | 3/7/2022 4:50 PM 3/7/2022 4:45 PM |
| | completely without. I personally do not use pools for various reasons but feel having one is a very important neighborhood amenity. My neighbors/fellow residents need an affordable summertime activity that is easy to access - from both a proximity to their home and ADA perspective. | |
| 258 | It is important to make sure bench residents still have a close, neighborhood swimming option. I like the idea of historical preservation, but not at the expense of this area having to go | 3/7/2022 4:57 PM |
| 257 | deck would be nice, but we can live without it. I feel like the city is likely just going to demo this pool. I like that it is within walking distance to my house but also recognize it is quite old and likely not worth retrofitting | 3/7/2022 5:47 PM |
| 256 | I chose it because I want it to reopen ASAP. We miss it so much and I don't want to see the architectural integrity diminished. I do like the idea of a zero depth entry, however and a bigger | 3/7/2022 5:53 PM |
| 255 | I think having a pool in this space is best for all. Children and families get a lot out of having a pool in the neighborhood. Moving the location or reimagining the space does not feel like an equally good option for the purpose the pool currently serves in our community. | 3/7/2022 6:22 PM |
| 254 | I like having a pool within walking distance. If South Pool had more space to hang out there it would be better for me. If it was more accessible it would be better for others. Right now it is structured for swimming and not as a destination for the afternoon like Ivywild is. Doesn't need to be that fancy or have that many features though. | 3/7/2022 6:44 PM |
| 253 | might not be able to cram a modern facility into the existing space. if that were possible to everybody's satisfaction, the current location is fine. | 3/7/2022 6:50 PM |
| | entry design. | |

| 280 | I think the pool should be relocated to Whitney Elementary, corner of playground on Overland. | 3/7/2022 10:29 AM |
|-----|---|-------------------|
| 281 | Do not re-make a space that has been fine and good for the neighborhood in which it exists. Just fix it so people can use it safely. | 3/7/2022 10:24 AM |
| 282 | I know that budget is always an issue. In my scenario, we would all get to use the pool as soon as possible while preserving the historical significance for Boise | 3/6/2022 2:05 PM |
| 283 | Mostly likely method to assure there is a pool for middle to low income yoyh | 3/6/2022 12:51 PM |
| 284 | I feel that we are loosing the history of Boise and this would help preserve some of it. | 3/6/2022 11:46 AM |
| 285 | Is there opportunity to maintain portions of the structure and remained it to a different function? (Skate park, play structure, some kind of common area, something else? | 3/6/2022 9:56 AM |
| 286 | Due to it needs a lot of updates and we still want it to remain open in that location. We can keep the some of the infrastructure to keep historical front. | 3/6/2022 7:50 AM |
| 287 | The pool has served well for generations, it needs to be retained but updated as necessary for current regulations | 3/5/2022 5:28 PM |
| 288 | I don't think the pool should move, I think the location is important. It sounds like putting an in ground pool in is an option, however it would be smaller. I think this is an important investment in the neighborhood | 3/5/2022 5:11 PM |
| 289 | I think it would be really sad to lose this beautiful pool! Whatever would be built in its place would probably be ugly since designers don't really prioritize aesthetics the same way anymore. I hope it gets to be reopened and retained | 3/5/2022 11:19 AM |
| 290 | Because you might as well keep this pool with minimal changes AND build another community pool in another location in South Boise. | 3/5/2022 10:19 AM |
| 291 | We have a hot summer and need as many places for families to cool off as possible. Larger with more amenities will accommodate future growth. | 3/5/2022 9:42 AM |
| 292 | I want Boise's history to be preserved. | 3/5/2022 9:10 AM |
| 293 | Because it's the best fit for preserving pool's historical value and design while still meeting todays code/needs for use. | 3/5/2022 8:03 AM |
| 294 | I'm tired of seeing so many of Boise's historical places go by the wayside. I've lived in Boise since I was just turning 10 (64 & 1/2 years). I wouldn't mind seeing more space, for people who aren't swimming, to sit, sunbathe, whatever. I just want it to be safe, yet maintain a semblance (at least) of what it has always been. | 3/4/2022 9:16 PM |
| 295 | I like the pool and I want to keep it. But we shouldn't spend money if we don't have it. | 3/4/2022 6:37 PM |
| 296 | I believe this would be the least cost and re-open the pool for community use! | 3/4/2022 4:47 PM |
| 297 | It allows for a fully updated, modern pool with modern amenities. | 3/4/2022 3:44 PM |
| 298 | Because I want a pool to remain at the existing South Pool location, either a refurbished South Pool or a new South Pool at the same location. | 3/4/2022 3:38 PM |
| 299 | At least the facade remains | 3/4/2022 2:44 PM |
| 300 | I would like the pool to be able to be used by the community while keeping it a historic structure of Boise. | 3/4/2022 2:36 PM |
| 301 | I think rebuilding an updated pool at the existing site may be most cost effective as far as making it accessible for all | 3/4/2022 2:35 PM |
| 302 | I enjoy the look and nostalgia of the current structure but making changes to my increase accessibility for disabled people is incredibly important. | 3/4/2022 1:29 PM |
| 303 | Bring it to today's standards, but keep the overall old school look of it. | 3/4/2022 12:20 PM |
| 304 | I would love to see the front of the pool stay is beautiful self. While updating the accessibility for disabled and special needs individuals. I enjoyed south pool to the fullest as a child and would love to see even more individuals enjoy it the way I have. ♥ | 3/4/2022 12:18 PM |
| 305 | There should definitely be a pool and probably more pools so that kids all over Boise have easy and safe aaccess. | 3/4/2022 11:38 AM |
| 306 | I value historical structures and don't feel all remodels need to look like new facilities | 3/4/2022 11:28 AM |
| 307 | I like preserving the uniqueness of the pool while making it more functional and less crowded on a hot summer day. The zero depth entry and more accessible entrances would make it a pool anyone can come to no matter your disabilities. A completely new pool on the restricted lot size couldn't be much larger than what is already there. Adding a facilities bldg etc will take up a lot of space too. The city is all about preserving it's historical heritage in many other older areas of town. These 2 pools are a snapshot in our history and should not be torn down. Updating and making them more accessible is the best case scenario. This area of town is pretty much neglected when it comes to making decisions that are historically wise. Do something good for us for a change. I specifically have not appreciated the infill aspects of construction up here on the Bench that has turned our neighborhoods into a majority of rentals over the past 10-15 years. This has not been a good thing. Many have voiced their opposition but no one has listened. So many single-family homes have been torn down and multiple family dwellings built or 3 homes on a lot that had 1 home. Money and property tax revenues have driven so much of this and it is breaking the hearts of us long-term residents. Do | 3/4/2022 10:57 AM |

| | something good for this neighborhood for a change. Thanks for giving me an opportunity for input. | |
|-----|--|-------------------|
| 308 | I love the historic feel of our little Boise. I would like to keep it that way, while also adding use for our community. I'd like to fix what we can, leave the face as is, and add on to compliment what we can. | 3/4/2022 10:43 AM |
| 309 | The structure needs to be restored and left as is. It has served this community since the 1950s and it is historic. Unfortunately with historic buildings they are not always accessible to everyone. If this was a new build I would demand it be accessible but this is an historic preservation. There are many accessable pools near by that people can use, this is an exception. People of this city are tired of the demolition of what makes Boise great only to be replaced by uninspired achritecture. Perfect example is the tearing down of South Junior High. | 3/4/2022 10:03 AM |
| 310 | I prefer an updated pool that retains its art deco facade. We need that pool to serve the needs of families in the Vista neighborhood. | 3/4/2022 9:08 AM |
| 311 | History and community are important to keep alive in boise with al this gentrification happening | 3/4/2022 9:03 AM |
| 312 | Because what matters is not the structures of the pool but the pool itself and the location. If it can be enlarged by buying adjacent properties then that would be fantastic however the existence of it continuing to serve the community is what I am most interested in. | 3/4/2022 8:42 AM |
| 313 | Improving accessibility while repairing deficiencies, adding functionality while extending useful life for next generations. | 3/4/2022 8:29 AM |
| 314 | Too many building have been torn down and forgotten about. I think remodeling it and preserving what is there says we care about our community. | 3/4/2022 7:35 AM |
| 315 | If it were to be where children play, right next to a busy road is not the best or most relaxing option for parents. | 3/3/2022 10:43 PM |
| 316 | I like it because it retains the historical parts but my friends who are disabled can still go. Plus it seems like it's cheaper than the one that adds amenities | 3/3/2022 10:34 PM |
| 317 | Save the historic front aesthetic while upgrading and reopening! | 3/3/2022 10:31 PM |
| 318 | The history and beauty of the pool makes it unique | 3/3/2022 9:10 PM |
| 319 | I don't want to just demolish all of Boises charm and history. I understand the need to fix things but demolishing structures for new ones isn't always the best solution. | 3/3/2022 9:00 PM |
| 320 | All swimming pools have a functional lifespan. This pool has exceeded its functional lifespan, and it's time to be replaced. We can't let nostalgia get in the way of progress. The cost required to repair the pool is not worth it. It would be better to apply that cost to a new facility that all people can access and enjoy. | 3/3/2022 8:29 PM |
| 321 | This is such a beautiful structure that I would love to see maintained but obviously needs updates and additional amenities to allow for everyone to enjoy it! | 3/3/2022 8:04 PM |
| 322 | As long as the front facade and the unique and historical aspects of the pool are maintained, I would love to see it improved so that it is more accessible and user friendly with more deck space. I think maintaining the front facade is key to maintaining its historical integrity. | 3/3/2022 7:56 PM |
| 323 | I like the idea of keeping the front the same, old school, historic south pool, but making it more open to public and those with physical disabilities | 3/3/2022 7:32 PM |
| 324 | History is important to retain in our community, especially today with the inundation of outside populations. This pool is iconic and has imprinted the lives of so many local families and should continue to provide the same memories for future generations similar to ours. | 3/3/2022 7:08 PM |
| 325 | It is important to make the improvements while retaining the historic design of this recreational landmark. | 3/3/2022 6:12 PM |
| 326 | You could make it into a meditation garden, like the one in Ruth Hardy Park in Palm Springs. | 3/3/2022 6:08 PM |
| 327 | To maintain the unique design and features while creating accessibility. | 3/3/2022 5:48 PM |
| 328 | Garden or park area | 3/3/2022 5:41 PM |
| 329 | Keep the design and the history, just fix what is broken. | 3/3/2022 5:38 PM |
| 330 | It's easy to keep the pool and its special design as is and make it useful while adding another "pool for everyone" as the new Boise blow-ins like to say. Plenty of space, plenty of money just quit wasting it on fancy riverside projects for the north enders. The city has done very little for the Depot Bench and other adjacent neighborhoods. Here's a chance to start paying back the citizens who watch you plow money in pet projects in "new" areas of town while protecting the north end. | 3/3/2022 5:30 PM |
| 331 | I believe that the city should seize the opportunity to reimagine the South Pool at a location that would serve the neighborhood in the best way, and to reimagine the space that the current pool sits on. | 3/3/2022 4:49 PM |
| 332 | It's iconic, at least for the neighborhood. Keeping the part of the library that they did at the school was a smart way of nodding to the past while allowing space for a total rebuild. | 3/3/2022 4:03 PM |
| 333 | I understand money is always a detergent. I think you could add historic touch if you redesigned the pool as you see fit. I think having a pool somewhere on the bench for the community would be a great asset. | 3/3/2022 3:39 PM |
| 334 | I would like the pool to be accessible to everyone, but would also love to see the structural | 3/3/2022 2:51 PM |

| | features remain close to the original | |
|-----|--|-------------------|
| 335 | SE Boise could benefit from a new pool location that could still be valuable to those who utilize South Pool. While kids and families that depend on the pool (at times for child care) should be communicated to directly and given information on public transportation to help them continue to access a public pool for their families. But the site doesn't seem fit for a pool any longer and renovating an outdated structure seems like a futile effort. Although a renovation with new amenities could be a good back up option. We do still need to value public pools and their positive impact on our communities. | 3/3/2022 2:48 PM |
| 336 | Pools have Improved a lot. | 3/3/2022 2:36 PM |
| 337 | I know a lot of people want to keep the historical structure so I believe this is the best of both worlds. | 3/3/2022 2:16 PM |
| 338 | I would really really like to see a pool that is accessible and usable by more people families etc. | 3/3/2022 2:07 PM |
| 339 | Accessibility is important, but a nod to the past (facade) is important too. | 3/3/2022 1:11 PM |
| 340 | Need to preserve the historic features of the pool. Also need to keep up with annual maintenance and have a long term maintenance and update plan. | 3/3/2022 12:37 PM |
| 341 | I think a community pool in this area is important to give youth and families a safe and wholesome place to go. To hang out with and meet others that live in the area. I like the idea of keeping the historic front of the pool while allowing for updates to be made to the space to make it more usable by everyone. | 3/3/2022 10:43 AM |
| 342 | Because none of these options addressed a reimagining of the space that didn't also include ripping it down or keeping it a swimming pool. A skatepark would be amazing here! | 3/3/2022 9:23 AM |
| 343 | Keeping the pool as is. | 3/3/2022 8:24 AM |
| 344 | Again, past my skating years, but a skate park. | 3/3/2022 8:13 AM |
| 345 | Seems like it would get the most traction. I'd say out more money into it if there's a good track record of people using it. | 3/3/2022 7:54 AM |
| 346 | The pool is a bench staple and is a great place for kids to visit as is. No reason to do major changes if minimal fixes can get it open and going. | 3/3/2022 7:45 AM |
| 347 | Either keep the iconic front facade as it is or demo the current format and create a new pool at the current site | 3/3/2022 7:44 AM |
| 348 | Parking and perhaps food and beverage | 3/3/2022 7:37 AM |
| 349 | Renovate the pool to make it functional instead of just sitting. Or another option is to make it skateable for skateboarders and roller skaters etc. | 3/3/2022 7:35 AM |
| 350 | Put your time and energy into other needs like low-income housing and homeless people. The pool will be fine. | 3/3/2022 7:22 AM |
| 351 | I value keeping this historical structure as intact as possible and also being able to open the pool so the community can enjoy it, make it more accessible and ADA compliant | 3/3/2022 7:12 AM |
| 352 | I like the zero depth entry and keeping the historic front | 3/3/2022 7:08 AM |
| 353 | Historic structure could be preserved and also function as a pool | 3/3/2022 3:00 AM |
| 354 | It includes people with disabilities, but allows the architecture, history to be preserved I would also share that I would love to see more lap swim timeframes at the public pools and possibly an extension of the open season for the pools (with weather consideration) so that adults can utilize the pools for lap swimming when kids are back to school | 3/3/2022 2:48 AM |
| 355 | Boise desperately needs more pools. While you can hardly get into the Nat, Ivywild on a weekend, South was always under capacity. It's just not a great pool anymore. | 3/3/2022 2:21 AM |
| 356 | Because I think it may be more feasible to demolish the parts of the structure that would be the most expensive to rehabilitate for better accessibility, maintenance, etc. And build a new facility that incorporates and is adjacent to the old. HOWEVER, I think the historic architecture should be preserved AS MUCH AS POSSIBLE. I think preserving that neighborhood history, is important for the community values, and culture. | 3/3/2022 1:45 AM |
| 357 | Keep as much of the integrity & "cool" factor of the pool as possible but make sure it's structurally sound and DEFINITELY make the pool accessible to EVERYONE! | 3/3/2022 1:11 AM |
| 358 | Want it to retain as much of it's original look as possible. | 3/3/2022 12:20 AM |
| 359 | Pools are important, but let's build a new, updated, modern pool wherever there needs to be one. (West end would be nice!) | 3/3/2022 12:00 AM |
| 360 | As previously stated the pool is really right sized for the neighborhood it sits in. Aesthetically and functionally. We should be able to continue to have a quirky yet functional facility that belongs in the neighborhood as opposed to a new facility that has little character. (South junior high, Franklin and Cole schools are examples of the "new is better" mentality that has drastically altered neighborhoods and we're all done despite fairly loud preservation efforts. | 3/2/2022 11:22 PM |
| 361 | Do the necessary repairs keep it true to its original state but update accessibility. Everything needs an upgrade as years pass. What ever you do don't knock it down. It's my family's favorite place to go in summer time. With so many changes in the valley, It would be nice for a few things that we love here, to remain familiar and feel like it's still our home. | 3/2/2022 11:15 PM |

| 362 | It is historical structure. | 3/2/2022 10:53 PM |
|-----|---|-------------------|
| 363 | I'm a swimming pool builder and remodeler of old pools. | 3/2/2022 10:05 PM |
| 364 | History deserves to exist, not overtaken by newer infrastructure | 3/2/2022 10:04 PM |
| 365 | Too often are historical buildings destroyed and lost to rebuilds (South Jr high *cough cough*). Starting from new is not always the best solution. Let's continue to pass on the memories of historic pool to the future generations of Boise. | 3/2/2022 9:58 PM |
| 366 | i love the pool and the nostalgia that come with it | 3/2/2022 9:55 PM |
| 367 | It's more about having a neighborhood pool and less about the historical significance of the current pool. Moving the pool to a new location misses the point. local kids need a neighborhood pool even if it is small. Bigger isn't always better. | 3/2/2022 9:52 PM |
| 368 | I like the idea of a neighborhood pool that's affordable for those who live in the neighborhood | 3/2/2022 9:48 PM |
| 369 | I would like the pool to be retained and reimagined as a place for locals to skate. | 3/2/2022 9:45 PM |
| 370 | I think part of the reason it is so admired is because of its structure and the shape. | 3/2/2022 9:42 PM |
| 371 | History is important. The historic aspects can be kept while making the legally required alterations. | 3/2/2022 9:28 PM |
| 372 | Interested in the best possible use of money, features, functionality, maintenance, and use of a pool at this location. I have no attachment to the current structure. | 3/2/2022 9:03 PM |
| 373 | It's part of history. | 3/2/2022 9:01 PM |
| 374 | Skate park would retain the historical structure | 3/2/2022 8:56 PM |
| 375 | History is important, removing that will erode Boise's Beauty. Some structures just need to be saved. | 3/2/2022 8:55 PM |
| 376 | It keeps the most historic elements of the existing pool and enhances the pool for those with limited abilities. | 3/2/2022 8:51 PM |
| 377 | The design is part of the value of the pool. I'd pay 10x the amount to keep it in its current state | 3/2/2022 8:46 PM |
| 378 | I liked the nostalgia. | 3/2/2022 8:44 PM |
| 379 | We should keep the history going. It's a beautiful thing. | 3/2/2022 8:42 PM |
| 380 | the structure and history is the most appealling | 3/2/2022 8:37 PM |
| 381 | It's key to keeping the front deco and updating | 3/2/2022 8:33 PM |
| 382 | We love the location of the pool. If a location very near could be secured, I would be okay with a larger pool with more amenities there, but ideally the current location is best. Maybe cassia park could be converted to pool and the current pool location could have the soccer fields? | 3/2/2022 8:17 PM |
| 383 | There is a private project already funded to provide a state of the art facility for the community. This will reduce the time, cost, and effort the boise community. Recommend partnering with the Greater Boise Aquatic Center to meet community goals. | 3/2/2022 8:13 PM |
| 384 | When I think of the South Pool I think about the design of the front of the building. The height of the building is so striking and unexpected it sticks in my mind. When I would talk with friends about it we always commented on how high up it was! So incredibly cool from a kiddo's perspective! However, I remember there not being many places to sit and the building wasn't user friendly for everyone. Making upgrades is appropriate but please consider the beauty of this design. Thank you!! | 3/2/2022 7:58 PM |
| 385 | Need neighborhood pools for swimming lessons and childrens safety. Don't need a larger pool or a different pool. Rotate hours that people could be there. Stop wasting money on Covid testing and use the money for something worthy. | 3/2/2022 7:56 PM |
| 386 | It is important to keep our historical buildings but also to provide a facility that is accessible, safe and enjoyable. | 3/2/2022 7:53 PM |
| 387 | City properties need to be accessible and safe for all, but if the appearance of the pool could remain, it would help with the historic appreciation / nostalgia for many. | 3/2/2022 7:52 PM |
| 388 | Like the current location but it is too small for an ideal in ground pool. The above ground pool was not a good idea and shouldn't be fixed for historic relevance. | 3/2/2022 7:48 PM |
| 389 | We live in a complicated socioeconomic neighborhood. There are many kids who immigrated here as refugees that desperately need a place to go in the summer. If the location moves, or it becomes elitist, many of those children would not have access. The pool needs to reopen as quickly as possible. | 3/2/2022 7:46 PM |
| 390 | I want a community pool!! | 3/2/2022 7:43 PM |
| 391 | History is important and being erased for aesthetics. | 3/2/2022 7:35 PM |
| 392 | I am most interested in having a neighborhood facility. | 3/2/2022 7:29 PM |
| 393 | Keep the historic front, but make it more accessible and enjoyable! | 3/2/2022 7:11 PM |
| 394 | I feel that area of town can use a pool. | 3/2/2022 6:50 PM |
| 395 | I have an appreciation for historic neighborhood structures and there seem to be dwindling. | 3/2/2022 6:43 PM |

| 396 | I want more people to have access to the pool. I think we need to make it more accessible for disabled and elderly people so they can enjoy it too. While also holding the history of it | 3/2/2022 6:19 PM |
|-----|---|------------------|
| 397 | We should produce the best possible facility for the community in the right location. I do not believe the historical significance of a pool should be a meaningful decision maker. | 3/2/2022 6:10 PM |
| 398 | It would be cool as a skatepark and cheaper probably to change it into one | 3/2/2022 5:56 PM |
| 399 | I hope a pool is able to be available in this location or another one within walking distance | 3/2/2022 5:56 PM |
| 400 | It keeps the beautiful art deco design, which is historically significant, and makes modern modifications. | 3/2/2022 5:43 PM |
| 401 | Historic preservation. This is a piece of history and where Boise came from - how the neighborhood developed. As mentioned in some literature I read, attendance may be lower here but there are fewer amenities here as well. This is not meant to be a pitch for building more amenities at this site, but is in support of the attendance numbers. Additionally, if there is money to tear it down and build bigger or buy other property and build bigger elsewhere, then part of the plan instead could be to rebuild pool as is with ADA compliance, and purchase a smaller neighborhood site with other amenities. This building is beautiful (at the least the art deco entrance.) Do NOT destroy that. | 3/2/2022 5:36 PM |
| 402 | It adds to the existing structure making it accessible and safe for all while retaining the historic facade | 3/2/2022 5:20 PM |
| 403 | It would greatly benefit the community if The space were turned into a skate park. The pool itself could just be turned into a bowl for people to skate into and only having to invest some money for the rest of the skate park. | 3/2/2022 5:16 PM |
| 404 | The historic nature of South Pool would be realized through the iconic front of the pool and allow for accessibility for range of abilities and ages. This is a win-win | 3/2/2022 4:51 PM |
| 405 | I love the design of this pool because it has great amenities and a large size pool in a small space. I think tearing down the pool and building a new one would result in a small, disappointing neighborhood pool. I think adding to the back could work. | 3/2/2022 4:35 PM |
| 406 | We have the money and it is a part of our history especially us locals | 3/2/2022 4:23 PM |
| 407 | We love the pool as is but getting it up to code is important | 3/2/2022 4:22 PM |
| 408 | I think either this pool or the Lowell pool should be opened with minimal changes other then those need for accessibility. The other pool could be modified to add extra amenities and such. | 3/2/2022 4:11 PM |
| 409 | neighborhood pools are such a treasure. they provide reprieve from the heat, a place to spend time with family and friends INEXPENSIVELY. they allow for a community to build and connect within surrounding neighborhoods. | 3/2/2022 4:02 PM |
| 410 | The pool is a historical landmark and I love the design. Keep the Lowell and South Pools operating. Allow adults only nights in the summer with outside alcohol permitted and charge high admission fee (i.e. \$25 or more/person). | 3/2/2022 4:01 PM |
| 411 | Offers opportunity to both keep the pool open and improve it. | 3/2/2022 3:58 PM |
| 412 | There are other places I can go if I want a different pool experiences, like the YMCA. But the nostalgia and history of municipal pools is what I love the most about them. It would be a shame to lose these historic gems. | 3/2/2022 3:41 PM |
| 413 | There's a Hugo quote, something like 'a century is old for a house of man, but young for a house of god'. We need to keep some of the old architecture alive other than old churches, if only so kids don't grow up thinking every building needs to look like a gorram prison or parking garage. | 3/2/2022 3:29 PM |
| 414 | I support the idea that this location would make a skate park site that's both historically preserving the architecture and area, is cost effective, and is within the locals' public interest and entertainment | 3/2/2022 3:22 PM |
| 415 | We need to learn to live with what we have. | 3/2/2022 3:15 PM |
| 416 | Its a beautiful historical piece of the community please keep it | 3/2/2022 3:15 PM |
| 417 | The Greater Boise Aquatics Center appears to be designed to meet community needs. Why not support that project or ask them for assistance on how to do this the right way. If you don't employ the experts, then you're doing the constituents a disservice | 3/2/2022 3:13 PM |
| 418 | Keep what's their for historical value and add to accommodate more. | 3/2/2022 3:02 PM |
| 419 | It's a very popular pool. Who cares that it's vintage. No body wants a park. Update the things that need updated but keep the rustic appeal of the front of the pool | 3/2/2022 3:00 PM |
| 420 | I think the pool should become a skate park | 3/2/2022 2:42 PM |
| 421 | This pool and having this space is SUPER important for this neighborhood! We have nothing else like it for the kids around here (pr even adults) and I would love to walk by and hear the laughter and chattering once again. It brings joy to everyone around, even those not using the pool. I was very fortunate to experience this kind of life while I was growing up and think every kiddo, teenager and adult should be able to experience it as well. | 3/2/2022 2:40 PM |
| 422 | This is a very unique structure and Boise has a rich history of maintaining and preserving historic buildings. The same should go for this pool. | 3/2/2022 2:40 PM |
| 423 | Love the idea of keeping the historical looks with new improvements. I definitely want to have | 3/2/2022 2:39 PM |

| | a city pool in this location! | |
|-----|---|-------------------|
| 424 | I love the historic look and the retention of sentimental value. But I also understand that the pool needs to be improved upon and given more amenities | 3/2/2022 2:38 PM |
| 425 | I think that the South Junior High neighborhood needs a place for kids to cool off. I think the old pool is a train wreck. If people want large pool they can drive to another location. If kids just need a summer activity a smaller pool is just fine. | 3/2/2022 2:24 PM |
| 426 | Retaining some historical factors while making necessary improvements. Focusing the use for young children | 3/2/2022 2:12 PM |
| 427 | Hybrid solution - keep historic significance while improving safety and accessibility | 3/2/2022 2:07 PM |
| 428 | Because i think making it a skatepark would be a great decision and would cost less then tearing it down and relocating it | 3/2/2022 2:06 PM |
| 429 | I would like this spot to be open as a skatepark | 3/2/2022 2:06 PM |
| 430 | Boise doesn't have enough public swimming pools. We should keep this one and make it functional. We should also add more pools in growing residential areas. | 3/2/2022 1:55 PM |
| 431 | Privatize this facility into a non-profit funded by grants, donations, and membership fees. | 3/2/2022 1:52 PM |
| 432 | Too many of the historical aspects of the city have been destroyed. This area is not served by any other pools nearby and is a reasonable fee for local families. | 3/2/2022 1:32 PM |
| 433 | We need to stop demolishing history instead adapt it to the current times. We can do better than tearing down and forgetting the past but instead renovate so that all people can enjoy this historical land mark. | 3/2/2022 1:16 PM |
| 434 | I think preserving our city's history while still being able to use and enjoy it is very important | 3/2/2022 1:07 PM |
| 435 | I think the pool can go where it best serves the community, whether that is the current site or a different site. We need more pools, not fewer. Whatever works to get it going. | 3/2/2022 1:02 PM |
| 436 | Neighborhood pools are few and far between in Boise and it would reduce crosstown travel to get to places like IvyWild or the YMCA. | 3/2/2022 12:40 PM |
| 437 | There may be a better location but I don't know where. You may be able to add other uses but the current use is almost perfect. | 3/2/2022 12:36 PM |
| 438 | We should not put a cost on history and memory's future and past. The city has the money. | 3/2/2022 12:35 PM |
| 439 | I want the pool to be close to my home on the bench. Also there are lots of children in that neighborhood and I want them to have a pool close by | 3/2/2022 12:21 PM |
| 440 | I think the site is sufficient for a reasonable size pool that kids can bike or walk to. But again, I would rather have a well maintained old pool than no pool at all. | 3/2/2022 12:21 PM |
| 441 | The Borah pool is pretty close to this one, so I'd rather funds go into making the Borah pool better. This space would be an awesome community garden that maybe the middle school can help with/have gardening classes at South. | 3/2/2022 12:18 PM |
| 442 | This feels like the most workable option that would allow everyone to enjoy the pool. While also preserving some of the historic significance, which I really want. | 3/2/2022 12:15 PM |
| 443 | I don't think we need to get rid of another piece of our historic architecture. Boise is losing its soul in this way. Why not reimagine it for a fraction of the cost and make it into a skateboarding pool? Reusing the beautiful design that's already constructed, creating recreational spaces for all ages and the love you'd receive from the community for not removing the structure, it's a win win situation. | 3/2/2022 12:14 PM |
| 444 | I think the historical structure of the building it important, but I feel having a community pool is necessary. I would also support the south pool being maintained as a historic structure if another community pool was built in the area at another site. | 3/2/2022 12:10 PM |
| 445 | Maintains the Mid Century charm but makes it more accessible for all. Safer for families that have kids with with different swimming capabilities. Which ultimately would increase the amount of visitors and create a greater sense of community in the neighborhood. And hopefully bring in more money to recoup those costs to renovate | 3/2/2022 11:56 AM |
| 446 | I would love to see a pool in that spot that is more accessible to small children. | 3/2/2022 11:49 AM |
| 447 | We need our neighborhood pools and if this one was to close, Fairmont and Borah would be too crowded | 3/2/2022 11:48 AM |
| 448 | I think kids enjoy a pool with slides, splash pad, park, etc. Parents can make a day of it with these features. | 3/2/2022 11:40 AM |
| 449 | Turn the pool into a skate park! A great activity for young kids and their families to enjoy throughout teenhood and adulthood. Essential part of Boise youth culture that cultivates creativity, friendship, and work ethic. SKATING is IMPORTANT to the people of Boise! | 3/2/2022 11:39 AM |
| 450 | I love the history of things and am sad so much gets destroyed. | 3/2/2022 11:37 AM |
| 451 | I want to keep the pool as original as possible. | 3/2/2022 11:33 AM |
| 452 | I like that the main entrance would be preserved and it would be more accessible allowing the renovations to produce income by opening the pools again | 3/2/2022 11:24 AM |
| 453 | I think that Boise could retain the Lowell & South pools with their structures intact as possible, | 3/2/2022 11:17 AM |

as we have several other pool facilities. 454 As much as I believe in historic preservation, this community has an incredible lack of 3/2/2022 11:16 AM facilities that accommodate lap/competitive swimming as well as kids. Kid pools should be separate and there should be more lap swim availability that a mere 1-2 hours a day. This community desperately needs an outdoor, 50-meter pool(s). 455 I think the pool is an important part of the community, and I'd think there's two options: A. 3/2/2022 11:15 AM Renovate the pool for use, maintaining the front for all of the families which used it prior. B. Move the pool elsewhere for a larger space and fancier structure, but re-use the space as an extension to the park already behind South Jr High. My preference is A cause I love that pool, but the second option would be nice for my walks. 456 I would want to hear about where and how a new location would be selected, what that would 3/2/2022 11:07 AM look like design-wise, and what the area would be repurposed for. My second choice would be to renovate with historic front of the pool OR build a new pool with a design that pays homage to the original Turn it into a skatepark 3/2/2022 11:04 AM 457 458 It is special and unique set up, we don't have a lot of the past left as everyone is in a hurry to 3/2/2022 11:02 AM destroy the past in favor of modernization. At what point do we just do the cost effective and logically sound thing and choose to preserve some of our historical buildings? For once I hope the city council chooses to do what is fiscally responsible in fixing only what needs repaired, and choose to preserve our happiest childhood memories by leaving it as is. To renovate abs make that accessible would be fiscally irresponsible and sad for preserving its place in history. You've torn down most of the old schools, why not let this one be? You'd likely spend less money finding a site and building a new all accessible pool than to reimagine this one The front is really what makes it and keeps the essence of the original. It would be nice to 3/2/2022 11:00 AM 459 have it updated to today's standards while keeping that part alive! I really, really would like to see at least one of the two pools preserved because hey are very 460 3/2/2022 11:00 AM unique and Boise residents value our history 461 They are historic buildings that should be preserved, maintained, and used. 3/2/2022 10:53 AM 462 Skate park 3/2/2022 10:51 AM 463 We need more skatepark and it would keep us skatepark rats off downtown property more 3/2/2022 10:48 AM since it's such a "issue' 464 I want to develop a skatepark/bowl for the community to enjoy! We already have so many 3/2/2022 10:46 AM recreational water activities like the lake, River right through town, water park, etc. why can't we make it a nice community park/skatepark to raise some of the best Olympic athletes and the new dogg town as I would call it 3/2/2022 10:46 AM 465 It has great history 3/2/2022 10:43 AM 466 I would love for it to be a skatepark, as a kid I always dreamed of skating it 467 The historical significance is part of the appeal of this neighborhood. Completely revamping the 3/2/2022 10:42 AM structure takes away the nostalgic feeling. By all means make it usable, disabled, 2 of my kids are. I want it to be accessible to all, but keep as much as you can while doing so. 468 I want to retain as much historic value as possible. Newer isn't always better. 3/2/2022 10:40 AM 469 If it is more advantageous and cost efficient to build a new pool in a new location but keep and 3/2/2022 10:40 AM repurpose this pool while maintaining most of its historical features is an option to be presented and considered also. Could it be turned into a skateboard facility open to younger kids? Could it be repurposed into a fun conservation site? I would be willing to look at all possibilities for both pools but do not want to demolish them since Old Boise seems to be disappearing. 470 I think keeping as much historical integrity as possible while keeping it functional is the best 3/2/2022 10:39 AM 471 I would like to keep the existing character and structure of the pool as possible while still being 3/2/2022 10:38 AM able to reopen it. Both the historical structure and accessibility to a pool i our neighborhood are very important to me! 472 I went to this pool as a teenager with a bunch of my friends during the summer. I would hate to 3/2/2022 10:34 AM see there NOT be any historical features to it. A lot has changed already. Keep some things the SAME!!!!! I miss the pool and would like there to be some changes but keep the historic look of the pool. 473 I chose that as my opinion because I can't stand to have history torn down and tampered with. 3/2/2022 10:32 AM Keep it as it is, but make it more beautiful to be around. 474 We should keep the structure but build a skatepark inside of it, it will not cost much and will 3/2/2022 10:31 AM bring people together there. 475 great pool 3/2/2022 10:22 AM 476 I grew up with a public neighborhood pool and that is where we were safe to play without 3/2/2022 10:21 AM parental supervision. Nostalgia is critical to keep Boise wholesome, yet safety updates are needed for very young and old. 477 I think it has a lot of promise and there's so much opportunity in that space, especially to turn 3/2/2022 10:19 AM it into a skatepark.

| 478 | No need to not use what is still working today. | 3/2/2022 10:16 AM |
|-----|---|-------------------|
| 479 | I think keeping the historic front to the pool is important but update ADA to the rear or side of the structure. | 3/2/2022 10:16 AM |
| 480 | My choice seems to achieve goals of access to all and honor the past generations that conceived and build the pool | 3/2/2022 10:14 AM |
| 481 | A swimming pool adds so much to a neighborhood—lessons, activity, place for kids to meet friends. Even if a new location is the best choice, a pool is worth having. | 3/2/2022 10:11 AM |
| 482 | It seems more efficient and cost effective to build a new pool in that space but I think that area of town needs a public pool. If it is less expensive and easier to modify existing pool than go that route. | 3/2/2022 10:07 AM |
| 483 | Preserving history is very important. That pool is one of a kind. | 3/2/2022 10:05 AM |
| 484 | I would love a pool there but also know it would be expensive to build and maintain so if there are options that would be a lower cost and be used more I would be open to hearing about it. | 3/2/2022 10:01 AM |
| 485 | Boise's historic pools are delightful and usable if properly maintained. Updates are warranted, with more modern filtering, amenities and safety measures, but it would be nice to maintain some of the historical aspects. | 3/2/2022 9:59 AM |
| 486 | If there's not enough room to build an updated facility at that site, consider other sites in the area. | 3/2/2022 9:59 AM |
| 487 | Retaining the historical appearance of the pool but improving it supports the uniqueness of the Depot Bench neighborhood. A cookie cutter pool would diminish the character and history of this neighborhood and overall quality of the city. | 3/2/2022 9:59 AM |
| 488 | I chose this option because I think Boise needs to embrace its history and repurpose/recycle important and beautiful structures like this instead of tearing things down and making everything new | 3/2/2022 9:59 AM |
| 489 | I DO NOT want the historic nature of the building to be sacrificed. | 3/2/2022 9:56 AM |
| 490 | Too many of the older structures in Boise have been and are still being destroyed. We need to update for safety and keep as much of the old structure as possible | 3/2/2022 9:55 AM |
| 491 | A new pool closer to meridian would be nice. The only pool in Boise closer to eagle road is just a lap pool | 3/2/2022 9:54 AM |
| 492 | My personal priorities would be retaining the historic structure and improving accessibility. This scenario prioritizes these two improvements. If this were not possible, I would choose to retain the pool as a historic structure without updates. | 3/2/2022 9:54 AM |
| 493 | Renovating it to the best of your abilities while keeping the historic significance preserved seems like a good middle option | 3/2/2022 9:53 AM |
| 494 | I think ensuring accessibility/meeting health and ADA standards and adding space/amenities to accommodate Boise's growing number of residents is most important. Save and incorporate as much as possible into a new design, but it's totally understandable that a pool from the 1950's can't stay as-is to be accessible and safe for everyone. | 3/2/2022 9:53 AM |
| 495 | I like the location, the history and design but also realize there must be some updates to make code | 3/2/2022 9:47 AM |
| 496 | Keep the view of the building from the street (curb appeal) as original as possible. change the backside as needed for compliance | 3/2/2022 9:45 AM |
| 497 | I like that it would maintain the front entrance and improve upon what already exists | 3/2/2022 9:44 AM |
| 498 | I like that historic front will be retained and that accessibility is being addressed. | 3/2/2022 9:44 AM |
| 499 | This option seems like the most middle-of-the-road, keeping the historic and sentimental front entrance of the pool but also upgarding the pool itself for greater accessibility to a greater community. | 3/2/2022 9:43 AM |
| 500 | Keep the structure historic but upgrade as needed for safety. | 3/2/2022 9:41 AM |
| 501 | location | 3/2/2022 9:40 AM |
| 502 | It is important to keep Boise's history intact as it continues to grow exponentially. It is nice to see pieces of our history throughout the city. | 3/2/2022 9:40 AM |
| 503 | I think it's important to maintain some ties to the past for our upcoming generations | 3/2/2022 9:40 AM |
| 504 | I have little kids and would love to have a pool close by that is safe for them. Eventually, things like this pool become outdated and unsafe and it makes sense to renovate or replace. | 3/2/2022 9:39 AM |
| 505 | I think it would be great to keep the existing structure for it's historical significance as much as possible, while also still being able to use the pool as originally intended. | 3/2/2022 9:39 AM |
| 506 | Inclusiveness and preservation could very well be maintained. Look at BAM and the State Museum. They both include the old building within their new ones. | 3/2/2022 9:39 AM |
| 507 | Hopes to maintain as much as possible while remaining accessible for all | 3/2/2022 9:38 AM |
| 508 | Best possible outcome | 3/2/2022 9:27 AM |
| 509 | I've been getting told the pool would be repurposed as a new pool, skatepark, playground since | 3/2/2022 9:26 AM |

| | the 6/7th grade, I'd love to see a brighter / safer environment for teens and children from the neighborhood to experience. | |
|-----|---|------------------|
| 510 | The look of the pool ads so much charm and character to the neighborhood. I'd hate to see them put up a new, ugly modern building | 3/2/2022 9:26 AM |
| 511 | The neighborhood needs the pool. The art deco is nice, but it is not worth saving, if it is cheaper to get rid of it and start over. We don't want another fiasco like the South Junior High outdoor auditorium that is always locked, too expensive to use, and had incredibly uncomfortable seating. Use common sense. | 3/2/2022 9:25 AM |
| 512 | The pool adds value to the neighborhood and reflects the midcentury modern era that is part of the roots of the area. To lose that would be a shame. | 3/2/2022 9:21 AM |
| 513 | I think leaving it as a "historic" structure and leaving it vacant would just create an eyesore. Either fix it up so kids can use it, or tear it down and build another one. | 3/2/2022 9:16 AM |
| 514 | Just keep the arch. | 3/2/2022 9:08 AM |
| 515 | I think the facade is important to retain as it is the most visible and noticeable historical feature of the pool. | 3/2/2022 9:06 AM |
| 516 | We have TV shows of things being restored. It would mean a lot to those that went here to keep the pool as it is as much as possible. We can restore things and this pool is one thing that shouldn't be replaced with something modern and cheaper We are running out of trademarks in cities and this pool is one for many souls who have gone here and lived in this neighborhood! This peice of history has made it this for a reason. There can be a way to restore it while maintaining the original above ground theme. A park would be nice but would be free. Souths pool income will help fuel schools and students hopefully with the money earned through the pool. A lot of the houses that surround that area are old and have history it just wouldn't do justice to put in a new pool. That would be the laziest choice. Preserve history as we do not have much left. Someone will be able to show their kids picutes of them in that pool and then generations later continued. | 3/2/2022 9:04 AM |
| 517 | I can see both sides. I'd love to see the pool stand. | 3/2/2022 9:01 AM |
| 518 | I would like to see updates without completely redoing it and having to change the history of the building. | 3/2/2022 9:01 AM |
| 519 | Sounds cool | 3/2/2022 8:58 AM |
| 520 | I would love for the pool to be reopened but still remain it's historic charm. | 3/2/2022 8:39 AM |
| 521 | I'd like to see the buildings renovated and maintained for historic and cultural significance and possible multi functions use in the future. I would like to see the pool itself removed and replaced with a splash pad type of water feature that the public physically interact with. I would like the splash pad to be free to public use (similar to the one set up near the Boise conference center 8th and front). Nice park like landscaping with additional trees particularly would benefit the space and usability during summer. | 3/2/2022 8:34 AM |
| 522 | A new pool at new site would allow the city to better accommodate the growing population. A new pool with updated amenities would serve a larger population (i.e. handicapped; elderly). | 3/2/2022 8:29 AM |
| 523 | I chose reimagine the space because it would be great to see the pool turned into a skatepark. It would take little resources to convert the pool into a skate bowl. | 3/2/2022 8:10 AM |
| 524 | As mentioned in the survey, South pool is one of a dozen of its kind left. It must be preserved | 3/2/2022 8:09 AM |
| 525 | Please don't tear it down! The Bench is often considered a place without history, and this is not true! Make the pool into a venue or a skatepark! Just please don't tear it down. | 3/2/2022 8:02 AM |
| 526 | It is a historic site that should be preserved, but if it's a much bigger historical asset if it is still functional | 3/2/2022 7:59 AM |
| 527 | I think the pool needs to be maintained for high level of safety and utilize economical energy strategies. I do not believe every pool under the city's control needs to be completely accessible. A percentage can be accessible since not everyone in the community is disabled. | 3/2/2022 7:57 AM |
| 528 | These pools are small and neighborhood specific, a bigger more inclusive pool would be great! | 3/2/2022 7:53 AM |
| 529 | Improve access for community members while preserving the historical significance of the structure. | 3/2/2022 7:51 AM |
| 530 | i don't want it to be completely changed | 3/2/2022 7:49 AM |
| 531 | It would likely cost less to reimagine the current facility as a skateboard park then to renovate or rebuild it as a pool. Doing so would create even more opportunities for youth and adults to engage in skateboarding and further Boises presence in the larger skateboarding community. It also allows the city to reimagine a historical property at a relative bargain with minimal maintenance requirements (concrete and drainage) | 3/2/2022 7:49 AM |
| 532 | I enjoy the connection between past and present Once these historic places are gone they are gone for good. Bringing the pool up to code and making it more accessible would allow for people to enjoy something today but still feel connected to its history. | 3/2/2022 7:28 AM |
| 533 | Although the design is historic, given climate change, greater disparity in family wealth and fewer affordable options for swimming, a new pool would likely benefit the community most. However, I feel concerned about potentially moving the location if the move would alter accessibility to the location for the community it serves. | 3/2/2022 7:20 AM |

| 534 | I would like to see options designed by a professional with experience in renovations. | 3/2/2022 7:14 AM |
|-----|--|-------------------|
| 535 | I think this is one of those situations where we accept the historic value of the structure and modify it enough to keep it safe and accessible. But realizing it contributes to the neighborhood in a different way than other newer pools. That comparing South Pool to newer pools is not a comparison and that keeping bits of historic places around Boise is important to the residents of that area. | 3/2/2022 7:13 AM |
| 536 | I like that it takes into account necessary changes such as a larger deck and handicap accessibility but keeps the historical front wntrance | 3/2/2022 7:13 AM |
| 537 | I am a lifelong Boisean and have watched some incredibly special historic places go the way of the wrecking ball over the years. Growth is inevitable, but we should try not to lose the soul of our city in the process. I believe demolishing this pool would be short-sighted. Keeping it as close to its original imagining (while allowing for improvements) would show intentionality and a respect for this city's history. | 3/2/2022 7:11 AM |
| 538 | Renovations can make it accessible to all and still keep the historical significance it has provided to our community. | 3/2/2022 6:53 AM |
| 539 | I think public pools are antiquated. The historic appearance would make an attractive park entrance however. | 3/2/2022 6:48 AM |
| 540 | Skatepark | 3/2/2022 6:46 AM |
| 541 | Like the pool the way it is especially the historical structure/ entrance | 3/2/2022 6:03 AM |
| 542 | I think at this point it would be best to just keep it as a historic landmark. I would also say we should build another pool to accommodate this one closing as a historic site. We have a lot more people in the valley and thus it puts a strain on the other community pools. | 3/2/2022 5:38 AM |
| 543 | Enhancing the pool experience for everyone. Is there any way it could be tied into the park behind it? | 3/2/2022 5:28 AM |
| 544 | Waste of money. Plenty of private pools in Boise. Spending taxpayer money is not justified. | 3/2/2022 5:12 AM |
| 545 | NA | 3/2/2022 4:15 AM |
| 546 | The historical and sentimental significance of the pool. | 3/2/2022 1:48 AM |
| 547 | Seems like a skate park in that side of town would allow more people the opportunity to learn and give local skaters another established location to skate without having to go all the way to Rhodes or fort boise | 3/2/2022 1:21 AM |
| 548 | The pool is a part of Boise history,it needs to stay. | 3/2/2022 12:37 AM |
| 549 | We're tearing down too much of Boise's history. Let's save what we can! | 3/2/2022 12:19 AM |
| 550 | i think boise needs to keep its historic buildings as close to their original state as possible. changing integral structures erases history | 3/2/2022 12:03 AM |
| 551 | The selected reflects a more affordable and renovative approach to sustaining the pool and offering more access to a wider variety of patrons. It may cost much more to demolish, remove, relocate, plan, create foundation, and build a brand new South swimming pool with amenities given. | 3/1/2022 11:51 PM |
| 552 | I feel too many projects today are tear down all the old and put up new cheap things. Keep the old historic look and just bring it up to code. | 3/1/2022 11:48 PM |
| 553 | That pool is part of Boise's history and a very unique experience that will be forged in many childhood memories. | 3/1/2022 11:48 PM |
| 554 | Skate park | 3/1/2022 11:28 PM |
| 555 | Turning it into a skatepark would be a more affordable way of bringing community together. The skate community welcomes all ages and backgrounds to support each other. | 3/1/2022 11:12 PM |
| 556 | It seemed best fit for what I personally had in mind, keep the building and as much of the original architecture of the building and pool but make it accessible for skateboarders, this could bring the community back together, keep the historic building, and be cheaper then demolishing the pool and/or making a new pool. | 3/1/2022 11:11 PM |
| 557 | There are plenty of other pools that have added amenities, let's keep this one as structurally sound as possible and make it accessible to those who'd like to use it | 3/1/2022 10:53 PM |
| 558 | Keep most of the existing structure but renovate it to be a skatepark/skate spot | 3/1/2022 10:49 PM |
| 559 | Historical, accessible, and unassuming—like the Bench :) | 3/1/2022 10:47 PM |
| 560 | Mainly because the memories I have of my whole neighborhood spending their summers there. The smaller size gave the kids a chance to meet new friends. I always felt the size and shape made it easier for the lifeguards to be aware of what was happening in the pool area. | 3/1/2022 10:39 PM |
| 561 | Use the shape and make a Skatepark please | 3/1/2022 10:37 PM |
| 562 | Let's get a skatepark going and build some interesting culture around Boises growing skateboard community. | 3/1/2022 10:33 PM |
| 563 | I think beyond a pool it would make a great skatepark. we don't have any in our neighborhood and it is an amazing sport that allows people of all ages to participate. skating is a great form | 3/1/2022 10:26 PM |

| 564 | Skatepark Pool like Dogtown and Z-Boys had. That would be ill and a draw to our city! Get with it Boise! | 3/1/2022 10:22 PM |
|-----|--|-------------------|
| 565 | I think there is a lot of info needed to make a good decision. | 3/1/2022 10:02 PM |
| 566 | Open the pool or pools as a skate spot this would mean minor renovations | 3/1/2022 9:53 PM |
| 567 | Boise is growing too fast we need a bigger pool or it will be over crowded or having to have wait lists to get in | 3/1/2022 9:38 PM |
| 568 | Is there a way to make the pool useful / usable for South Jr. High or does that building have a pool? | 3/1/2022 9:37 PM |
| 569 | Do not destroy history. If one wants different amenities, then they could choose a different Boise City Pool. Once it is gone, it can not be brought back. | 3/1/2022 9:31 PM |
| 570 | Because it's cool and part of the history of the city that is unique and worth celebrating. Keep Boise's soul! | 3/1/2022 9:30 PM |
| 571 | | 3/1/2022 9:23 PM |
| 572 | A larger pool is better for everyone in the neighborhood | 3/1/2022 8:56 PM |
| 573 | You could always turn the pool into a skate park and open a new pool nearby. | 3/1/2022 8:45 PM |
| 574 | Skatepark | 3/1/2022 8:41 PM |
| 575 | My kids' childhood summers are centered around the South pool. We still love it. It's one of the only things that has remained the same over time. | 3/1/2022 8:37 PM |
| 576 | It makes the pool more accessible while retaining the character of the structure. | 3/1/2022 8:35 PM |
| 577 | Keep historic feature but add needed updates. A little of both sides | 3/1/2022 8:28 PM |
| 578 | Skate park | 3/1/2022 8:25 PM |
| 579 | I think my previous comments on scenarios address this pretty well but the combination of 1) neighborhood access to swimming is really really critical, especially in a state with a high drowning rate but 2) if the super cool historic pool structure can be preserved and serve a more financially sensible use, and a new plan needs to be made for swimming in the neighborhood to bring in more patrons to a modern facility do that. Don't demolish if possible, keep swimming accessible to the South neighborhood/Bench area. Rooting for you and this great piece of my high school memories! | 3/1/2022 8:20 PM |
| 580 | It allows the pool to remain in the neighborhood, repairs to be completed and more additional amenities. | 3/1/2022 8:19 PM |
| 581 | I have always wanted to fight for the cute retro pool, but as a user of the pool, I know it has problems and no accessibility. If a new one was built, more adults would use for lap swim and safer for swim lessons and swim teams. My suggestion is to keep the cute existing front of the pool for the entrance and tear down the rest. | 3/1/2022 8:13 PM |
| 582 | I think there are a lot of opportunities to provide an excellent and safe place for families to enjoy. With a new facility, many families can enjoy it for many years to come. | 3/1/2022 8:09 PM |
| 583 | I feel it's the best compromise for all. Renovations for accessibility and ADA are absolutely necessary, and minimal structural changes may mean smaller cost, also helping preserve the historic features of the pool. | 3/1/2022 8:06 PM |
| 584 | I do believe it is a good location and could make for a potential safe place | 3/1/2022 8:00 PM |
| 585 | It is perfect as is. | 3/1/2022 7:57 PM |
| 586 | Turn into a skatepark | 3/1/2022 7:56 PM |
| 587 | It would be nice to see it in better condition | 3/1/2022 7:48 PM |
| 588 | Some of it could stay and be used as part of a skate area | 3/1/2022 7:44 PM |
| 589 | I love the history | 3/1/2022 7:41 PM |
| 590 | I think it is important to keep as many historical buildings in Boise as we can. | 3/1/2022 7:40 PM |
| 591 | Would like to see it maintained as is and children be able to enjoy it as we did as children without the additional renovation costs. Just regular upkeep for safety. | 3/1/2022 7:40 PM |
| 592 | There are very few examples of art deco still standing in the city. | 3/1/2022 7:33 PM |
| 593 | Taking it down will make you guys create stupid ideas such an LED light and will Forget the whole main idea | 3/1/2022 7:26 PM |
| 594 | Because it is a valued part of this neighborhood. Shared history and memories makes us strong. | 3/1/2022 7:24 PM |
| 595 | Cost vs historic structure | 3/1/2022 7:18 PM |
| 596 | Updating it while keeping the historic features are important to me. | 3/1/2022 7:07 PM |
| 597 | You could reimagine the space as a skate park pool! | 3/1/2022 6:52 PM |
| 598 | As a parent of a child with mobility issues and multiple special needs accessibility is of outmost importance | 3/1/2022 6:23 PM |
| | | |

| 627 | I think it should be turned in to a skate park or a place where kids can skateboard with others! | 3/1/2022 3:51 PM |
|-----|---|-------------------|
| 626 | They could build a new neighborhood pool somewhere else. | 3/1/2022 3:51 PM |
| 625 | I chose retaining the site exactly as it is with the caveat of re-surfacing the facility for skateboarding. The facility would appear in its original condition for the character of the neighborhood, but would also add value to the community by offering a place to recreate. Skateboard parks have the highest usage per square foot of any style park in the city, state, and nation. | 3/1/2022 4:09 PM |
| 624 | Skate park! | 3/1/2022 4:10 PM |
| 623 | I think there are better uses of the space, whatever they may be. | 3/1/2022 4:15 PM |
| 522 | The history and uniqueness. Adds to the lovely neighborhood feel. | 3/1/2022 4:16 PM |
| 521 | Photographs of the interior spaces show a design principle unlike anything I have seen on land outside of Hoover Dam. There is something exciting about knowing that there is a giant pool of water looming behind your locker/changing area! It really stimulates the imagination re: functional and beautiful architecture on a human scale, for human recreation. | 3/1/2022 4:25 PM |
| 620 | If the history can be saved I'm for it but the community could really use a pool there so I believe the planners know best. | 3/1/2022 4:33 PM |
| 619 | I think a town meeting with mock-ups and project cost estimates would provide enough info for a voter to decide/respond. | 3/1/2022 4:33 PM |
| 518 | I thought that this choice might be more cost effective if renovation costs would run close to costs of new. But there needs to be a pool in place for summer 2022. | 3/1/2022 4:37 PM |
| 617 | Neighbors deserve a nice functioning pool. It is a critical part of summer fun and comfort on hot days for children, particularly those of limited means. The only other option is to leave the neighborhood to swim in the river, which can be dangerous and not feasible for very young ones. | 3/1/2022 4:42 PM |
| 616 | This pool is very unique & should have special considerations about its usage & renovations in its existing location regardless of costs. This is about preservation too. | 3/1/2022 4:43 PM |
| 615 | I chose this option because I believe it's important to maintain our history and the feelings it can bring. This is beautiful pool and a fantastic spot for it. I see great potential for children after school and for people abroad | 3/1/2022 4:45 PM |
| 514 | Public Pools are a necessity for the growth and development of our kids and an essential life skill. I would hate to see the number of pools in the valley take a hit - we need more of them. But they have to be user friendly or we are just wasting tax payer money if they don't get used or serve their intended purpose. | 3/1/2022 4:50 PM |
| 313 | There just needs to be pool there. The city has taken way to long and it's been closed way to long. Boise is about having public spaces for its residents to enjoy. Get the pool open. Stop dragging your feet. There's already a park near by, this needs to be a pool. Tired of driving to the pools. | 3/1/2022 5:03 PM |
| 12 | Make it safe and accessible | 3/1/2022 5:03 PM |
| 11 | With the growth of Boise, the population here could really benefit from having more aquatic options. Swimming is a life skill and a form of exercise that can be done for a life time. It would be wonderful to offer access to a safe, affordable option for everyone in the community. South Pool as is, very much restricts the swimmers who are able to use it. I think a new facility that met the needs of all ages would greatly benefit the community and would be well worth the investment and use it would get over the years. | 3/1/2022 5:07 PM |
| 510 | History is important and a few update to bring it up to modern times would be great! | 3/1/2022 5:25 PM |
| 609 | I love the history this pool has. The design alone is my favorite part. I agree it needs some renovation and updating, but to keep the original architecture as closely as possible is by far my favorite option. | 3/1/2022 5:28 PM |
| 808 | The pool isn't torn down and it is more accessible to all. | 3/1/2022 5:28 PM |
| 507 | Seeing change can be hard, but I want the pool to be open and accessible | 3/1/2022 5:37 PM |
| 606 | The current location is central to the area. | 3/1/2022 5:37 PM |
| 605 | Is there anyway it could be repurposed? Skate park? Garden? Why are theses the only options? Can we try to be a little creative? | 3/1/2022 5:39 PM |
| 504 | I have an old house in the South Boise Village neighborhood, built in 1942. Let me tell you, renovating older construction is not worth it. Better to just start new, get a more modern facility, lower maintenance = better service for all. | 3/1/2022 5:47 PM |
| 603 | Bigger is not always better. It is a neighborhood pool, not a destination aquatic center. | 3/1/2022 6:01 PM |
| 602 | I think we need to think about the future and make it accessible to everyone and have updated amenities. But the bench area still needs to be used so we don't lose our pool! | 3/1/2022 6:04 PM |
| | The old pool has so many deficiencies, it does need a major overhaul. I would hope that more than just the front could be saved, and if that's the only part that would remain I'm torn between this option and keeping it as original as possible. | 3/1/2022 U.12 F W |
| 01 | The old peel has so many definiencies, it does need a major gyarbaul. I would have that mare | 3/1/2022 6:12 PM |

| 628 | The visual style of the pool is important to me. But also upgrading it is obviously needed to help it continue to operate. I think preserve as much of the original pool as possible, while incorporating the new design changes to match the Art Deco design of the pool. Destroying the pool would be out of the question. | 3/1/2022 3:50 PM |
|-----|---|------------------|
| 629 | A pool in that bench neighborhood is needed. I don't think that the current location is large enough for a bigger swimming pool. So a new location needs to be found. Maybe somewhere along Federal Way. If a bigger area can't be found, then the current pool should be brought up to standards and maintained. | 3/1/2022 3:42 PM |
| 630 | There is no reason to change this historic structure. If functional adds are needed, address them as simply as possible and add them in a very subtle or subterranean way so as not to degrade this historic structure. Keep it simple. | 3/1/2022 3:38 PM |
| 631 | The South & Lowell pools should of been updated a long time ago. It's a shame they have been neglected for so long. I was born and raised here and the pools used to offer swimming lessons, swim teams, night swimming. It was great. | 3/1/2022 3:21 PM |
| 632 | i would like to see it turned into a skatepark | 3/1/2022 3:06 PM |
| 633 | Because there's opportunity for positive change in our community. Youth need free places to play and explore and learn and a skatepark is a perfect example of that. | 3/1/2022 3:05 PM |
| 634 | Pool is fine. Space for people inadeqate and disfunctional. | 3/1/2022 3:03 PM |
| 635 | It would be a nice idea to preserve them historically but re-open them as city skateparks. | 3/1/2022 3:01 PM |
| 636 | As a valuable part of Boise history, keeping it open is part of its history. What's the point of a pool that isn't used? So it needs to be retrofitted to the point of use-able, while not altering it significantly beyond that. If it doesn't meet the needs of Boise residents, another pool should be opened in the vicinity. | 3/1/2022 3:01 PM |
| 637 | Just like collectable cars, this is a piece of history. Current history that can still be used and appreciated. It's integrity should be kept intact with the only exception being handicapped accessible. This is pool is huge to property values of neighboring homes. Mid century modern is what the neighboring homes were designed by. | 3/1/2022 2:58 PM |
| 638 | I would like to see this pool reopened with minimal changes to the historical structure. | 3/1/2022 2:55 PM |
| 639 | TURN IT INTO A SKATEPARK! | 3/1/2022 2:48 PM |
| 640 | A nice community pool is an asset to the neighborhood | 3/1/2022 2:42 PM |
| 641 | I think it is important to keep our historic areas and buildings intact. | 3/1/2022 2:38 PM |
| 642 | Instead of tearing down the pool structure, turn it into a small skatepark for the community to enjoy. This would be cheaper than many of the other options. | 3/1/2022 2:32 PM |
| 643 | I think adding a few extra obstacles to make it a proper skate park would be wonderful and it would still keep the beauty it once had. but now people are able to visit almost year round instead of just in summer months. | 3/1/2022 2:31 PM |
| 644 | Creating a local community skate park for bikes, scooters, roller blades, skateboards etc | 3/1/2022 2:27 PM |
| 645 | Are we going to retain nothing outside of touristy venues (ie: the penitentiary) that truly preserve any of the charm or history some of Boise's neighborhoods once had and are trying to hold onto? | 3/1/2022 2:27 PM |
| 646 | Because renovation in the pool could be as easy as waxing the bowl if you take the skatepark route | 3/1/2022 2:26 PM |
| 647 | I like the location | 3/1/2022 2:25 PM |
| 648 | It fits the answers I gave earlier in the survey. | 3/1/2022 2:25 PM |
| 649 | Could a water park be added with the current pool. So many of the Bench's historical architecture are being torn down, including South Junior High. It was be nice to keep the flavor of South pool and add additional amenities that would keep our kids entertained in the summer months. | 3/1/2022 2:20 PM |
| 650 | Keep old pool for historic porpoise. New is better. Indoor year round use would be ideal. | 3/1/2022 2:14 PM |
| 651 | Keeping it as original as possible | 3/1/2022 2:13 PM |
| 652 | I'd rather keep the pool there in some form than have it moved away from the neighborhood entirely. I don't think a community garden is a good idea for that location. A playground would be a better option if it can't be a pool. | 3/1/2022 2:05 PM |
| 653 | Still want a pool there, should be as good/big as city can afford, even if not keeping existing structure. | 3/1/2022 2:04 PM |
| 654 | Renovating is putting lipstick on a pig. The current structure is minimally significant from a historical perspective except for the art deco entrance. Build a facility that is more accessible, more easily maintained, and better overall. | 3/1/2022 1:56 PM |
| 655 | the opportunity to keep some aspects and turn it into a skatepark | 3/1/2022 1:56 PM |
| 656 | It would be lovely as a pool and new parts at the back would be neat, the front should not change though! I also like the idea of it being a skatepark | 3/1/2022 1:53 PM |
| 657 | it is too old to repair or remodel young children and parents need shade structures a splash pad would be nice too | 3/1/2022 1:44 PM |

| 658 | I think it's important to try & maintain historic structures that community cares about, but that is functional, safe & makes sense monetarily to keep! | 3/1/2022 1:40 PM |
|-----|--|-------------------|
| 559 | I want to see it stay | 3/1/2022 1:39 PM |
| 660 | I believe a skatepark would be amazing at this location. Giving kids on the bench a secure and close place to skate. Also growing the Boise skateboard community. A community that grows immensely year by year. For me, skating growing up gave me everything, community, friends, growth, a safe space, and it kept me out of trouble. This would be an amazing place to creatively turn into a skatepark while not having to extremely go overboard on demolishing the current structure. The pool could be reconstructed into a sweet bowl. And possibly a indoor space for skaters in the winter? | 3/1/2022 1:39 PM |
| 661 | Boise gets HOT in the summertime, and kiddos and families need a place to find relief that is accessible, safe and affordable, regardless of where they live. | 3/1/2022 1:38 PM |
| 662 | The pool has historic value to the city of Boise and this option makes it accessible by retaining that value. | 3/1/2022 1:36 PM |
| 663 | I love how it looks | 3/1/2022 1:36 PM |
| 664 | I would like to see it stay the same and be used as a skatepark | 3/1/2022 1:31 PM |
| 665 | I would like to see the pool preserved for historical reasons. Maybe it would be too costly to update it so it can serve as a pool. We should look at turning it into a skatepark instead. | 3/1/2022 1:15 PM |
| 666 | There needs to be an option for renovating the pool to accommodate a skate park. | 3/1/2022 1:08 PM |
| 667 | I don't care if it isn't ADA accessible. I like it the way it is. | 3/1/2022 12:58 PM |
| 668 | I think expansion with a nod to the past is the best balance. If that's crazily expensive, starting over on the same site would a satisfactory second choice. | 3/1/2022 12:57 PM |
| 669 | It seemed to be the better option from what was offered. | 3/1/2022 12:57 PM |
| 670 | it updates the pool to be more accessible and with more features, but keeps the historic front entrance. | 3/1/2022 12:56 PM |
| 671 | As much as we love nostalgia, there isn't anything so beautiful about this pool's original architecture that would be a shame to tear down, like a cathedral or an old castle. Keeping it how it is to be an ugly historic structure isn't a very good use of public funds or space. | 3/1/2022 12:51 PM |
| 672 | I want to keep the historic front, but make the pool more safe and functional for all. | 3/1/2022 12:50 PM |
| 673 | South pool was meant to serve the depot bench neighborhood. It doesn't need to be huge, just a great place for neighborhood kids to swim. Hoping it doesn't relocate as we walk there with towels around our shoulders all through the summer! | 3/1/2022 12:46 PM |
| 674 | Of the options you listed, this one aligns most with my values. However, the school district did a wonderful job of incorporating the original corner of the old South Jr. High into the amphitheater. If if was possible to retain the art deco feature but build and entirely new pool structure on the same location, I would favor that option. | 3/1/2022 12:33 PM |
| 675 | If it is still in the neighborhood, this seems like the biggest bang for your buck. | 3/1/2022 12:29 PM |
| 676 | Although I do like the current pool there is little room to do anything unless you are in the water. There is little space for chairs, lounging, walking around. It would be nice to landscape the area with a shade tree as well as native drought tolerant plants found in southern Idaho. It could be a showpiece for future landscape possibilities and ideas for both public, residential, and commercial properties. Think of a resort in Arizona or Palm Springs! | 3/1/2022 12:28 PM |
| 677 | Build a park keep the front facade in place as a historical marker | 3/1/2022 12:21 PM |
| 678 | I've seen too many of historic buildings demolished in Boise. Keep some of the history alive. It makes for a unique city. | 3/1/2022 12:19 PM |
| 679 | The historic pool is important to retain. If ADA integration, particularly ramps or lifts is problematic, an adjacent ADA compliant pool might need to be considered, perhaps using the historic pool for adults only. | 3/1/2022 12:18 PM |
| 680 | I like that there would be a swimming pool in the same location, retain the historic front while making updates to the rest of the structure to modernize. Keeping a pool in that location is my highest priority. | 3/1/2022 12:17 PM |
| 681 | The site is historical but creating a more accessible environment is a higher priority. Its a nice area with a large park so kids can play at both locations. An old building isnt historic because it's old. it's historic because of the community that gathered there and used that space. If you have to construct a new pool try and keep it in the same location for the sake of the community that was built around it | 3/1/2022 12:14 PM |
| 682 | This pool has not been utilized. Kids and family's do not spend their time the way they did in the past. Pools are a maintenance and upkeep drain, not to mention the liability and manpower. Remove the pool's and leave the area open. | 3/1/2022 12:11 PM |
| 683 | I could have easily picked the choice before and after my selection, would be happy with all those options, I would just like to see the pool reopen in this same neighborhood/location. It's such an important part of the Bench neighborhood and part of childhood memories. It's secures safe and engaged recreation for neighbored kids during the summer when they're out of school. | 3/1/2022 12:11 PM |

| 684 | I think it addresses both issues. However, since there are two pools, lowell and south- can we only keep one? | 3/1/2022 11:59 AM |
|-----|--|-------------------|
| 685 | I would honor the history but make enhancements. This is why I love Boise! Amazing historic buildings kept in tact but reused into shops. Do not change this! Just renovate what's needed but keep the entrance or something honoring history. | 3/1/2022 11:53 AM |
| 686 | This scenario keeps a lot of the structure history. But also leaves room for improvement to make it accessible to all. | 3/1/2022 11:48 AM |
| 687 | The entrance is really the most iconic part of the space and its possible to design a new facility that preserves it (even if the entrance structure itself needs to be relocated to allow for more space). | 3/1/2022 11:41 AM |
| 688 | I believe the city should make the necesary updates for safety and accessability but I just really want a neighborhood pool open close to home. My son will be 12 this summer, spending his last summer at a Parks and Rec Playcamp. He is an only child and the thought of him riding his bike all the way to Borah pool alone, even with the Cassia Bikeway upgrades, honestly makes me nervous. I really want an option for him to do something fun in the summer close to our house. | 3/1/2022 11:41 AM |
| 689 | I think it's important to keep the overall historic looks | 3/1/2022 11:37 AM |
| 690 | A pool in that neighborhood is important to the community. Either replacing the pool with an inground pool at the same location or finding a new location for one would be beneficial. Remove that old pool and go ahead with something useful for everyone. | 3/1/2022 11:32 AM |
| 691 | I selected build a new pool in this location but I would be happy with building a new pool in a different location as well. I would like to see a neighborhood pool on the Central Bench that is cost effective or affordable, serves as many residents as possible, accessible to all individuals and has modern day amenities. | 3/1/2022 11:29 AM |
| 692 | Obviously, something needs to be done. Retain the historical character and improve upon it. | 3/1/2022 11:25 AM |
| 693 | No idea if it fills to capacity but smaller neighborhood pools closer to population served should be the goal, not less pools of larger capacity which force children and families to travel farther. | 3/1/2022 11:19 AM |
| 694 | Family time and history of boise | 3/1/2022 11:17 AM |
| 695 | I believe the City will not look at replacement, either at the current site or elsewhere, due to the cost of building a pool of any size these days. Therefore, this option seems the most feasible. | 3/1/2022 11:17 AM |
| 696 | I like that is preserves the history of the pool but makes it more accessible to all people in the neighborhood | 3/1/2022 11:16 AM |
| 697 | Important to me that much of the historic structure is preserved. Suggest adding ramp for wheelchair access but if zero-depth pool required for some with disabilities, would suggest other larger pools in area that already have that feature are available for use instead. | 3/1/2022 11:16 AM |
| 698 | We love the location and just want it reopened. It doesn't have to be fancy | 3/1/2022 11:11 AM |
| 699 | The state is bragging about having all sorts of revenue. Use some of it here. | 3/1/2022 11:09 AM |
| 700 | It is the best way to preserve historic significance and make it more accessible to all. | 3/1/2022 11:08 AM |
| 701 | I was born and raised in Boise, used this pool for many years, and would like at least some of Boise's history saved during this time when city government is doing NOTHING to slow the detrimental "growth at any cost". | 3/1/2022 11:07 AM |
| 702 | I like the concept of a neighborhood pool, I'd like to use it, but we should make it safer and better for everyone to use. | 3/1/2022 11:01 AM |
| 703 | We need larger year around facilities to serve a growing population. | 3/1/2022 11:01 AM |
| 704 | its a sentimental memory for us. as is South school | 3/1/2022 10:58 AM |
| 705 | Keeping the pool with minimal changes | 3/1/2022 10:55 AM |
| 706 | I personally feel like there are plenty of options of public pools around the city. And others that have more opportunity for renovations and growth. It seems a little unnecessary to have that many average to below average pools when resources could be used to have a few above average pools. But again, I'm not a parent yet and don't know what is appreciated by families when it comes to pool options. | 3/1/2022 10:54 AM |
| 707 | Would be nice to have a larger, better, accessible facility. | 3/1/2022 10:53 AM |
| 708 | I would like the pool to be available and understand that the most ideal solution is not always financially feasible. I trust the city to use sensitive judgment in the final analysis. | 3/1/2022 10:32 AM |
| 709 | The central location of this pool serves the area well. Renovating the pool will leave you an old pool renovated, not large enough to serve the current growth of Boise. | 3/1/2022 10:31 AM |
| 710 | You need another option: Reopen the pool as is and build another pool nearby that meets identified needs. | 3/1/2022 10:30 AM |
| 711 | i like the look of the front of the building. reminds me of my childhood! i think making it accessible for more people would be amazing | 3/1/2022 10:28 AM |
| 712 | keep the pool and reopen it | 3/1/2022 10:28 AM |
| 713 | I think a public pool is a waste of money and water resources. The space should be reimagined into a park or community garden | 3/1/2022 10:24 AM |
| | | |

| 714 | I chose this because I'd like to see some of the history of Boise retained. Please do the work in the off season so the pool can be open this summer. | 3/1/2022 10:24 AM |
|-----|---|-------------------|
| 715 | The fact that there are around a dozen of these uniquely designed pools in the nation makes it imperative to try and preserve the two pools we have in Boise. There are many pools in the Boise area that are easier for a broader range of people to access. People have choices when deciding what pools to go to, and it is wonderful to chose pools based on differences rather than make all the same. | 3/1/2022 10:23 AM |
| 716 | I appreciate the historical significance of the pool and think that it should be saved. There are not many public buildings (or really private buildings) from this era left in Boise. | 3/1/2022 10:13 AM |
| 717 | South and Lowell pools are historic gems and provide a wonderful swimming experience. They must be reopened without changing that experience. | 3/1/2022 10:08 AM |
| 718 | This area needs a new pool while I considering keeping Lowell pool as a historic feature in an already historic area of town. | 3/1/2022 10:08 AM |
| 719 | Rebuilding the entire pool would be a huge expense, if doing necessary renovations is more cost effective go they way and add in any additional features. | 3/1/2022 10:08 AM |
| 720 | Can the structure be retained exactly as is and be repurposed? Skate park? | 3/1/2022 10:05 AM |
| 721 | It's a great get away for the kids. | 3/1/2022 10:03 AM |
| 722 | I like the idea of adding a childrens area (splash pad, shallows, etc). Not possible with the existing structure but maybe next to it if rennovaions and space allow? | 3/1/2022 9:47 AM |
| 723 | I like the history of the pool | 3/1/2022 9:42 AM |
| 724 | I need close access to a local pool to do pool therapy several times a week. Limited budget cannot afford memberships. | 3/1/2022 9:42 AM |
| 725 | It would be great to have additional amenities, but at a minimum I would love for it to be opened up so we can enjoy it, regardless if amenities are added, or it's just as it is. | 3/1/2022 9:38 AM |
| 726 | I think a pool should remain in this location and would love to see the structure remain or some of it. I am open to renovating and changing it so long as some historical pieces can remain. | 3/1/2022 9:37 AM |
| 727 | I don't want to see this important neighborhood amenity closed permanently. | 3/1/2022 9:33 AM |
| 728 | Keeps the historic pool as-is, improves accessibility, and minimizes cost. | 3/1/2022 9:32 AM |
| 729 | None | 3/1/2022 9:30 AM |
| 730 | Maintaining the historical front of the pool is extremely important to me. | 3/1/2022 9:18 AM |
| 731 | I think the location should be renovated. Additional pools should be planned in the future but I think it would be best if one pool was updated then a second newer one be planned in the future so families can still enjoy the activity. | 3/1/2022 9:17 AM |
| 732 | The aesthetics of it. It represents the history of boise | 3/1/2022 9:15 AM |
| 733 | Everyone should have the opportunity to enjoy swimming in the 90+ degrees of summer. Mayor's decision to keep them closed for 2 summers is not beneficial to our youth but I would question how many on city council can swim and enjoy the water?? | 3/1/2022 9:15 AM |
| 734 | This choice would best serve the community and allow the pool to be built from the ground up with design and technology made to last. | 3/1/2022 9:13 AM |
| 735 | This pool has been important to many generations of my family. Times have changed but not everything has to | 3/1/2022 9:11 AM |
| 736 | I believe it is important to retain the historic architecture of city owned properties to the greatest extent possible while making necessary improvements for safety and functionality. Historic preservation should be an important consideration along with preserving such important neighborhood recreational opportunities. This area desperately needs more accessible recreational opportunities and it is crucial that this property be preserved and utilized for the area residents. | 3/1/2022 9:08 AM |
| 737 | I feel that Boise has a lot of history that is valuable and as much as possible historic structures should be preserved and updated leaving as much historic structure as possible | 3/1/2022 9:05 AM |
| 738 | I like the above ground enclosed pool with some modifications and updates but keep the same building idea. | 3/1/2022 9:05 AM |
| 739 | I took swimming lessons there in the 60s. | 3/1/2022 8:57 AM |
| 740 | Because this structure needs to stay in tact for its historical significance. A new site should be determined for an updated community pool. Perhaps add a garden on the grounds of the existing site with some informational signs would be a nice way to create context | 3/1/2022 8:55 AM |
| 741 | Fix the safety issues and preserve the face of it. It has functioned well the way it has been for years, no need to tear it down and destroy it to. Leave it the way it is and make it function the way it is. It has worked this way for years and can continue to. No need to completely destroy it and do something fancy. It is fine the way it is. | 3/1/2022 8:54 AM |
| 742 | because I think the city should pay whatever needs to be paid to reopen the pool | 3/1/2022 8:53 AM |
| | | |

| 744 | The material is all outdated. If changes are made than material should be updated to last another 20-40 years. And keeping location is significant to childhood memories and regular meet up spots. | 3/1/2022 8:49 AM |
|-----|---|------------------|
| 745 | I think preservation of historic architecture is important, even if only the entrance is preserved. This pool is an important community access point for an underserved area. | 3/1/2022 8:49 AM |
| 746 | The neighborhood kids need a pool! And in that spot. | 3/1/2022 8:41 AM |
| 747 | Structures like these are what make people walk by and smile and wonder about earlier days! I'm begging you not to start tearing down great old structures like this and others | 3/1/2022 8:38 AM |
| 748 | If historical sites can be upgraded safely but still have the history behind it. Makes for a good learning place of how things where so people don't forget the past. | 3/1/2022 8:32 AM |
| 749 | Because the pool should remain a small neighborhood pool. | 3/1/2022 8:31 AM |
| 750 | I hate seeing historical buildings torn down. | 3/1/2022 8:30 AM |
| 751 | I think a combination of a few options could be ideal—finding a way to maintain some piece of the current pool while reimagining the current space, and placing a new and more functional pool in a new location (still in the neighborhood!). | 3/1/2022 8:30 AM |
| 752 | I always liked it's small size and unique attributes. I completely understand that it needs updating | 3/1/2022 8:28 AM |
| 753 | We lived close to the pool for 21 years, had three children grow up there. The pool was the highlight of summer. Meeting friends at the pool, making new friends, being able to walk or ride their bikebeing able to be a kid and being a little independent. That is something that has been taken out of childhood the pool lets kids be kids! | 3/1/2022 8:27 AM |
| 754 | least change as possible keep existing structure | 3/1/2022 8:26 AM |
| 755 | I appreciate the history and design of this pool. Although a new pool may had additional features and amenities, it will likely not bring the character and small town feel this pool has currently. I think that need is being met by Quins pond, the nadatorium, and other improved pools on meridian and near Borah High | 3/1/2022 8:26 AM |
| 756 | The pool was put next to the scool for a reasonits a great location for a community pool. I'm sure the developers are chomping at the bit to get that piece of our public landin the name of affordable housing that No one serviced by this pool could afford or moving the pool to somewhere else that would now serve a community purchasing new living space around the pool. | 3/1/2022 8:24 AM |
| 757 | I'm all about making it accessible and inclusive, but at the same time I think if we keep making huge changes it's going to prevent humans from making some changes they need to in their life. Some of the things we keep altering is for the accessibility of people unwilling to keep themselves healthy and "maintained" as well. | 3/1/2022 8:23 AM |
| 758 | Renovation keeps the history and achieves the safety objectives. I don't think the cost is an issue. | 3/1/2022 8:21 AM |
| 759 | I wish to keep a neighborhood pool at that location - that is my highest priority. Depending on what the redo would look like, I might support it being completely redone, but would like to keep the neighborhood pools that are able to be walked to. | 3/1/2022 8:21 AM |
| 760 | Retain and honor Boise history while making adjustments and modernization in areas of the structure to maintain longevity | 3/1/2022 8:12 AM |
| 761 | I would like to keep the pool just as it is, but a larger deck would be nice. This would be my best scenario if the project is a go. However, I think it's very important to open the pool as soon as possible with minimal changes, so, I am ok with also just fixing the issues without any optional additions. This pool is so important to the neighborhood. Please consider these options. | 3/1/2022 8:10 AM |
| 762 | As long as the outside is preserved, the location of South pool makes South Jr HS a safer community. | 3/1/2022 8:10 AM |
| 763 | I love the front but realize that when it was built there weren't accessibility requirements like there are now. If the back deck was expanded and improvements made while keeping the historic lookthat would be ideal. | 3/1/2022 8:07 AM |
| 764 | I grew up in Boise and seeing one more historical structure demo'd breaks my heart. These two structures serve a needing public, preserve history, and remain a sense of community pride. It deserves to remain a part of the community. | 3/1/2022 8:06 AM |
| 765 | Pools are safer than canals | 3/1/2022 8:05 AM |
| 766 | To best serve the community, a neighborhood pool needs to be adequate in size to accommodate the community. | 3/1/2022 8:00 AM |
| 767 | I would like to learn more about the rebuilding and relocation plans and how those plans would impact and serve the surrounding neighborhoods | 3/1/2022 8:00 AM |
| 768 | Make the appropriate updates and keeping the historic fun front! | 3/1/2022 7:59 AM |
| 769 | The seems like our historical structures are removed everywhere in the valley. When will we start to retain our history. | 3/1/2022 7:59 AM |
| 770 | I would like to have chosen to renovate the pool and protect the historic design regardless of cost, but realize that this may be cost-prohibitive, so I made my decision based on flexibility to | 3/1/2022 7:56 AM |

promote getting the project completed in the best preservation way, keeping inclusion and safety in mind. Please consider holding events there to generate income & interest for the project!!!

| | project!!! | |
|-----|---|------------------|
| 771 | History | 3/1/2022 7:54 AM |
| 772 | Our community is growing and although the pools do have historical value they need an update to accommodate a larger more inclusive population. | 3/1/2022 7:53 AM |
| 773 | By renovating and updating the city could recoup any long term debt or cost by not only charging admission but using the space for events. I would encourage the city to build new pools at both sites and then put events as the focus of income for the newly renovated pools | 3/1/2022 7:52 AM |
| 774 | Like the historic nature. Less expensive to redo | 3/1/2022 7:47 AM |
| 775 | Improve the facility as much as possible without removing the cultural and historical significance | 3/1/2022 7:45 AM |
| 776 | Would like to see additional access options implemented while maintaining a modicum of historic nature | 3/1/2022 7:35 AM |
| 777 | We need to preserve our historic buildings but still be able to use them. | 3/1/2022 7:27 AM |
| 778 | Keep it simple. Keep the pool or tare it down and build one comparable with the necessary updates to be in compliance with the American Disabilities Act. | 3/1/2022 7:24 AM |
| 779 | It has historical significance and too many buildings in Boise have been destroyed and many buildings these days lack character or depth. They are extremely bland architecture. Perhaps a donation pool could be started for those who want to retain and restore the old historic pools. | 3/1/2022 7:20 AM |
| 780 | It's a middle ground to maintain the historic but to also allow for updates | 3/1/2022 7:16 AM |
| 781 | my family would still love to participate in the pool. we acknowledge that changes have to be made to make it safe but feel it would be worth it in end! | 3/1/2022 7:16 AM |
| 782 | Compromise between historical value and function. | 3/1/2022 7:15 AM |
| 783 | I think it's important to keep the front of the pool the same. | 3/1/2022 7:15 AM |
| 784 | Featuring the pools historic nature is integral to maintaining the character and culture of the Boise Bench. Updating and restoring the pool for use will allow future generations to enjoy this space the way our grandparents, parents, and we did before them. I had hours of wholesome fun at South Pool in my childhood, adolescence, and adult life in it's current state. I can easily see my children and grandchildren one day enjoying it just as much as I did without any major changes. Structural integrity and accessibility are important in establishing this landmark as a keystone summer recreation site for years to come. | 3/1/2022 7:13 AM |
| 785 | I want the city to know that I think the pool is important and I trust them to make the right decision on updating the pool. | 3/1/2022 7:07 AM |
| 786 | I'm open to completely reimagining the pool area and keeping the entrance. And even moving the pool (keep The entrance where it is) as long as the pool is within 1-2 miles of current location | 3/1/2022 7:02 AM |
| 787 | I think the city could always use more parks and gardens. Please do not get rid of it and turn it into more luxury apartments that no one can afford. | 3/1/2022 7:01 AM |
| 788 | There's no since in repairing an old, not practical facility especially at the cost that it would require to do so | 3/1/2022 6:50 AM |
| 789 | I love the front entrance to the pool. It reminds me of a simple joy in life. And I highly value access for all so addressing those needs in addition to safety and quality while retaining the front entrance would be my preference. Thank you for asking us! | 3/1/2022 6:44 AM |
| 790 | This historic structure needs to remain while being accessible for future generations to create new memories. | 3/1/2022 6:40 AM |
| 791 | It seems like that option strikes the best balance between equitable access, use value to the neighborhood, and historical preservation. | 3/1/2022 6:38 AM |
| 792 | This pool is so important to us in the Depot Bench. | 3/1/2022 6:35 AM |
| 793 | Community pools are good for neighborhoods and folks to get together. Prefer to use the existing pool but chose a rebuild only because it seems the fixes needed are substantial for the existing one. If I'm mistaken then fixing the existing would be the better optionbut more space is needed. | 3/1/2022 6:35 AM |
| 794 | I don't want to see the pool torn down | 3/1/2022 6:30 AM |
| 795 | I think the possibility to update AND keep the historical elements would be amazing. I love the charm of south pool but am also disabled and would like easier access to the pool. | 3/1/2022 6:21 AM |
| 796 | Practicality and affordability. I realize that designs and structures have a life span as well. | 3/1/2022 6:16 AM |
| 797 | It seems like the most responsible decision. | 3/1/2022 6:14 AM |
| 798 | Very sad thing they can't reopen the way it is | 3/1/2022 6:13 AM |
| 799 | Want it to retain its historical look, plus reopen it to kids. | 3/1/2022 6:10 AM |
| 800 | I feel strongly a pool needs to remain in the neighborhood. This area has a lot of low income families that may be unable to travel outside the Bench!! I have preference for historical | 3/1/2022 6:08 AM |

| 801 | retention, but most important is the amenity itself located and available to kids on bikes! Less costly but makes it usable | 3/1/2022 6:07 AM |
|-----|--|--------------------|
| 802 | A pool is a good idea. The dopey mayor closed the pools using covid as a convenient excuse - the pool was a dangerous place to hang out. Time for a good pool with an indoor component. And then price a summer pool pass for ALL city pools at about the cost of roaring springs. | 3/1/2022 5:38 AM |
| 803 | We absolutely love the historic value this pool brings to our neighborhood, however having a pool in the neighborhood feels even more important. Please open the pool for all to enjoy and please do not relocate. Thank you! | 3/1/2022 5:37 AM |
| 804 | So much of Boise's history is being torn down and it's our history that is being removed. | 3/1/2022 5:34 AM |
| 805 | Location and needs of people on central bench. | 3/1/2022 5:31 AM |
| 806 | There has to be a way to keep the facade and make the pool accessible. If you were to maintain the face of the structure and have an architect make a new body that exactly matches the old body aesthetically but can be expanded to fit the new accessibility requirements, that would be the best bet. | 3/1/2022 5:17 AM |
| 807 | history matters | 3/1/2022 4:56 AM |
| 808 | The pool fits within the site. Make it better and let the next generation learn swim in there neighborhood. | 3/1/2022 4:56 AM |
| 809 | Would like to see the pool reopen in the same location . Walking distance from our house . | 3/1/2022 4:54 AM |
| 810 | Keep the pool the same. There are plenty of pools for disabled people to go to. Make the hours of ALL pools 9am to 9pm with any downtime like other states and cities manage to do. | 3/1/2022 4:52 AM |
| 811 | It is one of a few left remaining. We need places like this to remember our history. If it can be done do what we can to save them without changing the historical value | 3/1/2022 4:47 AM |
| 812 | Unfortunately cost is going to be a factor, I would just like to have a pool for the community | 3/1/2022 3:48 AM |
| 813 | It seems like maybe the most likely one the city would go with. The most affordable. Get what needs to be done to get it reopened. Also fundraisers. So many are passionate about this pool I bet you could do a fundraiser and raise enough to get the work needed done. | 3/1/2022 3:35 AM |
| 814 | I do think a pool that is more accessible in that space would be nice. One of the reasons we bought our home was it's location and ability to access a local pool for our kids. | 3/1/2022 3:20 AM |
| 815 | It's important too keep the pool as close too how it was originally built but updated so it will be structurally safe. | 3/1/2022 3:03 AM |
| 816 | Maybe tearing it down and starting over would be cheaper (you know how renovations go) but whichever way of remodeling the pool and reopening it to the public (new, clean, inviting!) would be great for the public, especially for low income kids | 3/1/2022 2:42 AM |
| 817 | I think we should maintain this beautiful, historic structure so that this and future generations can enjoy it. | 3/1/2022 1:28 AM |
| 818 | I think keeping the historic front is a good idea, but worth forgoing if needed for accessibility for everyone and possibly a larger pool | 3/1/2022 1:27 AM |
| 819 | The pool needs to reopen but as much historic parts need to be retained. Once this is gone, it's gone. We lament the tearing down of historic buildings downtown. | 3/1/2022 12:46 AM |
| 820 | I don't understand why the city maps I have seen for other reasons show a new Owyhee bench pool blocks away. As if our responses don't matter and decisions have already been made. | 3/1/2022 12:29 AM |
| 821 | I think maintaining as much of the historical structure as possible is good for the feel of the neighborhood, but I also want more people to enjoy the pool that might not be able to with the current design. | 3/1/2022 12:19 AM |
| 822 | Would be sad to see it torn down and it's such a shame if it was not restored | 3/1/2022 12:18 AM |
| 823 | I want to keep the history of the pool while continuing to have it serve many more generations. My husband grew up going to that pool and it is our dream that our kids will have similar memories. | 3/1/2022 12:06 AM |
| 824 | HISTORICAL PRESERVATION! stop sledgehammering out history!!! | 2/28/2022 11:58 PM |
| 825 | I like the old school feeling | 2/28/2022 11:46 PM |
| 826 | You have responsibilities to offer and maintain amenities with in your budget area that improve, maintain and enhance the pulled good. | 2/28/2022 11:45 PM |
| 827 | It preserves the history while updating and addressing issues such as handicap accessibility. | 2/28/2022 11:42 PM |
| 828 | I think it would be ideal to maintain as many historic elements as possible while prioritizing safety and accessibility for all. | 2/28/2022 11:38 PM |
| 829 | I already shared some of my opinions before. Why is this even a survey, you should have renovated the pools with minimal changes years ago and been done with it. You're making enough money from our property taxes and with all of the insane development you have also encouraged and allowed I'm sure you have enough money to do it. I am so sick of this, FIX THE POOLS! | 2/28/2022 11:37 PM |
| 830 | I would like to see some of the historical aspects saved, but feel it needs to have updated features | 2/28/2022 11:32 PM |
| | | |

| 831 | Ultimately any option that allows the pool to be open would be best, but preserving the front would an amazing bonus! | 2/28/2022 11:27 PM |
|-----|---|--------------------|
| 832 | It's a great location and there are kids in need of a safe place to play. | 2/28/2022 11:22 PM |
| 833 | Reimagining the space and starting with a blank slate is intriguing but I would want to know the concrete plan. If it was a community garden, I'd want to learn more about that plan. The pool is already there. Seems logical to improve the existing structure/activity that can already take place in that space. | 2/28/2022 11:12 PM |
| 834 | History and innovation combined. | 2/28/2022 11:06 PM |
| 835 | Allow communities to have recreation accessible to the kids | 2/28/2022 11:04 PM |
| 836 | we want the location to stay where it is. | 2/28/2022 11:01 PM |
| 837 | It retains the original architecture, removes the hazardous material, renovates/repairs the structure, and allows for ADA compliance/inclusion. New construction for access would have Art Deco elements/style to blend with the existing structure. Let's not bulldoze our historical structures, please. | 2/28/2022 10:56 PM |
| 838 | I really like the location of the current pool and would prefer to keep it there in some form. My second choice option would be to renovate the pool to address deficiencies and add additional amenities. A pool for the Depot Bench community is a priority to my family. | 2/28/2022 10:47 PM |
| 839 | The pool is a symbol of the neighborhood | 2/28/2022 10:45 PM |
| 840 | Because it really needs an update but it should keep that historical entrance ans should really be re opened for people to enjoy | 2/28/2022 10:40 PM |
| 841 | Let's do whatever creates the safest most affordable option for the most neighborhood residents | 2/28/2022 10:37 PM |
| 842 | I think the pool needs updates and needs to be kept in good shape but it is a rare and unique design that is historical to Boise and it is a necessary public space for those on the bench who don't have a lot of options. | 2/28/2022 10:31 PM |
| 843 | It's a historical landmark that fills a real need! | 2/28/2022 10:21 PM |
| 344 | It's a historic landmark in the area. If it cant reopen I hope it remains as is | 2/28/2022 10:19 PM |
| 845 | I like the idea of current location but I like the idea of making it larger to serve more & make it wheelchair accessible. | 2/28/2022 10:11 PM |
| 846 | Most cost effective. Why are only a few remaining in the USA. It's because they were smart and moved on. That's life. But keep it here. All the nice things go to the North End (where all the council happens to live!) | 2/28/2022 10:07 PM |
| 847 | Love art deco | 2/28/2022 9:56 PM |
| 848 | It should be left as is because it could not be modified to accommodate special needs without major structure modifications that would destroy what it is. There are many other pools in the valley that can accommodate special needs people. It is not about money. The mayor finds money for everything she wants to do, so make it work. She will tear it down anyway just like she has done with the rest of our city. | 2/28/2022 9:54 PM |
| 849 | Update it for the modern day but keep the historic front | 2/28/2022 9:51 PM |
| 350 | I think this area is better served by a multi-use facility or something like a community garden. | 2/28/2022 9:51 PM |
| 851 | South pool was a crucial part of my childhood and the building is unlike any other. It's so cool why change it? Just make a ramp | 2/28/2022 9:49 PM |
| 852 | It's the historical piece of the building that you first see. Just like South Junior High. They kept the front piece of the library. | 2/28/2022 9:49 PM |
| 853 | These options make it obvious the City wants to tear the pool down. This would be a regrettable loss in yet another historic piece of Boise's neighborhoods, and demonstrates a shocking lack of creative thinking for how the structure could be integrated into a reimagined park and pool. | 2/28/2022 9:43 PM |
| 854 | It will meet the needs imho | 2/28/2022 9:38 PM |
| 855 | I like the central location and that the pool serves the neighborhood. Our income was much lower when our kids were little — one parent stayed home with kids — and in those years when it would have been so lovely to have a neighborhood pool within easy walking/biking distance, it was not geared for young kids. | 2/28/2022 9:37 PM |
| 856 | Preserving historic buildings helps Boise maintain its uniqueness. | 2/28/2022 9:29 PM |
| 857 | It makes sense to utilize a bigger space with more amenities to accommodate more of the community. Usability and function are more important than historic value in this scenario. | 2/28/2022 9:27 PM |
| 858 | As a native I think it's important to keep Boise's history. | 2/28/2022 9:25 PM |
| 359 | I went to school at south and the pool was a huge draw for the entire community. | 2/28/2022 9:25 PM |
| 360 | I think a way to keep the pool is most important to our community and neighborhood. It offers an opportunity that many in our community may not get. | 2/28/2022 9:24 PM |
| 861 | Not real interested in the history of the pool. We are desperate for pool resources and lives are at stake - get a pool open and teach people how to swim. | 2/28/2022 9:22 PM |

| 862 | We are a family of five and swimming is one of our favorite summer time activities, but as it stands right now we have to go to the other public pools because we have a toddler and south pool is not toddler friendly. We have over twenty kids 14 and under just on our little neighborhood. We would be at south everyday if it was toddler friendly and so would our neighbors. Please keep it a pool it's so important to our amazing bench neighborhood. Just make it toddler friendly as well as assessable to all people. Thank you! | 2/28/2022 9:22 PM |
|-----|---|-------------------|
| 863 | I'd prefer a newer updated pool over the current one. | 2/28/2022 9:21 PM |
| 864 | Keeping the history, yet integrity, is important to the Bench | 2/28/2022 9:20 PM |
| 865 | I debated the answer I chose and the one for building in a new location but feel like the bench needs access to a pool and I am not sure where else you might build. | 2/28/2022 9:20 PM |
| 866 | The pool is vital for this neighborhood. | 2/28/2022 9:17 PM |
| 867 | The design and historic nature of the pool is worth preserving, but it would would be better if it were a little bigger and catered to young kids | 2/28/2022 9:15 PM |
| 868 | It's part of the history of the area. Love the look. Try to preserve it as much as possible please. | 2/28/2022 9:13 PM |
| 869 | We would like to see the pool opened as quickly as possible. | 2/28/2022 9:11 PM |
| 870 | I like that the original design wouldn't be completely lost. I understand the need to make it more accessible- so making an alternate entrance to the top side of the pool seems like a good compromise. Other pools in Boise might end up being better options for ADA regulation in general though but this pool is a fun historic piece of the community. | 2/28/2022 9:09 PM |
| 871 | We need a functional neighborhood pool and the current site is inadequate | 2/28/2022 9:07 PM |
| 372 | The location is most important | 2/28/2022 9:04 PM |
| 873 | The historic building is important. Accessibility is important. I could support additional amenities or updates if the front was maintained and accessibility for everyone was addressed. | 2/28/2022 9:04 PM |
| 874 | It's clear the pool needs updated and needs to be suitable enough to make a profit or have a reason to keep the doors open. It will still keep its historical look with upgrades to encourage the public to come. | 2/28/2022 9:03 PM |
| 875 | I would want to see the costs of the different options. Also I would likely be in favor of preserving one pool, and not both depending on cost and ability to build a more functional pool | 2/28/2022 9:02 PM |
| 876 | I like the location and historical character of South pool, but agree renovations are necessary to make it accessible. Potentially preserve the front of the pool, but build a new single level pool facility behind it similar to the remodel at South Jr High that kept part of the original building as an outdoor stage. | 2/28/2022 9:02 PM |
| 877 | Saves design and improves functionality | 2/28/2022 9:00 PM |
| 878 | Community center Places like the YMCA will be down for a period of time and would be a great time to add a rec/senior/community center to facilitate the lack of the private sector. Could pay for itself. | 2/28/2022 8:57 PM |
| 879 | I would love to see updates and even more space but I love the front design. It's so fun and different and I feel it fits the neighborhood. | 2/28/2022 8:53 PM |
| 880 | I want a pool for the existing neighborhood. I want a guarantee that the neighborhood would still have a pool. I grew up in Boise and I'd like to keep some "old Boise". | 2/28/2022 8:53 PM |
| 381 | It's too small of space to be a good, safe pool with access to all | 2/28/2022 8:49 PM |
| 382 | Maintain local neighborhood integrity | 2/28/2022 8:47 PM |
| 883 | It provides flexibility to update and add features that would increase its use while preserving the historic character | 2/28/2022 8:45 PM |
| 884 | The neighborhood values the pool, not necessarily the structural component of the pool. There are so many children that have benefitted and can benefit from this location. | 2/28/2022 8:42 PM |
| 885 | I would just love to have a pool at that location to serve the community. I don't know if it is cost effective to renovate or tear down. It doesn't matter, but I know many students that live in the area that missed having access to a pool. It is a healthy activity for the community and the bench neighborhood is growing. We have a whole new group of young children and future generations that would enjoy the pool. | 2/28/2022 8:42 PM |
| 886 | It's nostalgic to me, so I want it to continue to function | 2/28/2022 8:41 PM |
| 387 | Historical value to city | 2/28/2022 8:39 PM |
| 888 | While I wanted to select the "by any means necessary" option, I don't feel like that is very realistic. I think the next best option is the renovating and bringing up to code. There is some additional space to make the necessary improvements, I'd rather see the space change a bit than lose it entirely. I definitely don't want the pool closed permanently/relocated. | 2/28/2022 8:38 PM |
| 889 | I like to be reasonable and rational. Pools are nice but not worth an excessive amount because of history. | 2/28/2022 8:37 PM |
| 890 | It would be ideal if the pool could be reconstructed with more accessible entrances but maintain the overall historical feel of it. If the front entrance could be restored but maybe the | 2/28/2022 8:37 PM |

actual pool could be reimagined/reconstructed to be more inclusive and functional. Mix modern touches in with historical details.

| | touches in with historical details. | |
|-----|---|-------------------|
| 891 | We need a neighborhood pool | 2/28/2022 8:36 PM |
| 892 | The history and art could be lost forever - it would be a tragedy. | 2/28/2022 8:34 PM |
| 893 | I like that the pool front could be retained. | 2/28/2022 8:24 PM |
| 894 | There is plenty of space where the pool is located to significantly expand the facilities and start from scratch and keep the entrance architecture as some sort of water feature with splash pad. | 2/28/2022 8:23 PM |
| 895 | I think it's the most realistic option to allow the neighborhood to keep the pool. | 2/28/2022 8:21 PM |
| 896 | I think just mainly getting it back up how it was may not spark more visitors but if it's opened new and improved, more people will come to see what's been done. It's a way to stay relevant. | 2/28/2022 8:17 PM |
| 897 | A pool needs to be there, but keep that cool lookin entrance part. | 2/28/2022 8:14 PM |
| 898 | I think the renovations and ADA upgrades are necessary. But, I also think there is value in preserving the unique historic design as much as possible. Save these two treasures. New is not always better. I know this will be expensive, but IMO, well worth it. | 2/28/2022 8:13 PM |
| 899 | Keep the historic charm of the Bench!!!!!! | 2/28/2022 8:08 PM |
| 900 | Park | 2/28/2022 8:07 PM |
| 901 | A back deck and amenities to the rear would be nice. I don't see a need for a zero entry; other facilities in Boise have that. South Pool serves citizens from a wide range of abilities, backgrounds and socioeconomic statuses, and it has been a fixture in Boise for many decades and I would love to see it be updated and still retain its uniqueness and charm. | 2/28/2022 8:07 PM |
| 902 | It seems like it would be the least expensive way to get it back up and running. | 2/28/2022 8:07 PM |
| 903 | The pool needs to be compliant with ADA standard but should remain as close to original as possible to keep as as close to originality as possible. I enjoy looking at how unique it looks from outside and looks so different than any other public pool I've ever seen. | 2/28/2022 8:06 PM |
| 904 | It's a great pool- make it ADA compliant so all can enjoy | 2/28/2022 8:04 PM |
| 905 | Keeping the historic significance preserves the charm of the neighborhood. I do believe having a functional amenity nearby would be a huge value to the neighborhood. | 2/28/2022 8:04 PM |
| 906 | Iconic historical sites need maintained by kept. | 2/28/2022 7:59 PM |
| 907 | The most important thing to me is keeping a pool in the neighborhood in that location. | 2/28/2022 7:59 PM |
| 908 | Because moving the pool would likely mean that the city would decrease the number of pools available. And also likely move the pool closer to wealthier areas. We've seen this before (library as mentioned above). | 2/28/2022 7:59 PM |
| 909 | If these are the "only" options, I would rather have a pool that might be a bit smaller than no pool at all. I like having a pool in the neighborhood, instead of driving to a pool a couple of miles away that could be at "capacity". | 2/28/2022 7:59 PM |
| 910 | I want my daughter to be able to enjoy the pool this summer. Soon she will be to old and it's been a part of all of her summers until COVID. | 2/28/2022 7:58 PM |
| 911 | I would like to retain and keep the pool as is as much as possible but reopen it. | 2/28/2022 7:57 PM |
| 912 | Location is ideal | 2/28/2022 7:55 PM |
| 913 | Renovate old pool and put some lipstick on it. Build bigger pool behind. Have one for adults and one for children | 2/28/2022 7:52 PM |
| 914 | The depot bench must keep its history or become just another subdivision. South pool is one of the places that truly make it a neighborhood. I can hear the screaming of kids having good clean fun from my house. My sons and grandkids learned to swim there. We go twice a day when it's hot! All the kids in the neighborhood miss it! | 2/28/2022 7:52 PM |
| 915 | Access is important to the public. To make the pool usable again will require creative thinking and additional amenities to make it a desirable place for residents to visit. | 2/28/2022 7:51 PM |
| 916 | I think it's important to keep this historical landmark in the community as it has brought much joy to people all over the treasure valley. I believe that it's important to make this structurally sound and all around accessible and I would be comfortable seeing some of the structural aspects go away as long as the nostalgia and location of the pool stayed the same. | 2/28/2022 7:51 PM |
| 917 | To many historical sites have been destroyed. | 2/28/2022 7:50 PM |
| 918 | It needs to stay where it is | 2/28/2022 7:49 PM |
| 919 | I love having points of architectural interest in Boise | 2/28/2022 7:47 PM |
| | Because accessibility is important- but Boise has a TERRIBLE track record of massacring | 2/28/2022 7:47 PM |
| 920 | historical buildings when it comes to "improvements" and "additional amenities". | |
| 920 | I feel this pool is a neighborhood gem worthy of preservation and upgrade | 2/28/2022 7:44 PM |

| 923 | Retention of design with code updates. | 2/28/2022 7:36 PM |
|-----|---|-------------------|
| 924 | We would like an additional pool facility by any means. Renovate, move locations, I do not know what is the best value. It's clear we either need an enhancement or a new facility to bring this similar value to other neighborhood pools. I really appreciate the public pools but there aren't enough of them open right now. Please prioritize adding capacity back however it is possible. | 2/28/2022 7:33 PM |
| 925 | Keep pool in same neighborhood but make bigger for more uses. Design with some architectural details that pay tribute to the old pool | 2/28/2022 7:32 PM |
| 926 | More info | 2/28/2022 7:32 PM |
| 927 | The importance of the central location for the area. | 2/28/2022 7:30 PM |
| 928 | adds accessibility and safety while maintaining the historic, desirable front | 2/28/2022 7:24 PM |
| 929 | The pool could still be renovated without destroying any of the historical value. Build a separate pool for ADA compliance. I'm disabled and but still believe that South pool should be maintained, and OPEN for swimming, just as it currently sits without any gentrification. | 2/28/2022 7:22 PM |
| 930 | That current space is pretty small. But wherever a new city pool is built should still be close to this area and available year round. | 2/28/2022 7:18 PM |
| 931 | Leave it historical please | 2/28/2022 7:16 PM |
| 932 | It's unique and small and historic. Cmon Boise. You've got the money. | 2/28/2022 7:16 PM |
| 933 | The preservation of this wonderful historic building is important while improving ADA accessibility! | 2/28/2022 7:16 PM |
| 934 | I would like to keep the art deco look but the pool needs some serious updates. Would like to keep the original entrance if possible like they did with the original SJH entrance. | 2/28/2022 7:16 PM |
| 935 | Upgrade as necessary but don't over do it. Keep the original structure and look if possible | 2/28/2022 7:14 PM |
| 936 | I want the pool too exist in its current location, retain at least some of it's historical charm, while also being brought up to code and safe. | 2/28/2022 7:09 PM |
| 937 | It fixes the deficiencies that need to be done for the safety and future use, but still retaining the historic design. | 2/28/2022 7:07 PM |
| 938 | I feel like this scenario is like updating a historic ballpark. You try to keep the nostalgia while making the park more suitable for today's standards | 2/28/2022 7:03 PM |
| 939 | n/a | 2/28/2022 7:02 PM |
| 940 | I love the location. I do love the historic piece of it. However what ever is most cost effective seems to make sense. | 2/28/2022 7:01 PM |
| 941 | No need to reinvent the wheel. Pools can always be opened elsewhere if necessary. Revamp what people are already comfortable with, add some amenities and keep it simple. | 2/28/2022 6:50 PM |
| 942 | Boise needs pools in all areas of town. We should modify the pool as needed to reopen and remain fiscally responsible. Saving the historic front would be desired. | 2/28/2022 6:49 PM |
| 943 | I think that you could honor the history in some way while providing a more modern and usable pool for future generations. | 2/28/2022 6:46 PM |
| 944 | I have some sentimental attachment to the pool but honestly as long as there is a good, accessible neighborhood pool on the bench that would be super with features and capacity for our current population growth it makes sense. | 2/28/2022 6:44 PM |
| 945 | I like the location and look but understand the needs to update it | 2/28/2022 6:37 PM |
| 946 | Because it's needed for generations to come. | 2/28/2022 6:32 PM |
| 947 | I like that this option addresses the current needs of the pool with minimal impact to the historic structure. If it is not possible I would pick option to renovate and reopen the pool by any means necessary. This neighborhood does not have other swimming nearby. Keeping a public pool at this location is the most important option for me. | 2/28/2022 6:30 PM |
| 948 | Renovations make since. I also assisted in handicapped individuals at the Natatorium. Use some creative thoughts with your renovations. | 2/28/2022 6:30 PM |
| 949 | I'd like to keep it as an older person pool. The other pools are great for the younger children. Keep Lowell and South for those who don't want to have to be around small children while they are swimming and cooling off in the hot summer months that we have here. | 2/28/2022 6:29 PM |
| 950 | If money is going to be spent, it might as well be redone so it is available to all | 2/28/2022 6:27 PM |
| 951 | You cater to kids. Give time for seniors only or leave it closed. | 2/28/2022 6:26 PM |
| 952 | I love the front facade and above-ground structure. It is a real gem of the Depot Bench neighborhood. However, I do think the pool should be renovated to provide access to everyone, so that everyone can enjoy it. My selection is predicated on the facade and above-ground structure remaining none of this "possibly be retained" business.:) | 2/28/2022 6:26 PM |
| 953 | My first voice was new pool, but second was keep the pool where it is with minimal changes . The location is critical to the neighborhood | 2/28/2022 6:25 PM |
| 954 | It makes the most of future possibilities for the pool with regard to what makes the pool | 2/28/2022 6:22 PM |

| | special. | |
|-----|---|-------------------|
| 955 | Again the Art Deco architecture is classic. I would love to see that maintained with some obvious refreshes and modern touches. Keep it funky! Make it a place that people want to visit to even just get pictures. Make the amenities nice and again stick with the Art Deco theme. The pool is historic why change it to a run of the mill pool. Keep the aesthetic of old Boise. There are many ways this can be done. Maybe there should be an architecture competition to reimagine the space! | 2/28/2022 6:22 PM |
| 956 | I personally feel it would be the best | 2/28/2022 6:18 PM |
| 957 | I like the location. There is not another pool or very many outdoor areas such as parks with swings and outdoor play equipment very close. | 2/28/2022 6:18 PM |
| 958 | It's the best of both worlds: updated but keeps history intact | 2/28/2022 6:17 PM |
| 959 | It's important for the neighborhood to have a pool kids can go to | 2/28/2022 6:14 PM |
| 960 | I think the space could become a splash pad and that a new large indoor pool with more amenities could be added elsewhere in the city. | 2/28/2022 6:13 PM |
| 961 | Let's make it a destination pool and once again have a no kids day and we will pay big dollars for it | 2/28/2022 6:10 PM |
| 962 | Open a new modern pool nearby and accept the fact that this monolith of concrete was not built to modern design standards. Don't make it a stranded, wasted asset. | 2/28/2022 6:06 PM |
| 963 | The pool is beautiful, unique and a part of the neighborhood. It should be preserved and loved by generations to come | 2/28/2022 6:05 PM |
| 964 | Tear it down and be done. The only "neighborhood" pool in my area of town is the private YMCA which charges a fortune. Why do we have to subsidize pools and amenities in other neighborhoods while the city neglects our neighborhoods on EVERY LEVEL. Same comment for Lowell. | 2/28/2022 6:05 PM |
| 965 | Because we want to retain the classics look/character of the pool in the neighborhood. | 2/28/2022 6:02 PM |
| 966 | The pool is a staple in our neighborhood, with all of the renovation and high rise apartments going up, it is important to retain some of the iconic landmarks in our community. I would love a safe and expanded option, while keeping the front entry/facade as is. | 2/28/2022 6:01 PM |
| 967 | We need a pool on the bench, however, this one is not the kids favorite. If a new location would mean bigger, than that's cool. | 2/28/2022 6:00 PM |
| 968 | Nostalgia runs deep in my veins, keeping the pool as close to its origin is crucial for us to appreciate the true nature of this art form. | 2/28/2022 5:58 PM |
| 969 | I had a hard time deciding between substantial renovations and putting a new pool in, but as long as the pool serves all people and is accessible, I think it would be great! It's awesome to have a pool so close to my house that is easily biked to, and I want to make sure it supports a range of users (ADA accessibility matters!) | 2/28/2022 5:56 PM |
| 970 | Our neighborhood has grown. Having a pool that would be fun for all ages is important. Our family would love something like Ivy Wild close and close enough to walk or bike. We have to drive to the other side of town to access a fun pool. | 2/28/2022 5:48 PM |
| 971 | I would like to retain the original design and make the pool accessible to all. | 2/28/2022 5:46 PM |
| 972 | Make it safe for the community but keep it intact esthetic wise. This one of the last remaining landmarks the Boise Bench still has. | 2/28/2022 5:39 PM |
| 973 | The south pool is a cultural part of the community. New is not better. There are lots of other pools that are modern and new. Keep this historical part of Boise. | 2/28/2022 5:37 PM |
| 974 | This or the minimal structural change option. The pool should be functional for the long term, with as much character intact as reasonable. We should also look to add more new and modern community facilities, just not at the expense of our culture. | 2/28/2022 5:37 PM |
| 975 | Upgrade but keep the front. | 2/28/2022 5:34 PM |
| 976 | Both ADA wise and non-ADA (kids), the zero depth entry is really key, and this site just doesn't have it. City can relocate the incredible facade and create a modern facilities for safety of all users, lockers for safe keeping valuables, and maybe even an "olympic" sized pool for lap swimming during certain hours of the day. | 2/28/2022 5:33 PM |
| 977 | Accessibility is important as Boise seeks to repair and renovate public spaces. There are creative ways to both meet accessibility and code standards, while honoring the history of our community sites. | 2/28/2022 5:25 PM |
| 978 | newer isn't always better. There is value in its uniqueness. | 2/28/2022 5:24 PM |
| 979 | I like the idea of the pool staying open, but I'd also like it to stay as close to the original as possible. I think accessibility can be achieved without changing to much of the actual layout. A zero debt entry area sounds like a good idea but it would detract from the area people can actually swim in. The upper deck doesn't have very much excess space as it is. | 2/28/2022 5:22 PM |
| 980 | You've got to keep the front as is! | 2/28/2022 5:18 PM |
| 981 | I think that option makes the most sense. I like retaining the front entrance, but mostly want the location to stay the same. To be clear, I want the pool to stay at the same location. Adding | 2/28/2022 5:14 PM |

amenities would be great. But if you come back with an argument as to moving the pool to a new location, I strongly disagree.

| | new location, I strongly disagree. | |
|------|---|-------------------|
| 982 | Maintains history while improving access | 2/28/2022 5:13 PM |
| 983 | I think maintaining the historical significance is important. It is an architectural gem and adds character to our city and neighborhood. I recognize the need to stay current and maintain, though, but think those should be done within constraints. | 2/28/2022 5:13 PM |
| 984 | The above ground is not as people friendly for access and pool deck is small and not friendly for watching kids and and the shallow end is too deep for younger kids. I like the idea of redesigning the area to provide a functioning pool to the neighborhood. It is a great location near schools. I would hate to lose the neighborhood pool feeling. It was always our home pool, where we walked or biked to lessons and had playdates with friends. | 2/28/2022 5:11 PM |
| 985 | There are very few amenities in this neighborhood and many children in the are who would benefit from having an activity available within walking distance in the summer | 2/28/2022 5:09 PM |
| 986 | Preference for re-opening the pool at its current location within budget limitations. Addressing deficiencies, adding amenities, renovation, or a new pool are all acceptable with a new pool or complete renovation preferred. | 2/28/2022 5:06 PM |
| 987 | Reach out to other groups in other areas that are facing similar issues. It appears that the Bintz pools are aging out all across the country. A group effort of sharing information about the way grants are written so that they are approved. We all know that the money is out there. How can we find donors, how do we write successful and legal "Go Fund Me' pages. etc | 2/28/2022 5:06 PM |
| 988 | Would like it to remain intact and open. It's a cool pool—I wouldn't like to see the building destroyed or changed significantly. I researched the designer and the pool and how so few of the pools are still open. Wouldn't want this to happen in Boise. If it's too much to update both pools, I would definitely want to see the structure not torn down and actually used in a creative manner. | 2/28/2022 5:05 PM |
| 989 | I would be open to all of these options except not reopening the pool. I would love to see it stay the same with minimal changes but if more people would use it and keep the cost down for refugees. | 2/28/2022 5:05 PM |
| 990 | Having a new accessible pool | 2/28/2022 5:04 PM |
| 991 | I like the location. When you suggest a new location I figure that will be further out of the neighborhood. | 2/28/2022 5:04 PM |
| 992 | I like the pool as is. There is definitely some maitenece to be done. | 2/28/2022 5:01 PM |
| 993 | I think I've addressed this in earlier response. | 2/28/2022 4:58 PM |
| 994 | Expand the pool size and services | 2/28/2022 4:57 PM |
| 995 | I believe preserving the architecture is important but it should have some form of renovation that makes it friendlier to younger kids. | 2/28/2022 4:57 PM |
| 996 | History keeps our communities great, and also ties generations together. It's important to our Boisean history to keep this pool open & available for generations to come. | 2/28/2022 4:55 PM |
| 997 | I would love it it was a more family friendly neighborhood pool. | 2/28/2022 4:53 PM |
| 998 | Im torn i Believe in historic value and look but would also think it would be more practical to have a inground larger more accommodating pool For more practical use! | 2/28/2022 4:53 PM |
| 999 | Because there are no pools or parks near my area in South Boise (Lake Hazel and Cole) and it would be great to have something closer to our home. | 2/28/2022 4:51 PM |
| 1000 | We shouldn't be tearing down our historical items we should be building them up and keeping them one day 100 years from now will have a 200 year old pool just the way it was that people can come and swim out and enjoy and our ancestors will look back and thank us for keeping this part of our history it's crazy how old it is already like swimming in an antique that's so cool let's fix it thank you please my families lived in Idaho 180 years and my family selling off all of our land and inheritance just like like. Boise is being taken away too | 2/28/2022 4:51 PM |
| 1001 | Make it safe and accessible but keep location and current design | 2/28/2022 4:50 PM |
| 1002 | I would like to see a much larger pool on ground level. Ideally in the same location, but if that is not feasible, some place near the original location. The Vista, Depot Bench, Hillcrest and surrounding neighborhoods have outgrown the size of this pool and need to have a much larger pool in the same vicinity. I grew up in this neighborhood and I spent a lot of time at this pool because it was close to where I lived. I would like to see children and adults in these neighborhoods have a public pool that they can go to that is in their neighborhood. I'd rather the neighborhood children have someplace to swim and play rather than in the Ridenbaugh or New York canal. | 2/28/2022 4:47 PM |
| 1003 | I would like to keep a pool in this location. Lots od low income families use it. | 2/28/2022 4:43 PM |
| 1004 | We love the neighborhood access. A new pool would ensure future generations the same privilege. I think Mimicking what they did with South Hr. High would be great. The history was preserved but a new facility was a huge improvement to the community. | 2/28/2022 4:43 PM |
| 1005 | Move the South Pool location closer to Whitney Elementary where the age demographic fits better and convert the existing structure to a skatepark. This could also save money. | 2/28/2022 4:42 PM |
| | | |

| 1007 | Just love the historical front of the pool, but if it has to be changed, then we have to change in order to to provide swimming for local families. Even if it does require reimagining the site or even moving to a different site to accommodate more people. Comparing costs for all | 2/28/2022 4:37 PM |
|------|---|-------------------|
| | scenarios, then deciding on the path is my advice. Proposing/sharing this information with Boise, so more can have input on costs and how to pay would be welcome also. | |
| 1008 | Keep it original with changes to accommodate everyone | 2/28/2022 4:36 PM |
| 1009 | Keeps the historical front while making the pool nicer. | 2/28/2022 4:35 PM |
| 1010 | Love the current look but update to make easier to maintain | 2/28/2022 4:33 PM |
| 1011 | I chose the scenario I did because it will maintain some of the historic significance of the South pool while still allowing for it to be functional well into the future. It also addresses the issue of the pool not being ADA accessible at this time. | 2/28/2022 4:33 PM |
| 1012 | I would like to see the pool be renovated and be more accessible and safer but also retain the front entry façade | 2/28/2022 4:31 PM |
| 1013 | Bring the structure up to code with minimal change and cost. | 2/28/2022 4:28 PM |
| 1014 | I like where the pool is located. Having it in the depot bench neighborhood is where it should stay. | 2/28/2022 4:24 PM |
| 1015 | I think there should still be a pool in this location. I think it would be great to try to preserve the front, but I don't think it'll be easy if other improvements are being made. A new pool may take a lot longer to accomplish, but it may be more beneficial in the long run. A new pool may require less repairs/improvements, while a 70 year old pool may require multiple renovations in the future. I hope this neighborhood gets their pool back asap. | 2/28/2022 4:24 PM |
| 1016 | Love the history behind this pool | 2/28/2022 4:23 PM |
| 1017 | I want our neighborhood to have cherished landmarks and maintain accessibility integrity. | 2/28/2022 4:22 PM |
| 1018 | I think this is the best scenario to keep the current building but also making sure the community can use it again. | 2/28/2022 4:21 PM |
| 1019 | these pools are beyond wonderful! they need to be renovated without altering significantly at all. Boise has been known throughout the us as a city that loves to raze its historical buildings - let's stop that now! i remember marching in front of Egyptian theater in 76 when Boise wanted to raze it! historical architectural buildings MUST be saved and revered! | 2/28/2022 4:20 PM |
| 1020 | I think that scenario best maintains the historical significance of the pool while still making it accessible to more members in the community. | 2/28/2022 4:18 PM |
| 1021 | I think it's important to preserve historic spaces while also making our community safe and accessible for all community members | 2/28/2022 4:17 PM |
| 1022 | The front to me is of historical significance and should be maintained. However, the pool should be updated to be more safe and accessible to all community members. | 2/28/2022 4:16 PM |
| 1023 | To retain it's character above all. | 2/28/2022 4:16 PM |
| 1024 | New pool at existing site (may be long and narrow) and incorporate Art Deco facade. | 2/28/2022 4:14 PM |
| 1025 | Historical design should be honored | 2/28/2022 4:08 PM |
| 1026 | Historic structures add to our community in so many ways. We love our pool and hope with all our hearts that it reopens soon! | 2/28/2022 4:07 PM |
| 1027 | Reason stated above | 2/28/2022 4:01 PM |
| 1028 | Boise chose a tree program and an open space imitative over the Senior Center, Libraries, and sports venues (including Idaho Ice World). Compared to similar sized cities we have done a poor job putting our public recreation facilities first. Countless other municipalities are able to budget, build and maintain these facilities. Boise is trying to lease them out to private interests. We are moving backwards and clearly are valuing the agenda of the aging population over the future. We live in a city that put a tree program over seniors and libraries. Shameful. | 2/28/2022 3:59 PM |
| 1029 | I think that the location is perfect. I don't think that there is any reason to keep the existing structure of it is not safe, accessible, and suiting to the needs of the community | 2/28/2022 3:55 PM |
| 1030 | It's unique but just like the nat things need updates | 2/28/2022 3:54 PM |
| 1031 | Frankly, although I'm sympathetic to citizens with disabilities, I don't believe the city should be forced to make these historic, uniquely-constructed pools ADA compliant. How much of that \$2.4 million estimate involves ADA upgrades? (My guess - \$2 million.) If it weren't for the ADA updates, I would've selected "option 2," above. | 2/28/2022 3:53 PM |
| 1032 | The pool "as is" was down for maintenance often and has limited space around it. Also somewhat unsafe for kids as there is not a shallow area for toddlers to play. Rebuild an in ground pool that has an area for toddlers and a decent sized area for grown ups to swim. | 2/28/2022 3:51 PM |
| 1033 | I think the front of the pool is really important to the character of Boise, but it needs to be a pool that is accessible to ALL. The location is great next to SJHS. | 2/28/2022 3:50 PM |
| 1034 | Holding onto the historical beauty but also updating it with the times is a good compromise | 2/28/2022 3:47 PM |
| 1035 | I just want to keep the building mostly the same but modernize it so future generations can enjoy it but still preserve the history of the older generations | 2/28/2022 3:46 PM |
| 1036 | Best option | 2/28/2022 3:41 PM |

| 1037 | Historical usable pool should be the priority. | 2/28/2022 3:39 PM |
|------|--|-------------------|
| 38 | We never learn from the past if we constantly change it. | 2/28/2022 3:34 PM |
| 039 | Would be great to update and make the pool more accessible while honoring our past. | 2/28/2022 3:34 PM |
| 040 | History and the memories | 2/28/2022 3:34 PM |
| 041 | These pools have been around forever, its part of Boise and plays a part in keeping this town beautiful. If the city is left to redesign them completely it will probably end up looking like generic dogshit tbh | 2/28/2022 3:28 PM |
| L042 | I like keeping the historic front entrance. However, the historic front entrance doesn't matter much of the pool isn't safe, welcoming and accessible to all. | 2/28/2022 3:27 PM |
| 1043 | I understand the constraints of the city's budget. I really hope the pool can be repaired and brought up to modern ADA standards. The most important thing is to keep the pool a pool and accessible to its community, allowing it to reopen, and use all possible means to allow ADA compatibility. | 2/28/2022 3:25 PM |
| 1044 | Idaho needs more aquatic options year round, a new location could include the option of an indoor pool that people can use year round. | 2/28/2022 3:22 PM |
| L045 | It could open the pool quickly address the accessibility problems $\&$ retain the history. Win, win, win. | 2/28/2022 3:22 PM |
| 1046 | I like the idea of utilizing the historic elements of the pool and making it safe and welcome to the public. | 2/28/2022 3:21 PM |
| 1047 | Needs of the city and residents may have changed significantly. City pool is for public use and not just for nostalgia. If there can be a better use of the city budget to make a pool available for residents throughout the year, I think that money can be used for a new pool at same or another location, hope it can can be a heated indoor/outdoor pool so it can be used year around. A nominal use fee maybe charged as long as everyone is able to use the facility with such a fee. | 2/28/2022 3:17 PM |
| L048 | Our city already suffers from an extreme lack of planning, often at the expense of historic structures. These are the very things that make our neighborhood unique from any of the hundreds of new developments. | 2/28/2022 3:16 PM |
| 1049 | South Pool is a historic gem and deserves to be renovated and retained for its unique character and the joy it gives to neighborhood children and teens. We already lost the beautiful architecture of South Junior High (except for the weird little facade that is left)please don't take away South Pool, too! | 2/28/2022 3:14 PM |
| 1050 | It is the best of both worlds. Keeping some of the historical, modifying to improve, and making the kids happy to have a pool. | 2/28/2022 3:09 PM |
| 1051 | I think it's important to preserve Boise's history as best as possible. | 2/28/2022 3:08 PM |
| .052 | Boise's unique spaces should be preserved and it feels like better fiscal management to renovate an existing pool. | 2/28/2022 3:07 PM |
| .053 | I chose this option because the pool matches the neighborhood at present time but it needs to be renovated. | 2/28/2022 3:07 PM |
| 1054 | I want a four season pool like the Nat was on Warm Springs. South could use it for PE. Parks could give kayak lessons, accommodate swim meets, | 2/28/2022 3:06 PM |
| 1055 | The original structure and equipment is obsolete and the cost of maintenance will continue to increase. The pool is out-dated in its design, features, accessibility. A nicer, more accessible, easier and cheaper to operate pool would be more beneficial to the community - preferably something that could be used year-round. | 2/28/2022 3:02 PM |
| 1056 | keeps a pool in the neighborhood, which is the key pointaccess for children and families to quality fitness and fun opportunities | 2/28/2022 3:00 PM |
| 057 | That area needs more things for the children/teens and families to do together | 2/28/2022 2:59 PM |
| 1058 | This addresses the retention of historic elements and addresses the pool's need to be modernized. Need to work with the State Historic Preservation Office (SHPO) regarding this. Do not make a decision in a vacuuminvolve your historic preservation planner (Nathan Halam) and the Idaho SHPO! They are experts! | 2/28/2022 2:59 PM |
| .059 | To retain it's historic character and functionality. | 2/28/2022 2:58 PM |
| 060 | I like the pool as it is as far as looks and functionality. | 2/28/2022 2:57 PM |
| 061 | The location of the current pool is very critical. There are low income students and families in the area that would benefit from a pool in this location | 2/28/2022 2:50 PM |
| L062 | I am a fan of historic structures. I think if it can be modified just enough to meet ADA code, that is enough. | 2/28/2022 2:44 PM |
| 1063 | I live right next door to the pool and want to know exactly what the pool would be replaced with it it isn't restored as a historical site. Anything done in this location is going to directly effect my property value and privacy. I like the idea of a neighborhood garden!!! While keeping the historical facade as a possible entrance or sculpture. Similar to how a the school kept the historical library facade. | 2/28/2022 2:44 PM |

| 1064 | | | | | | | |
|--|---|--|--|--|--|--|--|
| | The restoration within the cities budget is the best option. It may take longer than 1 year to complete the renovations, but it would preserve history that the city is too prone to do away with. New pools are expensive to build and a total restoration will most likely cost less than a new pool | | | | | | |
| 1065 | because these pools have great historical significance to the city of boise. | 2/28/2022 2:40 PM | | | | | |
| 1066 | I chose this option because it still remains what most people know as "south pool" such as the structure and looks of it but also becomes more inclusive to all people. | 2/28/2022 2:39 PM | | | | | |
| 1067 | We need this pool for the neighborhood. What ever it need is a great start | 2/28/2022 2:35 PM | | | | | |
| 1068 | We like having neighborhood pool. It's so close and so affordable. We've taken advantage of swimming lessons and it so convenient. I look forward to meeting new neighbors and finding community at the new and improved South pool! | 2/28/2022 2:33 PM | | | | | |
| 1069 | This pool has served generations of my family. My children find great pride in it and show a lot of respect for it and the community around it. | 2/28/2022 2:31 PM | | | | | |
| 1070 | Time for new pool. They don't last forever | 2/28/2022 2:25 PM | | | | | |
| 1071 | It's a central location. I would be open for a relocation in the back around the corner in Bowden park. but I Do like it's the current location. The parking lot nearby for the school can be used during the summer when school's out. | 2/28/2022 2:20 PM | | | | | |
| 1072 | fix what's broken and open the pool | 2/28/2022 2:16 PM | | | | | |
| 1073 | I like the classic and simple design/aesthetic | 2/28/2022 2:06 PM | | | | | |
| 1074 | As stated, the South pool is an important landmark on the bench. Too many unique things have been removed for "growth" with no thought to the value added in the community. Some of us still miss the pool/colored fountain at Ann Morrison replaced by ugly concrete blocks. Just one of many examples of not valuing the history of Boise. | 2/28/2022 2:06 PM | | | | | |
| 1075 | Our history is important to protect and the pool serves as a visible and functional reminder of Boise's. As the city leadership has already chosen to sacrifice so much of what has made our city unique for the sake of economic gain, the choice to demolish yet another space that is sacred to Boise natives for no other reason than to probably continue to build more unaffordable housing and increase appeal to people moving here from out of state would truly be a tragedy. How the question of whether or not to maintain the integrity of this landmark is even a question is a sign of how disconnected our leadership is becoming to what is cherished by Boisians. My grandmother grew up in this neighborhood and used this pool. Many others have their own familial, sentimental ties to it. Yes, adaptations and modifications should be made to make it more accessible, but using that as an excuse to demolish the whole thing is deceptive. Build another pool somewhere else if you want, but please let this piece of history live on so that more families can continue to make powerful memories here. | 1090 | It may cost more to renovate the existing structure, but it is a small price to pay in updating a timeless structure with modern amenities. I do not care about how faithful the renovation is to the original, historical design. It would just be a shame to see some new, generic pool go up in its place. That said, I would rather see a new pool in the same location than demolishing South and putting in a new pool somewhere else. | 2/28/2022 1:36 PM |
| 1091 | We need more places to swim in Boise. | 2/28/2022 1:34 PM |
| 1092 | The Bench is tired of being ignored when it comes to parks and improvements. Finish Bowden Park- it's disgusting how long a simple bathroom has taken to complete. Fix and preserve the pool. I'm worried if you decide to do any vast improvements, it will be another decade or two before we see a completed project. | 2/28/2022 1:32 PM |
| 1093 | I did not see the option I would like: keep the old pool and turn it into a skate park. Build a new pool near the same site. | 2/28/2022 1:30 PM |
| 1094 | Because no matter what municipal pools are important to the community fabric and children's lives particularly growing up. | 2/28/2022 1:29 PM |
| 1095 | The city can rehabilitate the pool by adding a rear locker room, deck access with a lift for those with mobility issues while still retaining much of the historic pool. I do not think a zero-depth entry is required for a person with mobility issues. I used to be a lifeguard and a lift is sufficient in many cases for someone to access a pool. A splash pad may be an option next to the pool. | 2/28/2022 1:28 PM |
| 1096 | Need a larger area with more parking and more opportunities for different amenities | 2/28/2022 1:27 PM |
| 1097 | While the pool is an architectural delight, structures have an expected lifespan, and these pools have outlived theirs. Given the grown in Boise and the Bench in particular there needs to be a pool with adequate size and amenities to meet the population it serves. | 2/28/2022 1:26 PM |
| 1098 | Allow us to keep the charm and historical significance of old Boise, yet it is imperative to allow all Boiseans to enjoy the facility without hindrance. | 2/28/2022 1:24 PM |
| 1099 | Maybe less costly for the city and allow the pool to reopen sooner. | 2/28/2022 1:22 PM |
| 1100 | It preserves the historic features and adds valuable, exciting improvements. | 2/28/2022 1:22 PM |
| 1101 | I would love to keep the historic front of the pool but make it more accessible and updated for all ages and abilities to enjoy | 2/28/2022 1:22 PM |
| 1102 | As long as there's still a neighborhood pool in that location | 2/28/2022 1:18 PM |
| 1103 | It is important to modernize but retain the "vibe" of the original | 2/28/2022 1:15 PM |
| 1104 | I am all for additional changes to make the space more accessible for all. I just love being able to keep pieces of art and history while inevitable change and upkeep need to occur. | 2/28/2022 1:15 PM |
| 1105 | I would like the facility to be upgraded and opened as soon as possible. This is such a great community resource that has been missing for some time. | 2/28/2022 1:13 PM |
| 1106 | Local neighborhoods can really rally around the pool as a community gathering place | 2/28/2022 1:12 PM |
| 1107 | The facade is one of the iconic boise features but new amenities would help make the space more useful for a larger number of residents | 2/28/2022 1:12 PM |
| 1108 | The pool is currently within walking distance for kids attending south, Whitney, Owyhee, Monroe and Jefferson schools giving access to kids. There is no other pool on the depot Bench | 2/28/2022 1:10 PM |
| 1109 | Minimal disruption to our neighborhood and get back to using it soon. Retaining the charm | 2/28/2022 1:08 PM |
| 1110 | I think the look of the pool is one of the most unique and important factors that needs to be preserved. | 2/28/2022 1:05 PM |
| 1111 | I believe the youth in that area need a low cost, neighborhood pool. If you take it out I doubt the City of Boise cares enough to provide a neighborhood pool anywhere else for at risk youth. There is no land available. The land would be sold to some developer with many giveaways and the bench area would again be sold out. | 2/28/2022 1:03 PM |
| 1112 | It addresses the needed changes but maintains the historic value | 2/28/2022 1:01 PM |
| 1113 | I think it's good to keep South Pool at the current location so it can serve the people of that area. Unless, there is a better location in the same area. | 2/28/2022 1:01 PM |
| 1114 | Turn it into a park | 2/28/2022 12:58 PM |
| 1115 | The pool is at South Jr High. Give them a good pool to utilize for a swim team & let others use it. Like Borah Pool. | 2/28/2022 12:58 PM |
| 1116 | Cost and ADA compliance | 2/28/2022 12:57 PM |
| 1117 | kids on the bench deserve a nice pool like ivywild or the natatorium that is accessible for everyone | 2/28/2022 12:57 PM |

| 1151 | Because I would like the pool to be more accessible, but keeping the historic value is important as well. | 2/28/2022 12:11 PM |
| 1152 | Of course the city should not spend just any amount. I don't like the word 'possibly' in the third option. All 3 'take down' options are no for me, therefore, my checked choice. | 2/28/2022 12:10 PM |
| 1153 | I think expansion, more amenities like saline lap pools, children splash pads and kiddie pools would be more attractive and engaging for the community. But we have to keep it affordable for everyone and accessible. | 2/28/2022 12:09 PM |
| 1154 | I would love to have a large neighborhood pool on the central bench/depot bench. If south jr high isn't a big enough location, I'd be pleased with another location in the same neighborhood. It would be great to preserve some aspects of the old art deco pool. | 2/28/2022 12:09 PM |
| 1155 | I love the history of the pool. But if it can't be updated, then a new pool and the same location with increased accessibility would be great. This neighborhoods needs this. | 2/28/2022 12:07 PM |
| 1156 | History of Boise! Please , pleaee don't tear down a piece of Boise Idaho History! | 2/28/2022 12:07 PM |
| 1157 | I think a new, bigger pool in a different location would best serve our neighborhood. I would like to see the old pool site retain the front facade of the building for history and nostalgia sake at a minimum. I think it ties nicely into how part of the old South building was retained when the new school was built. I would like to see the old pool site reimagined into a park or something to benefit the neighborhood. Maybe it could be a handicap focused playground since the area has not been kind to those with mobility issues all these years. Or, keep the structure and turn it into a city skate park. Our area is lacking in things for kids to engage in. I think a skatepark at that site would be full with kids and adukts and help keep the neighborhood kids out of trouble. I currently have an 8th grade son at South. The pool site is only being used for fights and smoking right now. It would be nice to see that area change into a positive place rather than one where the kids go to be sneaky. | 2/28/2022 12:07 PM |
| 1158 | It's the best of all scenarios, it preserves the historical importance of the structure while also continuing to provide and serve its purpose to the community. | 2/28/2022 12:05 PM |
| 1159 | Ivy Wild, West YMCA, Nadatorium, and Fairmont are all pools that I have been to. Never South or Lowell. Fairmount is adjacent to my home, so that is why I have been there. The other 3 have large options (diving and slides) the make them good "community destinations" and areas of recreation that pull people of other communities. With public pools, geographic spacing seems very relevant. Each location should have a large water feature that makes it playing, not just swimming. The information I'd want to see is what is the city's vision for pools, parks, and public locations for community gathering? Pools specifically. What is the city attempting to provide the specific areas? How are there visions get executed over times? | 2/28/2022 12:00 PM |
| 1160 | I think a fresh start would be best. 1950s era history does not need to be retained just so old people can feel good about a pool looking the same as it did when they were kids. The sooner we clear that out the less we have to keep around at huge expenses. | 2/28/2022 11:59 AM |
| 1161 | I am ignorant of the number of people that participate in the pool and we always got there early, but the pool always seemed the right size and I really like the design and construction. The only thing I though it lacked was an updated filtration system. | 2/28/2022 11:58 AM |
| 1162 | They should be ada accessible but if prices will go up with the other options, its not worth it. | 2/28/2022 11:57 AM |
| 1163 | The city needs more pools so eliminating one is not an option. However, retaining the existing structure would be way too costly especially for making it accessible under ADA requirements. Tear it down and build a modern facility. | 2/28/2022 11:55 AM |
| 1164 | Maintains the structure but allows for more accessibility, plus maybe less cost for additional amenities? | 2/28/2022 11:55 AM |
| 1165 | Since Boise is determined to tear down or modify what was unique to our city- South Junior High as an example- we then keep a piece of it for display like the downtown park in 5th street. Or painting murals depicting homes on an ugly cheaply built apartment building after tearing down the actual historic homes. Allowing the art deco apartment building to be torn down was a sad day for many Boiseans. Allowing St. Luke's to expand and tear down an historic neighborhood- with a concession of moving them. I'm beginning to think we could build a museum of Boise out in the desert. And put all of our unique buildings and homes out there and charge admission. | 2/28/2022 11:53 AM |
| 1166 | I was born in Boise and have seen too many of our historic structures lost. We're smarter than we used to be about this issue, I hope. Save historic buildings. They are unique to our city and invaluable. | 2/28/2022 11:52 AM |
| 1167 | I like the idea of the upgrades. It would only make it better without changing the entrance. | 2/28/2022 11:51 AM |
| 1168 | I've got kids and I want them to swim often. Taking it down and rebuilding seems like cheapest and fastest way for that to happen | 2/28/2022 11:50 AM |
| 1169 | Imagining reasons why people wouldn't go to the pool. This option seems to alleviate some of the barriers with a lower overall cost than some of the other options. | 2/28/2022 11:48 AM |
| 1170 | We must keep this pool. It's historically significant and the neighborhood needs it. Kids are losing outdoor options and the city must do what's right by it's community and keep the pool | 2/28/2022 11:46 AM |
| 171 | I'd like the front, most deco part, kept as close to original as possible. | 2/28/2022 11:46 AM |
| 172 | Preserving our history and architecture is important. | 2/28/2022 11:46 AM |

| 1175 | I feel we have lost too many of our historical buildings and this neighborhood appreciates the look of the pool, and would like to see the entrance saved with renovations to make it safe and usable for the community. | 2/28/2022 11:40 AM |
| 1176 | I think it is important to retain as much character of the existing pool as possible. It is one of few above-ground pools remaining of its style. | 2/28/2022 11:39 AM |
| 1177 | As Boise grows it's important to preserve some of the historical character that made Boise such a great place to grow up. | 2/28/2022 11:39 AM |
| 1178 | It would allow for original intent of the pool to be maintained, which is to provide a space for recreation, while keeping the historic value of the front of the building. If this option is selected it would be wonderful to have signage throughout about the historic significance of the space. Living in the neighborhood keeping the current location is important to me as there are tons of children nearby and multiple schools and churches but no nearby public facility/park for play. | 2/28/2022 11:37 AM |
| 1179 | My mom used to swim at south pool when she was a child. It is also fun to swim in a public pool that isn't like all the others. Keep the charm!:) | 2/28/2022 11:36 AM |
| 1180 | Everything has a cost. Maintain the essence that is our city. This is a great way to help strengthen the community and neighborhood for generations to come. | 2/28/2022 11:32 AM |
| 1181 | I believe it would be cheaper to repair and update then building a new pool at the same location and definitely cheaper then a new location | 2/28/2022 11:28 AM |
| 1182 | Modern facilities | 2/28/2022 11:27 AM |
| 1183 | I think it is possible to retain some of the important aesthetic elements as well as the location of the pool while expanding its footprint. Programming opportunities should be prioritized just as highly as the architecture. My child would attend swim team and swim lessons at the South pool, if available. | 2/28/2022 11:26 AM |
| 1184 | Keeping a simple and safe pool in the current location is important. People in the neighborhood who go to the pool go because it is affordable and accessible. Those should be the primary objectives for a replacement. I would support a new location within a couple of blocks of the current location, but probably not more than half a mile from the current location. | 2/28/2022 11:24 AM |
| 1185 | Pools are really important to the community. The existing pool just doesn't make sense for so many reasons including accessibility, safety and size. If there is another location that the city could build a new, larger pool, I definitely think this is the way to go. Boise has grown so much. We need more pools that are friendly for children especially because Ivywild is overcrowded. | 2/28/2022 11:24 AM |
| 1186 | I think the pool should be kept AND another one is built elsewhere. The city needs more of them everywhere. | 2/28/2022 11:22 AM |
| 1187 | I love the history and architecture of the pools, but Boise has grown. we need to be able to support the increase in population and desire for children/families to go swimming. | 2/28/2022 11:21 AM |
| 1188 | These pools look pretty cool, and have history to them. Let's fix what we can but try to stop modernizing everything | 2/28/2022 11:21 AM |
| 1189 | I would like to see a few updates but not detract from what makes it unique | 2/28/2022 11:20 AM |
| 1190 | we have been without a neighborhood pool for too long. the kids need a place to play | 2/28/2022 11:16 AM |
| 1191 | Most reasonable | 2/28/2022 11:11 AM |
| 1192 | The location is huge for me. And having a pool there made my childhood what it was. I would like to take my kids to that location, regardless of how similar in structure it is. I also went to the old Jr high there (last graduating class in the old building) so it means a lot | 2/28/2022 11:11 AM |
| 1193 | The look of the pool from Shoshone is priceless. | 2/28/2022 11:10 AM |
| 1194 | Keeping the historic front of the pool is important. | 2/28/2022 11:10 AM |
| 1195 | The historic front has a history for every generation in this valley and is the center price for many childhood memories for family and friends and should be kept | 2/28/2022 11:04 AM |
| 1196 | Keeping costs low to use the pool would be my only concern | 2/28/2022 11:03 AM |
| 1197 | This community space is a critical component to the Central Bench and should be treated as a high priority. The Central Bench is one of the lowest income neighborhoods in the City and should be prioritized for investment over areas such as the North End and East End. | 2/28/2022 11:03 AM |
| 1198 | Move to another location to increase the size of the pool, or keep the front facade, integrate it into the new pool bathhouse, drop the entire pool and increase the size and put it below ground. | 2/28/2022 11:03 AM |
| 1199 | Even though I love the history and current pool, I think having any pool in this location is beneficial to the neighborhoods it serves. | 2/28/2022 10:59 AM |
| 1200 | I liked that this option allows for renovation, more deck space, accessibility and maintains the historic front of the pool. | 2/28/2022 10:59 AM |
| 1201 | I strongly feel the pool needs to remain for easy access to a pool on the Boise Bench. A pool like Ivywild would be amazing. | 2/28/2022 10:57 AM |
| 1202 | It is important to me that the city of Boise maintains and protects it's history. The growth has | 2/28/2022 10:51 AM |

already seen to many landmarks destroyed.

| | aiready seen to many landmarks destroyed. | |
|------|---|--------------------|
| 1203 | Keeping part of Boise history is important. There are other places that a new look pool can be built. | 2/28/2022 10:50 AM |
| 1204 | I would love for it to retain as much historical value and presence as possible while also allowing for more inclusivity | 2/28/2022 10:49 AM |
| 1205 | I want better water recreation in my neighborhood. Currently I need to drive out of my community for quality facilities | 2/28/2022 10:48 AM |
| 1206 | As much as I love this old pool it would take an incredible amount of money to make it what it needs to be to meet today's needs. If a new one is to be built it needs to stay in this area. Kids in this area are mostly low income and can not afford Roaring Springs or other fun activities. | 2/28/2022 10:48 AM |
| 1207 | I like that it keeps the historic look of the pool while adding needed access and amenities that are found at other facility pools. | 2/28/2022 10:48 AM |
| 1208 | Because I have younger kids that can not swim in the big pool and would like to seem a more variety in Boise of toddler or small kid areas | 2/28/2022 10:47 AM |
| 1209 | There is enough room to make this change. It would keep the pool, but also improve it. | 2/28/2022 10:36 AM |
| 1210 | Good combo of cost and nostalgia. Could have a sign explaining PROWAG and difficulties / cost of providing services in a modern world. | 2/28/2022 10:29 AM |
| 1211 | My most preferred scenario is a pool stays in this location, but it is rebuilt to modern standards with some modern conveniences but retains the entrance and facade that people enjoy. Nobody likes the underground locker room and narrow deck that prevents those in wheel chairs from accessing it, but they enjoy the 1950s style entrance. That's what should remain. | 2/28/2022 10:13 AM |
| 1212 | I think its important to preserve the historical features of the pool whenever possible, but update to make it more historical. If that is not feasible, I would hope we could rebuild another public pool in the same location. | 2/28/2022 9:50 AM |

| 1 | Keep a pool on the Bench | 3/27/2022 3:59 PM |
| 2 | Convert old pool structure into admin, changing rooms an access to an adjacent new pool area. | 3/27/2022 11:31 AM |
| 3 | Improving both of these pools where they are at will benefit you more than it will tearing it down | 3/26/2022 7:17 PM |
| 4 | We moved into our house off S Maple Grove in 1984. We heard that there was land for a new school nearby (now West JH). We started our family, and they all grew up left home before that school was built. There were no amenities in our neighborhood. There is one park with very few amenities now (can't imagine why there isn't a pool at Molenaar). South has had a pool for decades. My wish is that you keep the historic pool, and wisely use any funds you are considering for bigger, better, wider and divert them to the needs in the Southwest community. We've waited for them for more than 35 years. | 3/26/2022 4:09 PM |
| 5 | This pool was my childhood and I would love to see it restored and make more memories | 3/26/2022 1:22 PM |
| 6 | Borah pool should be expanded to 10 lanes with an option for coverage during the winter for lap swimming and swim lessons for children and youth. | 3/26/2022 12:04 PM |
| 7 | That it is there. I don't have to swim in it to value it. As you know, we have lost so much architectural history in Boise. I don't even recognize most of central Boise any more. These pools are gems, should be rehabilitated and celebrated as working pieces of art and history. | 3/26/2022 8:17 AM |
| 3 | No, but thanks for allowing our input | 3/26/2022 8:17 AM |
| 9 | Just save the pool where it is!!! | 3/26/2022 8:06 AM |
| 10 | Don't go off in the weeds. Stay focused on the critical objectives. Look for creative ways to save money. Look for creative ways to increase revenue. | 3/26/2022 12:59 AM |
| 11 | Please preserve both South and Lowell pools for future generations. I think both pools are immensely important, especially for low income children who don't have access to other swimming facilities. | 3/25/2022 10:11 PM |
| 12 | A pool that provides services for all residents is more important than making a crumbling structure temporarily usable for some residents. | 3/25/2022 11:47 AM |
| 13 | I always thought a section outside the pool could be designated for a picnic area. Like a gazebo at ground level in the back or a deck addition. The pool area can get crowded, it's be nice to get some reprieve from the crowd and sun. | 3/25/2022 11:13 AM |
| 14 | No | 3/25/2022 8:14 AM |
| 15 | skatepark or community garden would be beneficial to the community and require MINIMAL budgeting whereas rebuilding it as a pool would be significantly more extensive and expensive | 3/25/2022 1:04 AM |
| 16 | Do NOT destroy our historical fixtures! Please preserve this! | 3/25/2022 12:06 AM |
| 17 | Having our neighborhood pool at this locations is very important. The mixed incomes in our neighborhood mean that South pool is a place for older kids to walk to and hang out when parents are working. It's the only healthy youth activity we have in the neighborhood. Bowden park will be an awesome improvement for younger kids. But as awesome for all ages as you can make South pool the better, since this is a central feature of our neighborhood. | 3/24/2022 9:29 PM |
| 18 | Go for it ,needs updated | 3/24/2022 8:03 PM |
| L9 | It should have been done earlier. | 3/24/2022 3:36 PM |
| 20 | Skate bowl. Would entertain the idea of a splash pad In addition to retain the water aspect. Plus young kids love splash pads | 3/24/2022 1:56 PM |
| 21 | I am an interior and exterior designer and would love to work on the project. We would consider helping fund a portion as well. | 3/24/2022 1:20 PM |
| 22 | Thank you for opening this survey to the public! We look forward to your decision and to hopefully having a new and improved pool for our kids to enjoy all summer | 3/22/2022 9:07 PM |
| 23 | I hope the City will strongly consider keeping South Pool (whatever its configuration) in our neighborhood. I'd be willing to donate money in addition to my city-related taxes in order to see either a much-improved or totally new pool become a reality. | 3/22/2022 11:04 AM |
| 24 | Swimming is an excellent activity for families to share, for exercise, for safety in watersports, and for development of our youth. Boise's well-spaced network of public pools is important to | 3/20/2022 4:51 PM |
| | the fabric of this community. | |
| 25 | As our population grow, we will need to bring this experience to more and more children | 3/20/2022 2:09 PM |

| 27 | Would love to see this done well | 3/20/2022 12:38 PM |

| 28 | I think these pools are really special and if they were functioning currently, they would add so much life and quality to the neighborhood. Architecturally, they are gems they are beautiful and fun to look at. The historical value of these spaces are invaluable. There should be some sort of exhibit showing old photographs and perhaps old stories collected from their neighborhood residents. | 3/20/2022 11:09 AM |
| 29 | Very much hope the City finds a way to preserve the pools that are both historic and relative to the era of house in area built. | 3/20/2022 10:09 AM |
| 30 | Build a pool like Fairmont or Borah | 3/20/2022 9:23 AM |
| 31 | Please don't destroy this important historical landmark. Too many of our historical buildings have been destroyed over the years. If we wanted to live in a brand new cookie cutter neighborhood then we would move to one in Meridian. Keep us unique. | 3/18/2022 10:53 AM |
| 32 | I want to see the South campus provide diverse summer activities, such as swimming, tennis, baseball, open fields to fun and play. | 3/17/2022 7:41 PM |
| 33 | Every day we lose a little more of our historical past. This pool is an important part of that past that needs to be preserved before we have nothing left to remember it. That history is an important part of our neighborhood and who we are as Boiseans and Idahoans, that needs to be preserved for our children, grandchildren and generations beyond. | 3/17/2022 7:39 PM |
| 34 | Let it be a feature and benefit to the community where we can feel like going just because the mood strikes, rather than needing to be something that's planned & coordinated in order to enjoy. | 3/17/2022 3:50 PM |
| 35 | Save the pool, to many historic building have been destroyed | 3/17/2022 2:16 PM |
| 36 | I would like to make additional comments here that I was not able to when then question was asked back at the beginning of the survey. I think access to a public pool facility should not be restricted due to gender, race, income, etc. However, I do think that physical ability does have some restrictions. I think it might be too cost prohibitive to make all pools fully ADA compliant. Some pools should have amenities for the more severely challenged but not every neighborhood pool. I would very much like to see neighborhood pools remain a part of our environment. The pool provides a good activity for children, all children should be able to swim, and is an excellent social environment. I think that many smaller facilities that are accessible by bike or foot within a neighborhood are preferable to one large facility with lots of amenities. | 3/17/2022 11:58 AM |
| 37 | Building additional public pools would potentially help lessen the great burden that is being put on the Greenbelt and the river during peak summer heat season. which negatively impacts the wildlife that depend on the river and surround greenbelt for survival. I strongly support funding going toward local public pool developments for this reason. | 3/17/2022 12:35 AM |
| 38 | Just that I love it! | 3/16/2022 6:52 PM |
| 39 | My daughters really enjoyed spending time at this pool with their friends. This location is convenient, in a low traffic area and provides a place for great memories to be made. If nothing else please try to retain a pool at this location. | 3/16/2022 6:19 PM |
| 40 | More shade in the deck area would be amazing. | 3/16/2022 4:52 PM |
| 41 | Not at this time. | 3/16/2022 1:38 PM |
| 42 | Please save the pool! I know firsthand how it can improve the lives of children—it certainly influenced me. After 6 summers of swimming at South pool, I went on to be a waterfront counselor at several different camps. | 3/16/2022 12:20 PM |
| 43 | Tear it down build back better | 3/16/2022 10:16 AM |
| 44 | Please stop raising our taxes. Boise City taxes are at least 3x any other city in the Treasure Valley. Pools are money pits. | 3/15/2022 3:46 PM |
| 45 | Boise is unique and inclusive be thoughtful please. | 3/15/2022 3:27 PM |
| 46 | None | 3/15/2022 11:23 AM |
| 47 | With mid century modern being a desirable style at this time, I think a new pool could incorporate a few aspects of the entrance area in a new updated design. | 3/14/2022 12:59 PM |
| 48 | Please keep the pool open and accessible to the public. In the summer, it is always busy. So many neighborhood kids hang out outside the pool, it is a real community meeting place. In a time when kids and adults spend so much time looking down at their phones, this is a place where technology is set aside. It adds so much value and character to our neighborhood. It would be so sad to see it torn down or sitting idle, out of commission. | 3/14/2022 10:11 AM |
| 49 | I've been to some very nice municipal pools. While these pools may be historic, they are inadequate. | 3/14/2022 1:30 AM |
| 50 | I feel that the two story pool design also serves the purpose of safety and security that would be made more difficult with a ground level design. | 3/13/2022 5:08 PM |
| 51 | Repurpose space for a soccer park | 3/13/2022 4:48 PM |
| 52 | This pool is a treasure and has been for generations. Keeping it accessible to more people should be a very high priority for the City of Boise. The neighborhoods where all the people are rich have access to many activities for their children. This is such a beautifully mixed socio- | 3/13/2022 4:13 PM |

| | economic neighborhood, it should be the highest priority for activities like this. I also love the idea of maintaining the historical architectured (and the David Lynch connection). | |
|----|---|--------------------|
| 53 | The city needs to make recreational activities/physical facilities available to ALL residents of the City, not just the north and east ends. | 3/13/2022 1:34 PM |
| 54 | This we need more soccer fields. We have the river that is free. | 3/12/2022 8:44 PM |
| 55 | Having a local pool is a great asset to the neighborhood. | 3/12/2022 12:19 PM |
| 56 | Not more than all ready mentioned. However, I would like to thank everyone for this opportunity to provide input. And acknowledge how important it is to protect this "monument" to the early days of the Boise Bench area. | 3/12/2022 10:02 AM |
| 57 | As a 26 year season pass holder at Boise city pools and one who uses the pools at least 4 times every week, I would be interested in participating in this team. I feel swimming is very important skill and activity for everyone. All 3 of my children have accumulated 12 years of lifeguarding, coaching, swim instruction, and pool management. One reason we live where we do is because of proximity to a city pool. | 3/12/2022 9:44 AM |
| 58 | No thank you. | 3/12/2022 7:27 AM |
| 59 | This is such a key anchor amenity for families to recreate together near their homes. Investing in neighborhoods is the best way to communicate the value of these families, and especially our children and teenagers, to our city. And the historic significance and quirky architecture makes this pool particularly special to our community. | 3/11/2022 8:26 PM |
| 60 | Please save this pool. | 3/11/2022 6:26 PM |
| 61 | I think the decisions that are made should make the pools available to neighborhoods and to either improve existing or build new facilities. | 3/11/2022 6:16 PM |
| 62 | If it gets torn down, maybe do a big Block Party/Decommissioning Ceremony. | 3/11/2022 6:14 PM |
| 63 | Would really like to keep the location the same. | 3/11/2022 5:57 PM |
| 64 | Let's take care of people before pools | 3/11/2022 4:05 PM |
| 65 | The mayor needs to stop all the photo ops and green bullshit. She needs to manage the basic services a real city provides | 3/11/2022 1:46 PM |
| 66 | I know there have been private donations to update South Pool in the past. My family, and I think many others, would be willing to contribute funds to keep South pool (updated or new) open in the same location, if the city determines the cost to be prohibitive. In hot, dry, Boise, opting for a "park" would be a sad and discouraging vision for the future of our established neighborhoods in the city. | 3/11/2022 1:00 PM |
| 67 | I would like to see the existing pool preserved as a historic site. I would like to see a new pool built in the same neighborhood, within view of the existing pool. | 3/11/2022 12:53 PM |
| 68 | I think the pool needs to be rebuilt expanded with some capture of the art deco design duplicated | 3/11/2022 11:45 AM |
| 69 | None | 3/11/2022 10:15 AM |
| 70 | Fix the deficiencies, but use our taxes wisely. | 3/11/2022 10:05 AM |
| 71 | Keep the true natives in mind. We are in fact the ones that shaped this city to make it so desireable for out of staters to come and exploit. Please remember those who made Boise what it is - awesome! | 3/11/2022 9:42 AM |
| 72 | This pool is such a classic. Altho I've never used it, I drive past it frequently and especially enjoy the art deco entrance. I think it's needed for the neighborhood. | 3/11/2022 8:53 AM |
| 73 | As a black family in Boise my children need to learn to swim. If they drown the city should be held responsible for them not been allowed to practice swimming | 3/10/2022 10:44 PM |
| 74 | City pools are needed and valuable to the community | 3/10/2022 9:19 PM |
| 75 | These are unique places. With some updating and improvements to access for those with disabilities, and maybe with some warm water on cold days, this pool could once again thrive! | 3/10/2022 8:15 PM |
| 76 | Upgrade it as needed but keep what it means to the city. | 3/10/2022 8:06 PM |
| 77 | Keep Boise for families. | 3/10/2022 5:46 PM |
| 78 | South pool is in a good location for all ages on the bench | 3/10/2022 5:46 PM |
| 79 | i believe upgrades should be made to maintain the pool, but not necessarily "improved" to accommodate all swimming abilities to preserve the historic value. And a separate modern pool would be nice, and built on new land. | 3/10/2022 5:34 PM |
| 80 | Just keep a pool open in that neighborhood | 3/10/2022 5:16 PM |
| 81 | Let's get this pool for the kids! | 3/10/2022 4:54 PM |
| 82 | Ultimately, we want the pool to remain in the neighborhood | 3/10/2022 4:50 PM |
| 83 | This is a wonderful complement to the South Junior High stage that was preserved when the new school was built. Many of our new neighbors grew up in this neighborhood and are now returning because of these special features of the Bench. These amenities make the Bench | 3/10/2022 4:31 PM |

one of the most desirable neighborhoods in Boise. We don't need to try to make it into another new subdivision attraction.

| 105 | Thanks for the opportunity to think about this and provide input. In a city such a Boise pools are an excellent amenity in the summer that enhance our quality of life and provide safe, fun places for kids. I hope we can have the spatial distribution of pools in the city make it possible for most people to enjoy one. | 3/9/2022 12:57 PM |

| 113 | Many of the children who live in the area in which South Pool is located are refugees who don't know how to swim and never visit the pool. A soccer facility would attract everyone and would serve as a community gathering place for all kids and their families. If it was a covered facility, it could be used almost year round, unlike a pool which is used only during the summer months. | 3/8/2022 7:57 PM |

I think this can be accomplished here. I believe it's desired by many or this survey would not exist. | 156 | Reopening a remodeled, historic South Pool at the existing historic location is important. If not feasible to renovate, build a new ground level, rectangular, enclosed lap pool at the existing location while preserving & incorporating the existing Art Deco facade at the entrance of a new South Pool. DO NOT turn the existing South Pool into a skateboarding facility (which would be right next to "No Skateboarding" signs at the contiguous South Junior High. | 162 | Please respect the history of this pool. I strongly belive everyone should have access to public amenities but this is an exception due to it being an historic preservation and not a new build. I have grown up going to this pool along with my kids. I now find myslef unable to attend due to physical limititations but there are so many options for me close by. Please respect the love people have for stuctures in Boise as they are, so generations don't have to say "it use to be so much better before they changed it". | 3/4/2022 10:13 AM |
| 163 | If the city of Boise can find money to buy acres of foothills it can also find money to improve and keep neighborhood pools. Historic preservation is low on my list because it makes it a museum piece and well something to look at and not use. However a pool should be used and friendly to the community. | 3/4/2022 8:46 AM |
| 164 | While I strongly support existing pool renovation and reopening, I would support rebuilding a below surface pool if it was less expensive and more efficient in long run. | 3/4/2022 8:36 AM |

For years the residents in the neighborhood have asked for the pool to be maintained properly and be available for use. | 206 | I have been swimming at some very well-known facilities across the nation for to school and work. I despise the facilities available locally, and it is glaringly obvious why Boise doesn't produce swimmers- there is nearly no access other than a few Y locations. I don't mean we need to regularly have divers called up to the olympics, but it would be cool if local kids had exposure to the things you can do in aquatics- polo, diving, artistic swimming- or at the very least had an economical and close location to just learn not to drown. | 3/2/2022 3:33 PM |

You have gotten rid of too many historic structures by just 3/2/2022 2:19 PM looking at cost. Do the maintenance you should have been doing all along and leave this pool standing as it looks now. 215 Let's keep a neighbor pool for kids and families in South school district 3/2/2022 2:17 PM 216 3/2/2022 2:08 PM 217 Since the City has significantly expanded its boundaries but fails to provide equal amenities, 3/2/2022 1:55 PM and most likely can't afford to ever add more pools to the NW and SW edges of the city limits, I believe the current pools should be privatized into non-profits funded by grants, donations, membership fees and volunteers, rather than public money. 218 Keep the history. Update to be accessible. 3/2/2022 1:18 PM The most important factor is to get pools up and running for the community in a sustainable 219 3/2/2022 1:07 PM way. That may mean tearing down a historic structure (I think it does in this case). Keep the art deco façade and incorporate it into the new pool! 220 This is an important part of Boise's history worth savings. 3/2/2022 12:43 PM 221 I really hope that a pool can be provided for the neighborhood. As the city approves more 3/2/2022 12:42 PM density they should also make investments in making it more livable. Having a pool that young people of limited means can bike to is one way to show confidence in our neighborhood. As a long time resident I really want to support having a pool, not a historical site in the neighborhood. While I think the design is cool, the structure has been problematic for years. I think a pool that is bid enough for swimming laps would be nice. A splash pad would be fun and a slide. The high dive was especially fun when I was a kid. But I don't think in our litigious world we can make that happen again. Do not turn this into a skate park. 222 Kids today need more than the kids of the past. So splash pads and slides may increase 3/2/2022 12:40 PM usership. 223 Please consider keeping this structure alive. Life is dull without the history and memories that 3/2/2022 12:22 PM we all share in the buildings and community spaces we share. 3/2/2022 12:04 PM 224 New facility, save the front like we saved the front of South Jr Hi. 225 Spend your money on improving and expanding open spaces that are not so usage specific. 3/2/2022 11:58 AM Look at it as an opportunity to save our taxpayer money and not fund feel good projects that have limited 226 No. 3/2/2022 11:50 AM 227 Maybe keep some of the historical looks or pictures but update completely, like the Natatorium 3/2/2022 11:38 AM downtown. 228 I would thank the city for operating the Natatorium last summer with lap lanes (finally!!!) I'd 3/2/2022 11:20 AM love to see early morning swim reinstated, but have two full hours last summer was amazing. We need more lap swim availability as a whole. 229 Good luck, and thanks for taking this on! 3/2/2022 11:16 AM We are a larger family that uses Boise pools. South is closest to us but one of the worst pools. 230 3/2/2022 11:11 AM I'm so excited that this is being given the attention it deserves. 231 Leave it as is. Fix only what needs repaired to reopen it. 3/2/2022 11:09 AM 232 Save the pools. 3/2/2022 11:03 AM 233 Make a skate park 3/2/2022 10:50 AM 234 Make it a skatepark! If you build it, they will come! I have many connections as a local in the 3/2/2022 10:48 AM community to make it a great space 235 The pool could possibly function as a skatepark. The historical elements would be preserved 3/2/2022 10:41 AM but with a new amenity to the city in this scenario. Yes, although it would be great to have this pool back, it would also be amazing to see it be 236 3/2/2022 10:34 AM turned into a all ages skate park. 3/2/2022 10:27 AM 237 Keeping the pool close to current location important for residents 238 get building asap 3/2/2022 10:25 AM 239 Not really, I just hope you turn this pool into a skatepark real bad. 3/2/2022 10:21 AM 240 I believe in preservation but not at a higher cost to new development. 3/2/2022 10:20 AM 241 No pool, skatepark, Park, bball court, baseball field, bocceball courts, something else that 3/2/2022 10:03 AM could get more people we lived without a pool there for a while, we dont need it. Whatever happens here make it very nice the bench needs it. 242 Keep the neighborhood pools! Do not turn them into parks or skate parks. We have quite a few 3/2/2022 10:03 AM parks but way too few pools. 243 The skatepark idea is the best i've heard outside. I'm also largely involved in the Boise music 3/2/2022 10:03 AM scene and the back idea could help establish and area for musical performances and events.

Maybe a walkability/bike-ability/patron analysis of where Bench area citizens go to swim (my guess is Ivy Wild or South) versus Borah (closer to Capital/Borah neighborhoods as Cole/Fairview make South beyond the distance a lot of Borah kids can travel by bike. I love historic structures, but I love more making sure kids can access a place to learn to swim and hang out with their friends safely growing up. That was the best part of my childhood, hands down. Updating it 3/1/2022 3:40 PM would be a slap in the face to all those with limited means in this area, and would underscore that the neighborhood "isn't keeping up". This idea is all wrong. Keep it as is. Older structures are BETTER than new. 314 Get to WORK! THE KIDS NEED IT. 3/1/2022 3:25 PM 315 I do not value a pool as a historical landmark. Perhaps the art deco lettering and a historical 3/1/2022 3:19 PM plaque could commemorate the history of the site. A pool should be a structure that is modern enough to function in a clean, safe manner. Public pools are an important attribute to a community, especially with the scorching, hot summers that we have. 316 turn it into a skatepark 3/1/2022 3:08 PM 317 Turn it into a skatepark! Everything must be accessible and welcoming. 325 I firmly believe turning the pool into a skatepark/ bowl would be the easiest and cheapest way 3/1/2022 2:24 PM to maintain the structure and spent the least amount of money while still making it functional and preserving it 326 skatepark! 3/1/2022 1:58 PM 327 Boise needs less apartments and more pools and parks 3/1/2022 1:46 PM 328 3/1/2022 1:40 PM pools are the life blood of the city in the summer!!! My 3/1/2022 12:25 PM state's retirement system used one very much like this that cost people health insurance, cola adjustments, etc. Sad. 340 A pool is just a pool to many people but for children and families it is a great place to create 3/1/2022 12:23 PM lasting memories of the summer. The summers in Boise can be unrelenting with its heat. The public pools in any community is a great way for any family to provide a space to escape that heat. If the pool has to be demolished and rebuilt that is perfectly fine but don't go all out. Just make it accessible to all the community and let everyone have their summer fun 341 3/1/2022 11:57 AM As it would be nice and more inclusive to make the pool more accessible, it was fun to go to

The pool as A teenager and just be able to hang out with less older people and little children. A group of friends could go there for the day and not be yelled at by some old lady. I also feel

that the above ground pool is very unique and it holds a lot of memories. It's not just some

community pool. It was the spot! It is also cool to be able to pass on that experience to my nieces as they started getting into their teenage years. They eventually started riding bikes to the pool on their own. 342 Nο 3/1/2022 11:45 AM 343 Currently, Boise has a severe lack of public pools to serve our population. As Boise grows, so 3/1/2022 11:35 AM does the need for more recreational and teachable water space. As it has been made clear building new pools is not in Boise's budget, refurbishing old pools becomes necessary. 3/1/2022 11:22 AM 344 Open the pool this summer for children who need a normal summer. 345 Maybe make it a natural hot spring 3/1/2022 11:21 AM 346 Please keep this historical landmark in Boise. It would be great to reopen it but if that's not 3/1/2022 11:19 AM possible maybe it can be used for something else but please in no circumstance consider testing it down. I have never seen above ground pools like this in any other place. 347 The neighborhood would be ruined if you replace the pool with a skate park as talked about a 3/1/2022 11:16 AM couple of years ago. This pool is a gathering spot for us all. Even those of us who don't use it appreciate it's value. Regardless of it's design. Why did you wait so long to do it? It could have been done during it's shut down for Covid. 348 Please save our historical South municipal swimming pool for the use and enjoyment of future 3/1/2022 11:15 AM generations. 349 It does not seem wise to spend a great deal of money on something only used 2 1/2 months a 3/1/2022 11:08 AM Preserve whatever stylistic elements make sense, but make it cooler, more accessible, and 3/1/2022 11:04 AM 350 more practical for people. Lap swimming hours would be awesome for my DINK family. 351 we need to keep these around for the native Boiseans. Also, be transparent so we might know what's 3/1/2022 10:35 AM going on. 3/1/2022 10:30 AM 356 no 357 3/1/2022 10:30 AM keep the pool and reopen it Keep history alive! Once it's gone it can never be rebuilt with the same significance. That's 3/1/2022 10:27 AM 358 what makes Boise still "cool". Please please salvage these Boise gems! Open more city recreation facilities more fully, especially the pools. Affordable recreation has 359 3/1/2022 10:26 AM always been important in Boise and that seems to be changing. It's very disappointing. 360 3/1/2022 10:25 AM Get rid of it and put money into parls 361 Preserving the history should be number one. Beyond structure and water treatment don't try to 3/1/2022 10:12 AM modify this beautiful historic pool. New pools can be built to new specs with new gizmos and splash pads in New locations. 362 There needs to be a working pool at this location 3/1/2022 9:43 AM 363 Keep the pool where it is! Keep the current pool and improve on what we have. 3/1/2022 9:38 AM 3/1/2022 9:18 AM 364 I'd like the natatorium to stay open longer, more month for lap swim 365 Each person on the team should explain their swimming ability and use of a pool. Not 3/1/2022 9:18 AM evervone can afford a country club. I can speak from personal experience that as an economically disadvantaged youth, I would 366 3/1/2022 9:16 AM not have had an opportunity to learn to swim or have a place to gather with friends had this pool not been open. This portion of the Boise bench neighborhood has too few recreational opportunities for children and maintaining this pool is crucial to providing recreational opportunity to residents who would not otherwise have access 367 Please don't raze this beautiful historic structure!!!! 3/1/2022 9:13 AM 368 The unique style of this pool is why we love it so much. 3/1/2022 9:10 AM 369 Preserving historic structures continues the traditional "Home Town" feel to the neighborhood 3/1/2022 9:09 AM and fits into the structures/homes in the neighborhood 370 Leave things alone. This pool has worked fine for years, yeah fix a few things but it certainly 3/1/2022 9:05 AM doesn't need to be torn down. Leave it as it is and fix whatever is wrong with the pool but it doesn't need to be completely refigured! Just leave it be and let people come swim in their community. So obnoxious that our kids haven't been able to swim for two summers now, and even more frustrating you're taking it away again and maybe even permanently!!?? Completely disappointed with Boise City's "priorities."

| 377 | keep the pools open | 3/1/2022 8:29 AM |
| 378 | I appreciate the simplicity of it. Just a place to swim, cool down, and visit with neighbors. There are plenty of other facilities for lap swimming, using a splash pad or a water slide. Please keep the character of these pools unique and simple. | 3/1/2022 8:29 AM |
| 379 | Thanks for putting together a survey | 3/1/2022 8:28 AM |
| 380 | Please do not sell this to the highest bidder! | 3/1/2022 8:28 AM |
| 381 | Swimming is a life skill. You need enough pools for the entire city. You can't eliminate sites and justify it. | 3/1/2022 8:24 AM |
| 382 | Please take very seriously the importance of this pool and it's historic structure to the neighborhood. | 3/1/2022 8:13 AM |
| 383 | My survey answers need to apply to Lowell Pool as well. | 3/1/2022 8:10 AM |
| 384 | Take into account how many ADA want to use that pool. Open a second option for ADA pool open to all of course for equality. Again the property is large enough to make a second pool access with awesome fountain features 0 dept entrance and keep it shallow to meet an option for all swimming abilities. Ivy wild has a great kids side. For the bigger pool. Again during Locker room remodel could you add a lift for ADA access. This equality mixed with historic seems easy in the grand scheme of things | 3/1/2022 8:08 AM |
| 385 | Keeping neighborhood pools available at a low cost is critical to our communities and keeps kids safe with fun options! | 3/1/2022 8:04 AM |
| 386 | Community pools should of the highest priority for in city. | 3/1/2022 8:01 AM |
| 387 | Please consider holding events at the site to increase funding and interest in the project! | 3/1/2022 8:00 AM |
| 388 | Save the two pools and do less statues and art work downtown | 3/1/2022 7:57 AM |
| 389 | Keep the sites for community pools but update/remodel them to allow for more users. | 3/1/2022 7:57 AM |
| 390 | Must make financial sense and sense for usage. | 3/1/2022 7:52 AM |
| 391 | We need all pools to stay open. | 3/1/2022 7:31 AM |
| 392 | Save this pool! It adds a lot to the character of the pool. | 3/1/2022 7:29 AM |
| 393 | Thank you for all the work you do to share these amenities with Boise residents. | 3/1/2022 7:28 AM |
| 394 | There are pools throughout the City that are accessible to everyone. Every pool does not need to be accessible to everyone. We visit the multiple pools throughout the City based on the experience we're seeking. The South Pool is great for cooling down and light play and it is ultimately geared towards our kids. It can be family-friendly but it is a neighborhood pool for kids to hang out with other kids and not necessarily be accommodated by their mothers | 3/1/2022 7:25 AM |
| 395 | We need to keep neighborhood pools scattered across town that are easily accessible by walking or bicycles. | 3/1/2022 7:24 AM |
| 396 | i would hope you can keep the pool at the same location. | 3/1/2022 7:18 AM |
| 397 | Please keep a pool in the central bench neighborhood. | 3/1/2022 7:10 AM |
| 398 | Na | 3/1/2022 7:04 AM |
| 399 | Please don't get rid of this and turn it into luxury apartments that are unaffordable. Anything else that utilities the space for public community activities would be great. | 3/1/2022 7:02 AM |
| 400 | I would pay additional money to use the pool. | 3/1/2022 6:37 AM |
| | Na | 3/1/2022 6:33 AM |
| 401 | | |
| | In the end, the most important thing is to have a pool that is accessible for the whole community. | 3/1/2022 6:24 AM |
| 402 | | 3/1/2022 6:24 AM 3/1/2022 6:16 AM |
| 402 | community. | |
| 401 402 403 404 405 | community. I do not. | 3/1/2022 6:16 AM |

| 407 | Clean up that area of vista - Boise is not a trash dump for junkies. Pools could make money and bring the community together, but it's going to be hard for the public to trust the city government after all the covid nonsense. You owe us an apology and some pools. | 3/1/2022 5:42 AM |
|-----|---|--------------------|
| 408 | Please open our pool again. We miss it very much! It should stay in the neighborhood and be updated. | 3/1/2022 5:41 AM |
| 409 | Please keep the historic part of the pool | 3/1/2022 5:39 AM |
| 410 | Hours at all pools should be changed to 9am to 9pm with no downtime like other cities and states manage to do. | 3/1/2022 4:56 AM |
| 411 | There are not a lot of places for children to get exercise outside in Boise, I grew up being able to go to a swimming pool, I believe it is not only important for Physical health, but mental health as well. | 3/1/2022 3:52 AM |
| 412 | A lot of people would be distraught if you closed the pool. Some people it's the only affordable summer activity for their kids. | 3/1/2022 3:40 AM |
| 413 | I know most buildings don't last forever, and both my elementary and jr high were torn down to build nee structures, it would be nice to keep something with a bit of history on the bench. | 3/1/2022 3:29 AM |
| 414 | None. | 3/1/2022 3:08 AM |
| 415 | Please preserve and maintain this beautiful. historic, functional structure. | 3/1/2022 1:34 AM |
| 416 | Why didn't maintenance and improvements happen before now. It wouldn't be as expensive. Why not be proactive? | 3/1/2022 12:48 AM |
| 417 | Please keep south pool open for the next generation. | 3/1/2022 12:12 AM |
| 418 | No | 2/28/2022 11:47 PM |
| 419 | These pools are small but meaningful part of what makes Boise such a unique and special place. Uniquely styled above ground pools that are accessible for all income levels and families. We who grew up in this city have already lost so much of what made Boise great. Please do not take this too | 2/28/2022 11:47 PM |
| 420 | Do what right not what's popular | 2/28/2022 11:46 PM |
| 421 | In the 1970's Boise bulldozed a lot of historical buildings with architectural elements/character and replaced them with soulless boxes with little to no architectural elements, worth mentioning anyway. The South and Lowell Pools have architecture, history, and they're unique. | 2/28/2022 11:19 PM |
| 422 | I would like the option to have time for outdoor lap swimming | 2/28/2022 11:11 PM |
| 423 | Give the pool back for kids to engage with each other and with adults I | 2/28/2022 11:08 PM |
| 424 | No | 2/28/2022 10:49 PM |
| 425 | Plant trees/landscape for shade. Global warming/too much sun exposure should be considered. Partial shading could be provided. | 2/28/2022 10:17 PM |
| 426 | Don't destroy it just because you can. Sadly we have a team of vultures hovering this project. If you destroy this landmark, then you need to tear down a historic house in the north end too. | 2/28/2022 10:08 PM |
| 427 | No | 2/28/2022 9:53 PM |
| 428 | I'm really surprised a city as forward-thinking as Boise would toss aside such a unique piece of neighborhood history. Obviously, a modern, accessible pool is needed, but this does not automatically doom the historic structure to demolition. Please be more creative in thinking about how the old structure could be repurposed, rather than demolished or modified beyond recognition, | 2/28/2022 9:49 PM |
| 429 | Do something good for a neighborhood that isn't in the north end | 2/28/2022 9:40 PM |
| 430 | Thank you! | 2/28/2022 9:38 PM |
| 431 | I really hope this stay a pool but gets some much needed love. This pool has been a part of so many kids summers. I hope it can continue to do so for many more years. | 2/28/2022 9:32 PM |
| 432 | Move quickly and make this a priority. Boise severely lacks aquatic facilities and we need pool resources. | 2/28/2022 9:24 PM |
| 433 | Please keep this pool open. It has been terrible having it closed. The kids need a gathering place to keep them busy and safe. | 2/28/2022 9:20 PM |
| 434 | We haven't been able to use it with Covid but I would love to visit if it reopens. | 2/28/2022 9:15 PM |
| 435 | I hope that we don't lose this fun pool! | 2/28/2022 9:11 PM |
| 436 | This is a common place for kids and community to interact and build relationships. The history of the building is important. Let's get as many people access as possible and keep our historic buildings safe and in use. | 2/28/2022 9:07 PM |
| 437 | This site should be preserved as a functional historical site. | 2/28/2022 9:06 PM |
| 438 | The space is just so small, it does t seem possible to make it a new, better pool. It would be great to have it be something that could be used more year round, for example a small turf soccer field. | 2/28/2022 8:54 PM |
| 439 | There have been enough changes to the Treasure Valley. It hardly feels like home. The area | 2/28/2022 8:50 PM |

has lost it sense of place because of all the demolitions and changes.

| | has lost it sense of place because of all the demolitions and changes. | |
|-----|--|-------------------|
| 440 | I support a pool at this location!! | 2/28/2022 8:47 PM |
| 441 | I am very disappointed that South Pool has historically been on the hit list. My kids were users of South, and then employees. This type of facility is so crucial for a neighborhood. | 2/28/2022 8:45 PM |
| 442 | I have two small children (4 and 1.5) and I hate the thought of them growing up without access to the south pool. I want them to be able to take swimming lessons there, meet up with neighborhood friends, enjoy hot summer days/evenings with them. Please keep this meeting place available to the neighborhood! I hope the South Pool will be an important location in their childhood/youth. | 2/28/2022 8:43 PM |
| 443 | Please be fiscally responsible with our taxes. | 2/28/2022 8:39 PM |
| 444 | Each pool serves different demographics- Ivywild for littles. South should not become a second Ivywild. | 2/28/2022 8:36 PM |
| 445 | Please find a way to keep our pool open! There is already a lack of kid-friendly options in the vacinity. | 2/28/2022 8:25 PM |
| 446 | Just that you need to keep the historic pools open and available for future generations | 2/28/2022 8:22 PM |
| 447 | No | 2/28/2022 8:21 PM |
| 448 | Historic buildings are expensive to upgrade, but these are not just structures. These are works of art, historical monuments, and important centers of recreation and social interaction. Kids need things to do in the summer besides playing video games in their homes. | 2/28/2022 8:20 PM |
| 449 | along with keeping the existing pool sites, add more. | 2/28/2022 8:16 PM |
| 450 | Thanks for being awesome. Its one of the reasons I love Boise so much is our Mayor and City Council's efforts to get public feedback and also incorporate it into design and planning. | 2/28/2022 8:13 PM |
| 451 | Please open up as many opportunities for swimming lessons as possible. | 2/28/2022 8:10 PM |
| 452 | It's important to provide swimming lessons in neighborhoods like ours. | 2/28/2022 8:06 PM |
| 453 | Keeping the pool (any pool) in the current location should be the priority. | 2/28/2022 8:03 PM |
| 454 | Please do not take the pool away without insight replacement. If it moves do not decrease the number of pools. And have one located in the poor section of the Central Bench. Let the wealthy areas buy into a club or something. Serve the Central Bench instead of disrespecting us - the usual view of the city. | 2/28/2022 8:03 PM |
| 455 | Keep South Pool in its current location. Why couldn't this have been done two years ago when the pools were closed? Then a pool might have been open for this up-coming summer. | 2/28/2022 8:03 PM |
| 456 | As someone who has been part of this community for 20+ years I think it's extremely important to continue funding for local pools. I worked for the parks and Rec department for 5 years and know the financial system in place isn't the most robust. However, I personally saw many lives be changed by the friendships and experiences people had at the pool and implore that all that can be done is done to ensure prosperity in our community. | 2/28/2022 8:01 PM |
| 457 | Certainly the pools should meet ADA standards but beyond that leave it be! | 2/28/2022 8:00 PM |
| 458 | I'm excited at the prospect of having access to an outdoor pool again! | 2/28/2022 7:50 PM |
| 459 | Sadly, Boise has not had a stellar record of respecting the aestetic and historical aspects of the city, integral to a livible city. | 2/28/2022 7:40 PM |
| 460 | Consider designs that allow for lap swimming. 25 or 50 meters across. Deep enough for flip turns. Square or rectangular in shape. Rounded shapes like ivy wild reduce the number of useable lanes. | 2/28/2022 7:36 PM |
| 461 | this part of town NEEDS a family oriented recreational facility- please invest in maintaining and re opening south pool | 2/28/2022 7:27 PM |
| 462 | Stop destroying Boise's historic buildings and stop the gentrification. Boise's long time residents have been priced out of the town they grew up in because developers and out of state investors have been allowed to buy up a majority of the properties. | 2/28/2022 7:26 PM |
| 463 | Please don't destroy this community pool history | 2/28/2022 7:21 PM |
| 464 | Spend the money. How about donations or a go fund me? | 2/28/2022 7:19 PM |
| 465 | If you start tearing down all of our significant historic places, soon we will have nothing to show our grandkids. | 2/28/2022 7:12 PM |
| 466 | Please don't relocate the pool. It is a great addition to our neighborhood and would be a huge loss. | 2/28/2022 7:11 PM |
| 467 | no | 2/28/2022 7:03 PM |
| 468 | If the pools look like all the newer ones, money goes into those. Lowell and South being older, the city doesn't see its néed to spend money on them. The idea that the pools are just a 3 month activity was never a big money maker for the City Rec. Department. I remember guards using scuba gear to patch leaks in the floor of the pool on a as need basis. More care was given to the other city pools. No wonder Lowell and South are falling apart. No up keep. I am supporting both South and Lowell Pools for renovations. | 2/28/2022 6:41 PM |
| 469 | As a resident and homeowner in the Depot Bench neighborhood, I would absolutely love to see | 2/28/2022 6:32 PM |

| | about he prospect of making improvements as well. | |
|-----|---|-------------------|
| 470 | It's exciting that the City is considering retaining and possibly improving these special neighborhood pools! | 2/28/2022 6:28 PM |
| 471 | Hold an architecture competition get free ideas of how to change the space! | 2/28/2022 6:25 PM |
| 472 | Keep the cost for entry down for our low income students! | 2/28/2022 6:21 PM |
| 473 | No | 2/28/2022 6:19 PM |
| 474 | Yes please have an adult day and charge a boat load make some cash for the bench community! | 2/28/2022 6:13 PM |
| 475 | Just so much concrete there how do you value past carbon emissions in the future goal to reduce carbon emissions? My thoughts are keeping the past investments/emissions useable is better than demolishing them. | 2/28/2022 6:10 PM |
| 476 | How fascinating that your survey questions are all clearly slanted to your end goal to spend millions on these two pools. Can't spend enough in certain neighborhoods, can you? | 2/28/2022 6:07 PM |
| 477 | I understand that this may seem like a low priority, but this pool is an important destination for our neighborhood. Most residents do not have a private pool for hot summer days, and this pool is a great place for all ages to go to in hot summer. | 2/28/2022 6:04 PM |
| 478 | I'd love to see a new pool in our neighborhood! | 2/28/2022 5:50 PM |
| 479 | A minimalistic in-ground pool renovation seems best public investment for ADA and kid access unless you can relocate the facade to another better suited piece of land. As much as we love that facade, there isn't room for accommodating 21st century amenities at this site, and I agree that any money spent needs to accommodate everybody fairly | 2/28/2022 5:44 PM |
| 480 | My family has gone to this pool for decades and my grandkids love it. Let's keep this cultural treasure and the unique pool experience. | 2/28/2022 5:43 PM |
| 481 | We are so rapidly losing institutions that provide the character of our city. They matter, and when we have the opportunity to give them new life, we should. | 2/28/2022 5:43 PM |
| 482 | The pool doesn't need all the bells and whistles of a water park. That in turn would only make it less accessible to the low income people as it would no doubt drive up cost. | 2/28/2022 5:40 PM |
| 483 | Once the historic elements are gone, they're gone. And please do consider incorporating the original structure into a skate park if it can't be kept as a pool. The Bench needs one of those desperately and South pool could make an amazing feature. If something like that happened (South Pool structure lives on in some new form), I would be much more open to the idea of replacing it as an actual pool. | 2/28/2022 5:23 PM |
| 484 | Please keep the pool in the same location. Moving the pool will not receive my support. | 2/28/2022 5:18 PM |
| 485 | It is difficult to understand how city officials would lack vision period. | 2/28/2022 5:12 PM |
| 486 | Tough choice I would just make it practical historical is important but use is what we're all there for right! | 2/28/2022 5:12 PM |
| 487 | Neighborhood pools are such a valuable resource in areas like the Boise Bench. They help build a sense of community and provide healthy options for our youth. | 2/28/2022 5:08 PM |
| 488 | No. Why is your survey so long? | 2/28/2022 5:05 PM |
| 489 | No | 2/28/2022 5:03 PM |
| 490 | It's a pool. Older kids have other options. Landscape is not an important factor. If funding for handicap accessibility is an issue there are grant funds for this. | 2/28/2022 5:00 PM |
| 491 | Make improvements that you want your kids' children to be proud of in 20-30 years | 2/28/2022 4:57 PM |
| 492 | I love the ivywild pool- something like that would be wonderful in our neighborhood. | 2/28/2022 4:55 PM |
| 493 | Public pools are better for swimming and playing than canals or irrigation ditches. | 2/28/2022 4:54 PM |
| 494 | City pools provide low cost options for families to cool off in the summer. I hold my toddler and play when there aren't safe options for him. | 2/28/2022 4:53 PM |
| 495 | No I feel like I have said enough in my other answer I just beg you to please save this place and not destroy it. Please | 2/28/2022 4:53 PM |
| 496 | Keep the current location. It doesn't need all the bells and whistles. It's a part of our community. | 2/28/2022 4:49 PM |
| 497 | Use apra money for this project. | 2/28/2022 4:46 PM |
| 498 | Thanks for all that you do!! I know that it's impossible to make everyone happy!! If it came down to it I would prefer that Boise at least keeps one of those pools in operation. | 2/28/2022 4:43 PM |
| 499 | Keep our neighborhood pools. | 2/28/2022 4:42 PM |
| 500 | I like the idea of a larger common area to the rear of the area. I think we might consider connecting the pool area to Bagley Park with a path. It gets forgotten tucked away behind the houses and football fields. | 2/28/2022 4:41 PM |

| 536 | South Pool provided privacy for swimmers. We were high enough where there was no weird people peering through the fence. You really need to consider this when you decide what happens to our beloved pool. We felt safeworth everything! | 2/28/2022 2:04 PM |
| 535 | N/A | 2/28/2022 2:04 PM |
| 534 | Please use your time and energy to preserve what makes our community unique and emphasize the connection that is built through the collective appreciation of historical places and landmarks. | 2/28/2022 2:05 PM |
| 533 | City pools are important. Spend our tax dollars wisely | 2/28/2022 2:28 PM |
| 532 | Please restore at least one historic pool. | 2/28/2022 2:36 PM |
| 531 | Sad if you tear it down | 2/28/2022 2:40 PM |
| 530 | Costs less to keep. | 2/28/2022 2:41 PM |
| 529 | Save south pool | 2/28/2022 2:42 PM |
| 528 | If the pool is relocated I am in favor of a community garden. | 2/28/2022 2:49 PM |
| 527 | Please do the right thing! Involve people who know about historic preservation. | 2/28/2022 3:01 PM |
| 526 | These are unique features to Boise and should be retained if at all possible. | 2/28/2022 3:01 PM |
| 525 | Kids need places to go that they don't always need be driven to once they reach a certain age; neighborhood pools and summer swim passes help accomplish that. | 2/28/2022 3:05 PM |
| 524 | I hope you choose to preserve this little piece of history! | 2/28/2022 3:09 PM |
| 523 | I'm very against having an expensive facility and using it only a few months a year - like the new unheated restrooms at Bowden Park. | 2/28/2022 3:14 PM |
| 522 | Thank you for asking for input! | 2/28/2022 3:14 PM |
| 521 | Pool use should focus on year around use at same or similar cost as the budget proposed to make the repairs on these historic pools. | 2/28/2022 3:19 PM |
| 520 | Please don't destroy or radically alter South Pool; so many of its neighbors value it so much, especially for its historic character. Not everything needs to be "improved" by upgrading and chasing the latest fads; there is value in preserving something for aesthetic and nostalgic qualities. Please preserve the unique character of both South and Lowell pools! | 2/28/2022 3:23 PM |
| 519 | Let's get the neighborhood pools open asap to give kids and teens a safe and fun place to hang out during the summer, especially in critical neighborhoods such as this one. | 2/28/2022 3:24 PM |
| 518 | The pool is part of neighborhood of families. It represents the needs of Bench in learning to swim, have fun and stay healthy. | 2/28/2022 3:25 PM |
| 517 | We all love the current Natatorium pool and slide. However, don't we all look at the pictures of the old Natatorium and sigh? I hope we're more forward-looking than the folks who tore down the old Nat. | 2/28/2022 3:26 PM |
| 516 | Dont let Mayor Mclean fun police this and end up demolishing the historic site | 2/28/2022 3:29 PM |
| 515 | Don't tear it down! | 2/28/2022 3:37 PM |
| 514 | Make the pool usable while keeping the historical value. The Bench lacks historical sites. A usable historical site will ensure future generations can enjoy it for what it is, a city landmark. | 2/28/2022 3:44 PM |
| 513 | Please don't tear it down. There are so many wonderful memories hidden in those walls. | 2/28/2022 3:47 PM |
| 512 | Please don't tear down the pool | 2/28/2022 3:50 PM |
| 511 | Keep the pool where it's at | 2/28/2022 3:57 PM |
| 510 | Boise has very few pools for its population. Our athletic centers don't meet the needs for education or fitness. Access to summer pools helps with the demand. Any time that we can add a pool within the city of boise should be considered. | 2/28/2022 3:58 PM |
| 509 | Look to the example set by other cities. The options are endless. Build a full state of the art facility next to Idaho Ice World. It will combine facility management in a manner proven effective by other municipalities. | 2/28/2022 4:03 PM |
| 508 | Thanks for engaging with the community on this! | 2/28/2022 4:09 PM |
| 507 | Preserve history | 2/28/2022 4:11 PM |
| 506 | In addition to the Borah Pool, it's vitally important that the 'old' Central Bench area have a pool. | 2/28/2022 4:19 PM |
| 505 | I think spending a bunch of \$ for landscaping is not needed. | 2/28/2022 4:27 PM |
| 504 | The pool should remain on the smaller side as the nearby houses could find the noise, traffic, and parking problematic. | 2/28/2022 4:28 PM |
| 503 | The depot bench should have a community pool and it needs to stay on the north side of overland. | 2/28/2022 4:30 PM |
| | | |

| 538 | Don't increase taxes to pay for this. We are already paying for too many bonds and levies. Government should have seen / known that repairs were going to be needed and started | 2/28/2022 2:00 PM |

| 543 | Engagement could be improved as with everything the City does. You should send out notifications in the mail to those who use the South pool (Depot Bench, Vista, Hillcrest, Central Bench). Notifying neighborhood associations should be required. The historic preservation commission should have been one of the first entities engaged in this conversation and it was not. In addition, the Boise Bench has lost A LOT of historic fabric recently and this pool should not be the next thing to go. I am tired of the City only caring about what is north of the River. There are more important recreation facilities other than the foothills. The Bench is a resilient and diverse community with a rich history which is reflected by the pool and its surrounding neighborhood and that should not be ignored. | 2/28/2022 1:39 PM |

| 546 | Please prioritize South Pool and Bowden Park. | 2/28/2022 1:34 PM |
| 547 | I hate to see the charm and historical link of these pools be lost. Boise has such a delightful character and history and I hate to see these pools be eliminated and make everything the same. However, it is vital that we make these pools accessible to all people and to maintain the vibrant community life of the neighborhood. | 2/28/2022 1:29 PM |
| 548 | The survey was ambiguous as it tried to serve two purposes at the same time asking questions about the existing pool and a new pool in the same clusters of questions. | 2/28/2022 1:28 PM |
| 549 | Hoping that it can reopen as soon as possible. | 2/28/2022 1:25 PM |
| 550 | make it happen! | 2/28/2022 1:15 PM |
| 551 | I would love to see the entrance preserved and a new pool facility in the same spot. | 2/28/2022 1:14 PM |
| 552 | There are many things like budget details, attendance, and vision for pools which I'd want to understand better before giving answers to the city. Downtown has Lowell, Nadatorium, and Ivywild. The bench has south and Bora. West has Fairmont and West YMCA. There is also the downtown YMCA but I'm ignoring that now. There are the other water facilities that should also factor into our community vision for water activities, like the boise river. From a planning perspective, I think consideration for south of 184 is a big need. That newer area need to have good plans from the City on the vision of Parks and Rec. I'm cheap and conservative, part of me wants some of these large expense and extra government facilities go away but they can make the communities we live in nicer, if well planned. I'd like to see more methodology around the number of pools and the locations. Like I said, South of the highways seems neglected from the perspective of public pools. The pools we fund, I want them to not just enable swimming when it is hot, but playing in the water with extras like diving boards, slides, and some amount of falling into the body of water. Small child areas and lanes are fine especially when there are groups and other functions they serve, the diversity of water activity has some value at a community level, but we ought to have a list of how the community can be using the pools and communicating those is ways the public can see them (school districts. Are the pools on the website? Yes. But do we do a good job guiding a visitor of boise to float the river, go to the zoo, swim at these pools? (the layout out is really pretty good) Honestly, I don't think the website has a good enough picture gallery at each of the pool sites. I also feel that under the visitor tab, tourism should be tied to recreation, and vice versa. Residents don't see the tourism options when searching for activities, the non Boise considerations for adventures. Maybe recreation should be titled Recreation in Boise and Tourism is Tourism in Bois | 2/28/2022 1:13 PM |
| 553 | There is no land in Boise to build another pool. There is a huge need in that area of town for a summer activity for the youth in that area. Please put the residents of the bench first. Do not sell out one more piece of land to a developer. The bench area is being treated very unfairly by the city. Developers and high density housing are hurting the neighborhood feel of the bench. Keep the pool. | 2/28/2022 1:09 PM |
| 554 | Thank you for your work on this front - and for being committed to a public dialogue. | 2/28/2022 1:06 PM |
| 555 | Not at this time | 2/28/2022 1:03 PM |
| 556 | I don't think the pool needs to be up out of the ground or anything. I think there are better ways to preserve the history. | 2/28/2022 1:01 PM |
| 557 | Thanks for doing this. Can't be easy to see a whole bunch of contradictory opinions and have to make sense of it all. Either way I am looking forward to seeing what happens. | 2/28/2022 12:55 PM |
| 558 | Please don't move our pool! | 2/28/2022 12:54 PM |
| 559 | Clinging to history for history's sake can hold us back and rob us of a better future. The design of the pool is unique, but that doesn't make it necessarily good or worth preserving in its current form. Maybe there is a reason that there are only a few surviving examples of these | 2/28/2022 12:54 PM |

| | pools across the country, given that we now see the true cost of renovating the facility to make it available to all members of the community. The importance of a pool as a community meeting site, as well as the aesthetics of the facade can and should be honored, but a new facility would be the best use of city funds instead of trying to drag an outdated design, kicking and screaming (and budget overruns) into the future. | |

| 560 | My kids were too small to use the pool before Covid closed it. Now that they and many of the neighborhood kids are almost able to return to normalcy, please update and reopen this pool as quickly as possible. Children create memories at places like this. And please preserve the Art Deco style as it is getting so hard to find classic beauty and historically preserved locations around Boise. Thank you! | 2/28/2022 12:53 PM |
| 561 | Keep a swimming pool at this location. | 2/28/2022 12:48 PM |
| 562 | These pools and how they are set up - for the most part - are wonderful as they are. They do not need to become the next raging waters park. They are wonderful in their simplicity and should stay that way. | 2/28/2022 12:48 PM |
| 563 | Thanks for doing survey. Not every swimming pool needs to have same amenities as the others do. | 2/28/2022 12:46 PM |
| 564 | My highest priority is that the pool reopen with at least the amenities that are there now. I would guess that most users live close enough that a smaller locker room/shower are would suffice. For many years I could not access the pool because I had babies and young children. Changes to accommodate a wider span of abilities would be welcome, but not if it meant the difference between being able to open at all or not. If the pool closes, then no one would be able to use it, which is not better than only some people having access. | 2/28/2022 12:38 PM |
| 565 | My kids want to drive accross town so we can go to ivywild or the nat. Please give us a pool that the kids want to go too. | 2/28/2022 12:38 PM |

| 567 | I think it's so valuable for kids to have public neighborhood pools to access and use. It's the first taste of "independence" for many kids growing up and was such a treat. Affordable public pool passes are also important. The historic building is cool, but it's more important that the pool is usable for kids today and in the future. | 2/28/2022 12:27 PM |
| 568 | Please don't get rid of it | 2/28/2022 12:25 PM |
| 569 | We need more pools but I'd love to see more INDOOR pools that could be used year round. Swimming is something my disabled son loves and we just can't afford the ymca. | 2/28/2022 12:25 PM |
| 570 | Keep the pools open. | 2/28/2022 12:19 PM |
| 571 | Saving the Art Deco facade is extremely important, even if it's repurposed into something other then a pool | 2/28/2022 12:17 PM |
| 572 | Please save some of Boise history. | 2/28/2022 12:14 PM |
| 573 | How about offering free swimming lessons to children, low-income families, adults like our refugee transplants at the pool certain days/times of the week during the summer. | 2/28/2022 12:13 PM |
| 574 | I'd love to see these updated, renovated - but greatest concern and priority is to make sure these neighborhoods, families and children have access to a safe, affordable pool, programs and lessons. | 2/28/2022 12:13 PM |
| 575 | Boise need more places to stay cool outside in the summer. I appreciate your work on this | 2/28/2022 12:12 PM |
| 576 | This pool has been around for 60 years. The mistake of trying to make it ADA accessible or functional for every swimmer in the community was made a long time ago. We have other pools near and within our city to accommodate those needs. I am STRONGLY against removing this pool or altering its identity in any way. Please do not try using the functional updates that need to be done as an excuse to scrape this valuable piece of history. | 2/28/2022 12:11 PM |
| 577 | should be taken down and a splash pad or new pool should be put in the design is not funtional anymore | 2/28/2022 12:10 PM |
| 578 | The pool's design was very unique and without knowing if it caused maintenance issues, I think the same design should be kept to as close to original as possible. | 2/28/2022 12:07 PM |
| 579 | This survey uses language the average Boise resident will not understand. You did a poor job designing your questions to be understood by all Boise residents yet you have so many questions about inclusion. What were you thinking? | 2/28/2022 12:01 PM |
| 580 | Please save our last remaining neighborhood pools. Adding decks etcwould make it too crowded and ruin the enjoyment for many. Reservations could be made along with ticket sales to keep it from being too busy and ruining the experience for many. Also safer to oversee. | 2/28/2022 11:58 AM |
| 581 | I appreciate that the team is considering keeping the current structure but it isn't like the site is truly historical. | 2/28/2022 11:57 AM |
| 582 | Please open it! | 2/28/2022 11:51 AM |

| 588 | Let's spend more on local projects for the youth | 2/28/2022 11:24 AM |
| 589 | Thank you for asking the public's opinion! | 2/28/2022 11:14 AM |
| 590 | We need more usuable pools in Boise for swim teams | 2/28/2022 11:07 AM |
| 591 | Don't spend money on the old pool, it is a waste | 2/28/2022 11:06 AM |
| 592 | I really think the historical significance of the Bintz pool ads unique character to this well established neighborhood. There is very little left of the art deco style architecture in Boise. I would love to see it preserved for future generations. | 2/28/2022 11:06 AM |
| 593 | No | 2/28/2022 11:04 AM |
| 594 | Not everything historical is valuable. Update the whole site | 2/28/2022 10:51 AM |
| 595 | A new pool would make much more sense. If you could make it a pool that could be used all year that would be amazing. The Y is not always an option so a neighborhood pool would be an incredible asset for the neighborhood. Swimming is a wonderful treat and lessons are always needed. | 2/28/2022 10:51 AM |
| 596 | Please don't tear down South Pool. | 2/28/2022 10:49 AM |
| 597 | More the merrier! Build a rec center. | 2/28/2022 10:30 AM |
| 598 | I think swim lessons and teams need to be readily available and inexpensive to get all kids swimming well. Drowning is the leading cause of death in children. We have personally been affected by this, it needs to be addressed. | 2/28/2022 10:27 AM |

Q21 Do you have a specific story or memory about South Pool that you would like to share with the City of Boise?

| 1 | Summer swimming growing up. | 3/27/2022 11:31 AM |
| 2 | A group of guys and kids would get together and play in water basketball that we had teams for and enjoyed all through my years in elementary, middle school and even now on highschool | 3/26/2022 7:17 PM |
| 3 | Our children were on the city's South Swim Team every summer for 8 or 9 years. We had to drive 5 miles one way, but the city rec program was fantastic! Thanks for the great childhood experiences, Boise! | 3/26/2022 4:09 PM |
| 4 | I remember countless memories with the different events the staff put on at the pool | 3/26/2022 1:34 PM |
| 5 | I met up with all my friends and swam from 12:00 to 6:00 | 3/26/2022 1:22 PM |
| 6 | I reneged all of my Friends and me came here and had a lot of good memories here | 3/26/2022 1:19 PM |
| 7 | My friends and I spent many hours at the South pool. Took lifesaving lessons there. That pool was always cold. | 3/26/2022 10:33 AM |

| 9 | Summe swim team in the neiborhood has saved more lives than you know!! | 3/26/2022 8:06 AM |
| 10 | I grew up across the street from South pool and it was always an affordable option for us to use and take swimming lessons. Now my daughter is a few blocks from Lowell pool and it was really nice that she could share in those those similar experiences. I want to keep these affordable neighborhood pools inclusive for ALL of our kids. It helps keep them out of trouble and gets them outside. | 3/26/2022 1:27 AM |
| 11 | I learned to swim at South pool. Spent many days there in the summer. Would hate to see it go. | 3/25/2022 11:11 PM |
| 12 | I remember meeting my friends there in the 1960's, and the water was colder than Payette Lake. | 3/25/2022 10:11 PM |
| 13 | South pool saved my siblings and I from summer boredom, and saved our mother's sanity. We loved going there, and sometimes went more than once a day. I'll always remember the "pool pass" patch that was sewn onto my swimming attire each year, which meant fun at South pool whenever I wanted to go. | 3/25/2022 6:00 PM |
| 14 | I swam in the pool throughout my childhood until high school because I did swim team. | 3/25/2022 2:16 PM |
| 15 | I went to this pool as a kid and brought my niece and nephew here as an adult. I had them convinced it was my personal pool because I knew it so well. It reminds me of the pool in the Sandlot movie, but set in the '90s when I was a kid. | 3/25/2022 11:13 AM |

| 17 | I learned to swim at South Pool in the 80s. | 3/25/2022 12:06 AM |
| 18 | I remember my very first swim lessons at South Pool, and coming back after that and think that it was my pool, and my neighborhood, and I felt a sense of belonging. It was also an initiation almost to go to the pool with my cousins and go off the diving board. South has always been a staple in my summers, and I would love to keep it that way. Seeing old photos of my grandmother and her siblings in the pool also serve to remind me how significant it is for many other families, neighbors, and especially other generations. | 3/24/2022 9:45 PM |
| 19 | My mom has pictures of her as a teen at south pool. | 3/24/2022 9:29 PM |
| 20 | Always had a wonderful ♥ time at South pool | 3/24/2022 8:03 PM |
| 21 | David Lynch lived in the depot bench neighborhood as a child in the 60s and apparently got in trouble for setting off a small bomb in the pool. Probably not the kind of thing that increases the historic value of the pool to many, but it is a perfectly Lynchian story and I often tell people about his connection to the pool when his films come up in conversation. | 3/24/2022 5:01 PM |
| 22 | We learned to swim at South Pool, as did the next generation. Beyond swimming, we learned to be independent, responsible, and social. We watched out for each other, all possible with a neighborhood pool. | 3/22/2022 9:06 PM |
| 23 | We've lived near the pool for over 40 years. Our daughter spent many happy summer afternoons there. We did a bit of swimming there over the years. I grew up here going to the Nat as a child, and I would like the children of this neighborhood to have the same fun as I had. | 3/22/2022 11:04 AM |
| 24 | My first job was a lifeguard at South pool where I worked for 4 summers. I participated on the swim team and enjoyed so many great memories there. | 3/20/2022 4:58 PM |
| 25 | Sure. It was where I and many others learned to swim. | 3/20/2022 1:57 PM |

| 27 | I don't personally but my dad grew up on Park Circle. I've heard hundreds of stories of this pool site and I hope that it's the city's decision to save them. | 3/20/2022 11:09 AM |
| 28 | Having grown up in Emmett, the city is currently without a municipal pool. Build new pools in new areas of construction. Conserve pools that are historic to historic neighborhoods. | 3/20/2022 10:09 AM |
| 29 | This was the first pool my dad took me to swim in. I'm thankful I wasn't one of the kids that let go of the pool edge, whom accidentally drowned. And I was fortunate my dad was always nearby, teaching me to swim while holding me. The South pool didn't allow me to learn how to swim on my own. I learned how to swim at the downtown YMCA and Meridian pool, where I could easily stand in the water. When my sister and I were able to swim better, we spent a lot of time in the South pool, before the age of 10 years. It was a rather boring pool. And we couldn't swim a whole lot, unless we wanted to twirl around in circles. I remember the pool was very small, and had a weird slimy smell. It was nice to go to the local pool, but I didn't like the South pool. I always asked my parents to take me to a nicer pool, but they usually didn't due to work schedules, time, distance, etc. We typically rode our bikes down to the pool as a kid. Borah was too far. Oh and the sunburns from this pool must've been the worst. There was no way to escape the sun rays, which is one of the reasons I'm constantly getting precancerous lesions froze off my skin. I love swimming, and want a pool to remain in this location. An indoor pool would be fabulous, or at least a partially covered pool, with new amenities, larger pool, etc. | 3/20/2022 9:35 AM |
| 30 | I went there as a kid and took my kids until it closed. They are now 13 and 14 and would go every day if they could | 3/19/2022 7:25 PM |
| 31 | Multiple summer memories with our children using the South Pool, our kids learning to swim at South. The Pool staff hosting theme parties pirate party, etc! | 3/19/2022 1:35 PM |
| 32 | I "lived" at the pool as a youth, lessons, swim team, synchronized swimming, life guard classes. I can only imagine what South Pool could offer this aging Baby Boomer. | 3/17/2022 7:41 PM |
| 33 | I came to the area after my children were grown and on their own. Now it would be nice to have a place nearby where my grandchildren can go to swim. This is the only facility nearby. | 3/17/2022 7:39 PM |
| 34 | Many a summer afternnoons spent there. The smell of chloy | 3/17/2022 2:16 PM |
| 35 | Went there for a high school field trip and it thought it was super cool. It would be a shame to lose this unique structure. | 3/16/2022 6:52 PM |

| 37 | Yes. We were the Lynch family that lived close to South pool from 1955 to 1960 & swam there every summer day. It was a very important part of our childhood. Later, my brother David Lynch went on to become quite a well known movie director. I have a photo of him jumping off the high dive. If his photo could help save the pool, I will send it to you! | 3/16/2022 12:20 PM |

| 40 | Sitting outside waiting for the pool to open for the day, meeting friends from the neighborhood, laying on the concrete pad and getting warm, the sounds from our home when outside. It is most of my years from 4-13 (water ballet, swim team, I have lots of pictures from South that mean a lot to me. I could go on and on, but will stop. :) | 3/15/2022 1:13 PM |
| 41 | None | 3/15/2022 11:23 AM |
| 42 | When we first moved here four years ago, it was an initial place for our family to meet others in the neighborhoods and kids attending school with ours. | 3/13/2022 5:08 PM |
| 43 | So many, most I wasn't there for. That's one of the great things about this neighborhood - our kids run free - "Mom, I'm going to the pool." OK - see you later! Probably my best memory is my most recent - taking my granddaughter who lives in Jackson, MS to play in the pool. She was 12 and determined to "teach myself to swim". She sure had fun trying! She and her dad splashing and playing in the same pool he played in at the same age. | 3/13/2022 4:13 PM |
| 44 | It was a very important part of my children's lives as they grew up through their adolescence. The made life-long friends and memories, spending several hours each summer day at South. | 3/13/2022 1:34 PM |
| 45 | No but we walk past the pool multiple times a day on neighborhood walks. The architecture and quirky nature of the building is fitting with the neighborhood and I'd hate to see it go | 3/12/2022 8:15 PM |
| 46 | To many to mention. How about sneaking in to have moon light swims in the summer with your best friends. That pool was an essential part of my youth while growing up. | 3/12/2022 10:02 AM |
| 47 | It is the only city pool I have never swum in. | 3/12/2022 9:44 AM |
| 48 | No. | 3/12/2022 7:27 AM |
| 19 | No, but it always makes me smile and feel nostalgic. | 3/11/2022 8:26 PM |
| 50 | I have some photography of South from my time working there in 1988. This winter I read the David Lynch biography "Room to Dream". Turns out he lived in the neighborhood during the 1950's and mentions South several times in Chapter 1. He even discloses disposing of a pipe | 3/11/2022 6:14 PM |

| 52 | My first job was as a lifeguard at South Pool. The pool is a fascinating structure and gives insight into the era and times in which it was built. | 3/11/2022 12:53 PM |
|----|---|--------------------|
| 53 | This is the pool where my sister and I both learned how to swim. It was just down the street from my grandparents' house, and we spend many summer days at the pool, then walking back to their house for the rest of the day. I cherish those memories, and the South Pool is a visible, tangible connection to my past. | 3/11/2022 11:45 AM |
| 54 | None | 3/11/2022 10:15 AM |
| 55 | Not the South Pool but a similar community pool. We grew up very poor without access to swimming lessons. I learned to swim and spent many days in a community pool as a kid. I would not like to see that opportunity lost to today's children. | 3/11/2022 10:04 AM |
| 56 | LOVED going there as a kid! So cool to have a pool above ground!! | 3/11/2022 9:42 AM |
| 57 | No. | 3/11/2022 8:53 AM |

| 59 | No | 3/10/2022 9:19 PM |
| 60 | My sister and I spent all of our growing-up summers at South Pool. My Dad bought a family pass every year, and we took lessons in the mornings, swam in the afternoons and often went back in the evenings. Our entire neighborhood of kids did the same thing. Our Dad often joined us on Friday evenings for family swim night. | 3/10/2022 8:18 PM |
| 61 | When we go to South pool, we go with friends live nearby. We love that our friends who swim here regularly know the lifeguards and other swimmers. It really is a gem in the Bench community. | 3/10/2022 8:15 PM |
| 62 | South pool was a life saver for me. My kids could bike to the pool in the evening or I would drop them off and pick them up and give me some quiet time. | 3/10/2022 8:06 PM |
| 63 | My grandson going and being so happy that some of his friends were there | 3/10/2022 5:46 PM |
| 64 | I was a lifeguard and swim teacher there during my high school and college summers. I taught several physically & developmentally diverse students. The current design was often a challenge for these students. I would like to see accessible pools in lower income neighborhoods so all residents have access to learning to swim and swimming. | 3/10/2022 5:10 PM |
| 65 | Both our children, all the years while growing up - had a great number of good times at the pool! We, as a family enjoyed the 'great outdoors' and it kept our kids physically active, and helped build them up - both emotionally/socially too. | 3/10/2022 4:50 PM |
| 66 | Mentioned earlier an adult birthday party. So fun! | 3/10/2022 4:31 PM |
| 67 | Swam there as a youngster and it was great - fond memories | 3/10/2022 3:59 PM |
| 68 | Too many to to list! | 3/10/2022 3:54 PM |
| 69 | I have enjoyed taking all of my kids here every summer until it closed down. It's a great location close to their Grandparents house in a great neighborhood. A simple, inexpensive thing to do as a family on a hot day in a great location. Please don't take that away. | 3/10/2022 11:30 AM |

| 72 | I have been looking forward to bringing my little swimmers to this pool for years, because have some many friends and neighbors with fond memories of the pool - both as kids themselves AND with their own children now. | 3/10/2022 9:52 AM |
| 73 | Even though I never use the pool I like having it nearby; I drive by after work each day and see mostly young people having a good time and socializing, and parents don't have to spend a lot for them to be there. | 3/10/2022 9:16 AM |
| 74 | As I have stated previously, I have had a very long relationship with South Junior high. Having gone to school there and cheerleading as an 8th grader and as you can probably tell, I feel my job is to be a cheerleader once again to save and share our history for all!!! | 3/10/2022 9:08 AM |
| 75 | No memory. But I see how excited the kids are to be able to swim there. | 3/10/2022 7:47 AM |
| 76 | Once upon a time in the mid eighties it was common to run into nearly all your classmates in and around the pool. Sometimes hitting both Lowell and south in a day. | 3/9/2022 11:16 PM |

| 79 | Our neighborhoods here in the Depot Bench Vista area include open canals and ditches. We flood irrigate. Since the opening of the pool swimming lessons and a safe place to swim has been the alternative to attractive ditches and canals. The pool hours were swimming lessons 10 until noon. Lunch. Then open swim from 1pm until 5pm. Dinner. Back to the pool at 7pm until 9pm. A summer swimming pass (individual or family) was coveted. Kids saved allowance money and birthday money to be able to buy a pass! | 3/9/2022 4:46 PM |

| 37 | I was born in Boise and grew up on Annett Street. South Pool was where my Mom would drive me to go swimming. I have many memories of being there, in that long changing area, those rubber swim caps and always thinking that the teenaged lifeguards were so cute. Now I live on Edson Street, right behind South and see daily how often that the grounds of South Jr High are used by the community. | 3/8/2022 10:52 PM |
| 38 | My son learned how to swim there, and spent many summers with his friends there as a child. | 3/8/2022 3:10 PM |
| 39 | Two of my sister in laws were lifeguards at Lowell pool in the 50's. Great summer jobs! | 3/8/2022 2:59 PM |
| 90 | Kids and grandkids have used the pool since 1992 family has also used the tennis courts, Basketball courts, walking area, and kids and grandkids have attended south jr high | 3/8/2022 2:29 PM |
| 91 | At south we used to wear sweatshirts doing tricks off the high dive just in case we missed a flip or a big splash (figure 4, canyon ball, watermelon, preachers seat and or the suicide dive) $$ | 3/8/2022 2:16 PM |
| 92 | We used to spend many, many days there during the summerand it used to cost us 10 cents! | 3/8/2022 12:43 PM |
| 93 | I grew up taking lessons there. I had a "summer pass" every year and spend most of my summer at the pool. All kids need the access to learn to swim and have fun! | 3/8/2022 12:21 PM |
| 94 | This was a number one source of entertainment to kids for the summer. This is taking away from our neighbor hood kids. This town is already taking so much from us we deserve to keep our kids with some enjoyment instead of roaming the streets in the summer. | 3/8/2022 12:19 PM |

| 100 | As a kid, I would mow lawns around my neighborhood and deliver newspapers just to be able to go here as well as get the 1lb burger from big jud's. Taught me that with the value of good hard work you can get the things you want in life and this is a lesson that has stuck with me all of my life. This pool means more to me than just a pool and I would hate for the opportunity to disappear for the younger generation. | 3/7/2022 9:56 PM |
| 101 | I was usually in the pool in the 60's from the opening time in the afternoon until closing and then be back for night swim from about 7 pm until 9 pm. My mom always bought a season pass for us every year until my brothers and I grew into our mid-teens. South Pool was a community gathering place back in the 60's where we could just about always count on meeting our friends and having a good time. | 3/7/2022 9:49 PM |

| 106 | I walk by the south pool almost daily and love seeing the art deco front. | 3/7/2022 7:36 PM |
| 107 | My older sister went to South and South Pool (she's one of the people that had a horse that the sign in south park refers to "keeping horses off of the grass"), I went to south and south pool when I was a kid and still as an older adult, my children went to south and south park and now my grandchildren. | 3/7/2022 7:03 PM |
| 108 | My kids learned to swim at South They spent so many summers playing with friends, I would hate to lose this facility in the neighborhood | 3/7/2022 7:01 PM |
| 109 | Our kids went there when they were little and we loved that they could walk to the pool and back. They loved the 2 story pool because it was the only one they'd ever been in | 3/7/2022 6:58 PM |

| 112 | it is our little boy's first public pool. We started going there when he was just a baby in 2013 and have gone there every summer ever since. The lifeguards and staff are so nice there and we have had one of the lifeguards over to our house to see our pet bunnies. | 3/7/2022 5:57 PM |
| 113 | I took my children there when they were young in the 1980s & now that they are pushing 40 they bring their little ones-My Grandkids! | 3/7/2022 4:13 PM |

| 114 | Yes the changing rooms are awful, the water is freezing, the pool deck is up high and scary. The lack of ingress makes it hard to get in and out of the pool itself for all but fit individuals. Seems like the same 10 neighborhood kids were the only ones who use it consistently. | 3/7/2022 4:04 PM |

| 125 | I bought the home I grew up in. My brothers and I all worked for City of Boise and I lifeguarded, coached swim team and taught a bunch of kids to swim at South Pool! Lots of great memories from there! | 3/4/2022 5:05 PM |
| 126 | No specific story, but I have many memories of working full time as a Lifeguard & maintenance at South Pool for 4 summers from 1961 until 1964, of taking Lifesaving Instruction courses there, of working with great people like Boise Recreation Director Bill Everts, of being on a very competitive South Pool summer swim team with two a day workouts, of five younger siblings swimming there, of many children learning to swim there, of two of my children working summers there including my daughter as Manager, and of many neighbors walking to South Pool to swim. | 3/4/2022 4:17 PM |

| 129 | I remember riding my bike from the Boise air port to the south pool to hang out and swim with friends every summer for six years. | 3/4/2022 12:21 PM |
| 130 | Our kids took swimming lessons at South Pool. It was very convenient and easy to sign up since many people didn't even know of the existence of that neighborhood pool. They still have great memories of those days before the pool was heated, their instructors and the uniqueness of the pool design. You just don't see one like that every day. It's still fun to take people there and explain that "yes, that's a pool sitting up there." Demolishing South Jr. High and Whitney Elementary were sad events in our neighborhood. So much of the character of this area has been destroyed. Do something to preserve it for a change, please! | 3/4/2022 11:03 AM |
| 131 | There are so many stories I could fill a book. From swim lessons at 8 am to sunburns from long days it the pool that not only I understand but generations through the community. This is a place that connects and displays Boise spirit. | 3/4/2022 10:13 AM |

| 133 | I was on the swim team, working out at noon daily in the summer from age 9 to 16. | 3/4/2022 8:36 AM |
| 134 | Growing up in the bench there were not a lot of places to go swim and this is a great place that should somehow be salvaged. | 3/3/2022 9:03 PM |
| 135 | Every last week of summer we always brought cookies for the lifeguards thanking them for keeping everyone safe all summer! | 3/3/2022 8:09 PM |
| 136 | I had my first swimming lessons at South Junior High pool along with my siblings. We used to bike and walk there when we were kids and spend the whole day at the pool. Now I take my own kids there. I love this pool. | 3/3/2022 8:03 PM |
| 137 | I got my first kiss in that pool, in 6th grade underneath the diving board | 3/3/2022 7:34 PM |
| 138 | South pool plays is the backdrop to many of my childhood memories and those of being a mother with my children on warm summer days. | 3/3/2022 6:16 PM |
| 139 | Swimming there all summer as a kiddo. It was the nearest pool to my house. I remember knowing that space better than I knew the school when I began attending South. It was almost a comforting image when I first started junior high. | 3/3/2022 4:07 PM |
| 140 | This music video should be cataloged as part of its history. It was produced by a local "pool rat" who grew up in the neighborhood and went on to produce videos for a living. It's a good example of what can come from a gathering place for young, talented people with too much | 3/3/2022 2:55 PM |

| 141 | The pool has always been unsafe for novice swimmers and children. As a child there were several times I'd gone to the pool and people would struggle with over crowding and having to go deeper into the pool than their ability allowed in order to have room or leave because there was no room outside the pool. With the growth the city has had a pool of this size would have significant issues if left the same size. | 3/3/2022 2:44 PM |

| 143 | I have lived in boise my whole life and grew up in the bench near Morris Hill cemetery. As kids we would go almost daily to this pool to swim and hang out. It was an affordable activity in the summers. I learned to swim in this pool. I think it's important to have access to pools for families in the summer it would be a shame to see this historic place in boise torn down. | 3/3/2022 10:47 AM |

There's just something so cool about swimming as the sun goes down. I realize I don't live in the neighborhood around this pool but as a kiddo that grew up swimming at the Borah and South Pools, I know the value these pools have for kiddos in the summer. The hours I spent in them are countless and my memories are truly awesome!! | 3/2/2022 8:16 PM |
| 156 | My now wife and I swam there throughout our relationship while attending South and Borah. | 3/2/2022 8:14 PM |

How about climbing up the arborvitae with skateboards when the pool was empty? Skinny dipping after hours? Finding bats in the pool during morning maintenance? Renting the pool after hours for parties? The smell of sanitizer for the floors at night? Swim team? Thanks to the citizens of Boise I had the opportunity to work and play at South pool. I made a lot of good childhood memories. I hope that some of my tax dollars can help others children grow up in a caring community. | 3/2/2022 12:42 PM |

| 186 | My 8 year old brother used to wear his grim reaper and skateboard to the pool even in the middle of July. We couldn't convince him to take off the hot black cloak. It seemed so important to him to skate as a representation of death. I think he was trying to remind us of the transience of life. Things fade. Boise is changing beyond recognition. Maintaining the outer appearance of the pool is a way to give memories a place to live. It's a commitment now that pays off even further in 100 years, when the city has gone through even more changes. Forging a new Boise can't come at the expense of the one we've all grown to love. Death comes for us all, but the places we care for can last. | 3/2/2022 11:37 AM |

| 197 | I don't have one specific memory but a collection of memories from summer days spent at South Pool. Most every day, we would jump on our bikes to arrive in time for the pool to open. Spend all day in and out of the water with our neighbors and friends. Then head home for dinner and more often than not, head back to the pool for evening hours. I knew my family had "made it" when we were able to get a summer family pass. I have such a fondness for South Pool, it was truly and integral part of my childhood. | 3/2/2022 9:53 AM |
| 198 | Great memories of taking my son to the pool | 3/2/2022 9:49 AM |

She said to be like a cup and saucer by folding our legs and holding our breath and sinking under water. I remember coming up crying. My mother thought I was scared of being under water and wanted me to buck up, she was mortified when she finally realized the water was ice cold. I didn't learn to swim there, I want the experience for kids to be much better than mine. | 3/2/2022 5:37 AM |
| 210 | Growing up through the 60's we always had a family pass at the pool. We would walk or bike to the pool every day that it was open. Usually the pool would close between afternoon and evening sessions. We would have to leave but would return for night swimming. Had fun creating splashes when jumping off the diving boards trying to soak spectators. Also liked to dive to the bottom of the pool and move the grate hiding it along the side of the pool. Generally right below the life guard which really made them mad. | 3/2/2022 1:57 AM |

| 214 | I fondly remember the many times driving up to the pool with my mom during the summer to spend some quality time together as a young lad. I would always ask to visit this pool because of its unique architecture and two story style. All kids should have the chance to swim for free. | 3/2/2022 12:17 AM |
| 215 | Spent many summers here. Went to South Jr High. Love the times spent with friends and family at this location. | 3/1/2022 11:51 PM |
| 216 | Just biking to and from, and getting iced treats—great family and friend time | 3/1/2022 10:49 PM |
| 217 | For many of my grade school and junior high years the pool was a daily ritual, as well as visiting with my parents on Friday family nights. Most of my friends also spent a large amount of time there with me. | 3/1/2022 10:46 PM |

| 220 | Meh. | 3/1/2022 10:24 PM |
| 221 | I loved riding bikes with my brothers from Columbus and Overland area over to South to swim in the pool. It was a grand adventure that always ended up with a popsicle after swimming or the occasional stop at Dairy Queen (now Chapala's on Vista). It was an awesome pool for the neighborhood and surrounding area. | 3/1/2022 10:06 PM |
| 222 | Skating it when it's closed ;) | 3/1/2022 9:56 PM |
| 223 | I remember sitting on the edge and making conversation with the other moms there. It's a great place to meet your neighbors. | 3/1/2022 8:43 PM |
| 224 | My brother-in-law, Lyle Hoppie, was on the South Junior High swim team from 1951 to 1955. During the swim meets there would be an intermission of sorts. He and his team mates would entertain the crowd with daredevil dives. | 3/1/2022 8:43 PM |
| 225 | Oh I think I've spouted enough but probably when 3 refugee kids were 25 cents short so get into the pool and a regular family paid for them to come in for the day. They spent the entire afternoon teaching the kids how to swim and the family, the 3 kids, and the lifeguards did a race at the end of the day. It was all smiles, even with a language barrier. That was such a special day to be part of as a 15 year old. | 3/1/2022 8:26 PM |

| 231 | My brother and I learned to swim there in the early 60s. Loved going there. | 3/1/2022 7:21 PM |
| 232 | South Pool is where I learned the very hard lesson of "Don't Run at the Pool" as a five year old girl in one of my first swim lessons in the early 90's. I still have the scars on my knees to remind me of that very important life lesson | 3/1/2022 6:24 PM |
| 233 | 4 years of swimming at South Pool every summer. It's a neighborhood pool, please don't try to | 3/1/2022 6:19 PM |

| 235 | No I don't. But I do have one about Ivywild. When we moved here in 2006 our son was 2 years old and we moved from a small town in Utah. Going to Ivywild was like heaven! It was so nice with the zero entry pool. He had so much fun. It totally sealed the deal for us moving here. It was the type of amenity we felt so fortunate to have access to. Many towns don't have public pools like Ivywild. | 3/1/2022 5:51 PM |

We all decided to cut practice short to go hit the pool. No one else was there, so the team and I were playing football in the pool. Good times. | 3/1/2022 5:36 PM |
| 238 | Just having a place to swim growing up. I could get there on my bike. Our kids now need a place to swim and there is no pool close enough for them to ride to get the pool open | 3/1/2022 5:08 PM |
| 239 | It's beautiful to look at! | 3/1/2022 5:05 PM |

| 258 | Being with friends. It was a highlight of my junior high summers. | 3/1/2022 1:36 PM |
| 259 | I vividly remember using both South and Lowell pools many times in my youth. Both pools were a gathering place for kids and a great place to spend a summer day with friends. I can imagine walking in the front entry, turning right for the boys locker room, circling around to the stairs leading up to the pool deck and the high dive waiting for action. I also remember the sounds and chlorine smell in the locker rooms. Obviously, If I can vividly remember swimming and hanging out at these pools at least 60 years ago they made a lasting impression for me and others. Lets not let more of Boise slip away | 3/1/2022 1:09 PM |

| 271 | Hours and hours of summertime fun! | 3/1/2022 11:15 AM |
| 272 | In the 60's it was so crowded you couldn't swim but it was a good place to cool off. | 3/1/2022 11:08 AM |
| 273 | As a child, we always had passes to the pools. My uncle lived in the neighborhood of South and we lived across town. We would ride our bikes from Fairmont to South to meet my uncle (my mom's baby brother, same age as my brother) to swim for the whole day. Occassionally we would meet at Borah, but South was closer for him. My uncle, and my brother both have left this world. When I see South Pool, I see them both again. | 3/1/2022 11:02 AM |

| 276 | Keep it the way it is. It does not need to change as evidenced by its ability to support the number of users and be a pleasant place to spend time. The small pool atmosphere and few people are nice! Boise has big, accessible pools already. No one size fits all. Unique is just that - unique, which means memorable a memorable experience:) | 3/1/2022 10:38 AM |

| 279 | Definitely. I was born and raised in Boise, and my family frequently biked to come to South because it was unique and different than other pools. We lived very close to fairmont pool, and I remember begging my mom to take us to South. It was amazing since it usually wasn't as crowded, I loved the locker rooms, and it felt like I was in a tree fort. I liked the minimal concrete and the smell. It is SUCH a cool pool, and as kids it was amazing to experience different styles! | 3/1/2022 10:27 AM |

| 284 | I remember when our season passes were patches sewn to our swim suits. We biked there everyday and just left our bikes in a pile while we swam, sometimes twice a day. We never cared about dressing rooms be we left wet and just got on our bikes in our suits. Never needed food or drinks - just happy to play and cool off. Shape of the pool and style of it was especially memorable. | 3/1/2022 9:15 AM |
| 285 | Growing up there every summer it was safe to ride our bikes and spend all day there. Now with my own kids it's safe I can trust the kids at this pool vs others because I can see everything all at once and one exit. Don't change that. | 3/1/2022 9:10 AM |
| 286 | I took my kids to this pool and my children went to South Junior High so I am very familiar with this pool and would like to see it preserved and continue to be a part of Boise and the neighborhood. | 3/1/2022 9:09 AM |
| 287 | Many. But that's probably what you want to know by asking this question— you're probably only getting pushback about this project from generational Boiseans. You've already destroyed the Boise we all grew up loving. Just one more notch off the heart if you take this gem. Please preserve as much of Boise as you can. Update what you can, but don't destroy it. | 3/1/2022 9:05 AM |
| 288 | Grew up here and went often as a child. May my children have the same opportunity at a pool close , convenient and safely accessible. | 3/1/2022 8:55 AM |

I spent a ton of my childhood at 3/1/2022 8:08 AM that pool every single day of summer it was my outlet and I want that to be available for my kids now again. 301 As a kid who grew up right next to the train depot being able to walk to South pool was a true 3/1/2022 8:04 AM blessing as my parents worked and couldn't drive us anywhere. And it was affordable as we had no money. I want this for our kids today. 302 As a child, living in on the Bench, my brothers and I spent a good majority of our summer at 3/1/2022 8:03 AM the South Pool. We rode our bikes over 1.5 miles to use our summer pass. Also, took swimming lessons at the South pool, in the morning, when it was COLD.... 303 My family was very poor in the 60's. A summer pool pass would have been out of the 3/1/2022 8:01 AM question. On the day the pool opened many kids just called out their names to indicate they were pass holders. The next day I just called out my name and walked in. A season pass by association. 304 Grew up swimming there in the 60's 3/1/2022 7:57 AM 305 3/1/2022 7:57 AM It was my favorite pool in Boise when I was young. My childhood was brightened 3/1/2022 7:28 AM by the warm summers glow, soaked up on towels and lathered in sun screen at South Pool. My friends and I spent our summers there. We built strong friendships sharing otter pops on the front lawn, entrepreneurial skills saving money for our annual passes, and memories that will last a lifetime of gliding through the water during morning AND afternoon free swim everyday. My eyes burned with chlorine, my skin stung from sunburn, and still I gathered my group friends to splash and play. We affectionately nicknames our favorite lifeguards "princess sparkly pants" and "princess fish paste". We traded our flip flops for goggles that never fit quite right. We swam the length of the pool to prove we were strong enough to swim in the deep end and take turns hurling ourselves off the diving board. These memories are part of who I am today, and I will cherish them always. 310 We husband has been frequenting this pool for over 40 years. He in fact learned to swim at the 3/1/2022 7:25 AM My two children spent a lot of time at South pool. Always bought summer passes. | 326 | I used to go to South Pool all of the time when my girlfriend worked there and was amazed at the diversity of people that utilized the pool and how busy it was every time I went. I realized how important it was for places like that to exist and when I first heard that they could be torn down I was furious. Please renovate them as they are and add ADA compliance if its required. They serve the public and are also historically significant. | 2/28/2022 11:47 PM |

| 332 | Nothing specific. My friends and I spent many days and nights at South Pool as teenagers in the 80s. Having a pool in that neighborhood is essential not only for families to enjoy but to give kids something fun to do that is affordable and can help keep them doing positive things during the summer. | 2/28/2022 9:53 PM |
| 333 | I am almost 40, and grew up swimming at south pool as a kid despite it being like swimming in the ice waters of the Antarctic. My friends and I had so much fun there in the summer and I took swim lessons there as well. My mother (73) and her two brothers also spent their summer swimming at south pool. It's a part of my family's past present and I hope future. | 2/28/2022 9:32 PM |

| 336 | I grew up in this swimming pool. I was there everyday in the summer months from 1992 to 2000. It was the greatest place to go because it kept me out of trouble and was always a blast. | 2/28/2022 9:06 PM |
| 337 | Both of my children took swim lessons at South Pool and we have enjoyed cooling of there in the summer ever since. We have really missed the pool since it closed in 2020! | 2/28/2022 9:06 PM |
| 338 | Just driving past and seeing people enjoying the pool and appreciating the beauty of the structure. Appreciating something that HASN'T been demolished in the neighborhood. | 2/28/2022 8:50 PM |
| 339 | My kids took swimming lessons with their daycare at South. When my son was in elementary school we spent many summer evenings at the pool. It allowed me the opportunity to meet and connect with other parents and the boys burned off lots of energy in the summer. I love that the city offers passes for low income students. My son had many opportunities at South to interact with children that were new to Boise from other countries. There is no language barrier for young children at a pool. So many families in our neighborhood use this pool. It is a healthy affordable recreation opportunity in our community. | 2/28/2022 8:47 PM |
| 340 | For the five years before South closed, I collected swimsuits/trunks and towels for the refugees and homeless that visited South so that everyone could enjoy. For my kids, the lifeguards at South were like camp counselorsand nowten years later they still keep in touch. THis pool is so important to our community. | 2/28/2022 8:45 PM |
| 341 | I've taken my son swimming there for 9 summers, up until the pandemic forced the closure. My favorite was watching him get braver on the diving board each summer. | 2/28/2022 8:25 PM |
| 342 | My brother and sister were older than I and we lived on N31st street and they always went to the pool there off State St. As I was growing up I always looked forward to going to there and then we moved to South Boise. Now I had the option of riding my bike to the Natatorium or to South pool. I went to both with friends but always liked the south pool as it reminded me of my brother and sister going to the pool and always promising to take me when I got old enough. | 2/28/2022 8:22 PM |
| 343 | Just picking up my kiddo from there and seeing how happy he was. We live closest to the Borah Pool but it's nice to have variety and for kids on that side of the bench to have options. | 2/28/2022 8:21 PM |
| 344 | I just remember the comforting sound of kids having fun in the many summers we lived less than a block k from the pool. | 2/28/2022 8:20 PM |
| 345 | Unfortunately my memory is not strong, even at my relatively young age, but I did spend nearly every summer there with my four older siblings as we were growing up in the Vista neighborhood. Every time I see South pool, whether it be in a photo or in person, it elicits fond emotions of spending many a formative year at that pool. | 347 | So many stories and memories! I spent every single day at South Pool for many summers (7 summers). | 2/28/2022 8:03 PM |

| 349 | Growing up my grandma and uncle used to walk my 7 cousins and I down to south pool a few days a week over the summer. This is where I learned to swim, where I became brave enough to jump off of a diving board, and where I made countless memories with family members and new friends. Years later I was employed by the city of Boise as a Lifeguard and worked at Borah pool but filled in at South at times. I loved seeing the neighborhood kids get so excited about coming to the pool and it made me so happy to be part of that community. | 2/28/2022 8:01 PM |
| 350 | We live a block from the pool. Before we had air conditioning the pool was our best place to be twice a day all summer. My kids and grandkids formed some great relationships with the lifeguards and still remember them . | 2/28/2022 8:00 PM |
| 351 | Three generations of my family have enjoyed the South Pool. | 2/28/2022 7:40 PM |
| 352 | I loved working as a lifeguard at my neighborhood pool. | 2/28/2022 7:34 PM |
| 353 | Only took a 5 minute dip to cool off on a > 100 degree day! | 2/28/2022 7:27 PM |
| 354 | It's one of the first public pools that I swam in. | 2/28/2022 7:26 PM |
| 355 | Lived there every day summer of my youth (1955-65), learned to swim at South pool, had birthday parties there! | 2/28/2022 7:21 PM |
| 356 | Swam there a million times with my kids cuz we could walk to it! | 2/28/2022 7:19 PM |
| 357 | My best friend was a life guard there in the 80's. I remember the iconic pool from when I went there and it just makes me happy. | 2/28/2022 7:18 PM |
| 358 | Qe would go to Sounth pool every summer growing up. Both my older siblings went to the original south Jr high as well. Many great memories | 2/28/2022 7:17 PM |
| 359 | Being at the pool the first day it opened for the season and spending the whole summer every day until it closed for the season. | 2/28/2022 7:12 PM |
| 360 | i loved going there after school | 2/28/2022 7:03 PM |
| 361 | South pool was my growing up pool to swim at. I worked at Lowell for many years in the 70's as a lifeguard and swim instructor. I have been involved with city pools for decades. I believe both pools can be saved with a lot of love thinking that thes 2 pools are worth saving. If the attendence at these 2 pools doesn't support a new facility, do what you can to give people in those neighborhoods some place to go. It was sad that these 2 neighborhoods had to travel far to even get to a swim facility the last 2 years. Shame on the city. I do understand lifeguards were few and far between for all pools the last 2 years. | 2/28/2022 6:41 PM |
| 362 | Years and years of our children and their friends enjoying themselves and having fun. They all have good memories of the pool. | 2/28/2022 6:37 PM |
| 363 | I enjoy taking my students there on the last week of school each year. | 2/28/2022 6:21 PM |
| 364 | Just spent a lot of time there. Kept me out of the canals and trouble. | 2/28/2022 6:19 PM |
| 365 | None. I'm just a greenie who thinks that throwing things away (especially when they have a high embodied energy) is a bad idea. | 2/28/2022 6:10 PM |
| 366 | I remember when the city decided in November of 2020 that outdoor pools wouldn't be able to open for summer 2021 because of COVID? Pathetic decision that was. | 2/28/2022 5:54 PM |
| 367 | I prefer lap swimming, so that pool wasn't really for me, but facade is beautiful. | 2/28/2022 5:44 PM |
| 368 | Lifetime memories with family and friends swimming, splashing and fun in the sun. The pool transports everyone to the 1950's when Boise was small town USA. We need to save our historical experiences. Imagine if all the Roman pools were torn down for progress or the structures in Greece. South Pool is Boise's time warp to a time when Elvis was King and the Beatles were on TV. Let's keep this unique experience for future generations. | 2/28/2022 5:43 PM |
| 369 | As a kid not being able to understand why it was already time to go home, because it seemed like we'd just gotten there. | 2/28/2022 5:43 PM |
| 370 | South Pool defines my childhood summers | 2/28/2022 5:42 PM |
| 371 | This was almost 18 years ago. I believe I was seven. I was saved at South Pool. I am allergic to bees and had the unfortunate happenstance of accidentally swimming into a bee. It stung me square between the eyes. My sister got a lifeguard and told them I was allergic to bees and suddenly I was scooped up and ran down stairs. They administered first aid (allergy medicine) and removed the stinger from my forehead. The office manager personally watched over me to make sure I didn't have adverse reaction and didn't need an ambulance. I remember because he shared his lunch with me and it was the best homemade lasagna I ever tasted. The next year there was a different manager, her name was Annie. And she was the kindest person. I was only 8 and offered to braid her hair and the girl lifeguards hair. She insisted on paying me for the service. I used my "earnings" to by otterpops. They all felt like family to me and my siblings. One of the lifeguard Christine even helped me clean up a wound I sustained on the | 2/28/2022 5:40 PM |

| | way to the pool. I'd gotten pretty scratched up when I fell off my brothers pegs on his bike. Christine was my favorite person there. There was also a YouTube music video shot at South Pool, it's called "Shake it at South Pool". That was a really fun day for me. Even though it was just a college student doing a video project I felt like I was going to be famous. I wasn't even | |

| 372 | the focus of the video, just a background character. So many happy memories. We had just moved back to Boise after spending a stretch of time in Colorado. My son was six that summer and had a rough time adjusting to the move. Our times at South Pool in the summers of 2016 and 2017 in particular were lifesavers for our whole family. | 2/28/2022 5:23 PM |
| 373 | Just the great access to our neighborhood. It's the best to see all of our neighbors old and new there on any given summer night. Please don't move the pool! | 2/28/2022 5:18 PM |
| 374 | Just going as a kid growing up and it feeling different then other pools! | 2/28/2022 5:12 PM |
| 375 | Not a South story, but I swam in the exact same pool design every summer for my annual visit to family in West Virginia. That pool is now closed because of lack of funds—which is a huge bummer. But at least they have kept it and it has art on the outside walls. | 2/28/2022 5:10 PM |
| 376 | My favorite thing was to walk down to the pool with my son and teach him to swim. | 2/28/2022 5:08 PM |
| 377 | Mostly swimming with friends and family. | 2/28/2022 5:05 PM |
| 378 | My first time in 1963. I walked right in & jumped in the pool. It was opening day but they weren't open yet. I was so short that nobody noticed me until I was in the pool. | 2/28/2022 5:03 PM |
| 379 | We have lived on the bench since 2005!! All four of our kids learned to swim via swim lessons at south pool. My kids go to the pool at least once a day sometimes twice a day during the summer. Our family has always enjoyed swimming at south especially on shot summer day. | 2/28/2022 5:02 PM |
| 380 | I spent a lot of time at South Pool as a kid. I took swim lessons and belonged on the swim team. I feel that having that pool in our neighborhood kept me out of trouble and kept me from swimming/surfing the canals. I don't want to see any more children or adults drowning in a canal for lack of a neighborhood public pool. | 2/28/2022 4:54 PM |
| 381 | Yes I do | 2/28/2022 4:53 PM |
| 382 | Lots of fond memories going to South as a kid. Now my kids are making the same memories. We've missed having it the last two summers. | 2/28/2022 4:49 PM |
| 383 | Swam at the pool every summer when i was a kid | 2/28/2022 4:46 PM |
| 384 | I have taken all my kids swimming at South. They are now all adults. With the hope that one day they can take their kids. | 2/28/2022 4:43 PM |
| 385 | I went to South in the early 80's. When I had some extra money I would bike down to it on a Saturday and hang out all day long. Then Wild Waters came along | 2/28/2022 4:41 PM |
| 386 | Already stated in prior question. | 2/28/2022 4:40 PM |
| 387 | I grew up on the depot bench going to south pool as a kid. Now I live here with my children and it has always been a favorite place to go in the summer and support our community. | 2/28/2022 4:30 PM |
| 388 | As a reward for acceptable grades my brothers and I would receive a season pass for the summer to south pool. We spent many hours there for many years. I cherish those memories. | 2/28/2022 4:21 PM |
| 389 | Every summer my brothers and I spent hours at the pool for swim team, day swim and night swim. It was our favorite place! | 2/28/2022 4:19 PM |
| 390 | My daughter lived there in the summer's growing up. | 2/28/2022 4:11 PM |
| 391 | First summer pass to the pool in late 80s | 2/28/2022 3:57 PM |
| 392 | When I worked there, I remember how many neighborhood kids came EVERY day. It was almost like daycare for them. I think the location is great for families, especially those with lower income. | 2/28/2022 3:53 PM |
| 393 | I spent almost every day there as a kid- too many memories to tell. I'd like to see it modernized but retain the original design vision/architecture/etc | 2/28/2022 3:50 PM |
| 394 | Way too many to share! | 2/28/2022 3:47 PM |
| 395 | The memories as a child swimming there. | 2/28/2022 3:37 PM |
| 396 | no | 2/28/2022 3:26 PM |
| 397 | Did not grow up here as a child or would have stories. | 2/28/2022 3:25 PM |
| 398 | My ex-husband swam there as a child in the '60s, and then our daughter (born in 2003) swam there with her friends. I love that she could enjoy the same kind of experience that her dad had. | 2/28/2022 3:23 PM |
| 399 | Most of my early childhood! Playing "wall-ball" at the entrance with the life-guards was one of my favorite memories. Wall ball was a game someone invented that was a bit like tennis but involved bouncing a volleyball against the wall above the entrance and it had to also bounce once on the concrete "roof" over the entrance. You were only allowed to return the ball while in the air. If your opponent could not return the ball, or did not get the required # of bounces on the wall and the roof, a point was awarded. | 2/28/2022 3:12 PM |

| | absolute gem for our family. | |
|-----|---|--------------------|
| 402 | I have been there both as a kid and as a parent. Hopefully as a grandparent as well. | 2/28/2022 3:01 PM |
| 403 | I learned to swim at that pool through the city swimming lessons. Both my kids also learned to swim there. | 2/28/2022 2:53 PM |
| 404 | Both my children LOVED going to the pool everyday it was open and both learned to swim there. | 2/28/2022 2:49 PM |
| 405 | I worked there, my son worked there. It's amazing | 2/28/2022 2:40 PM |
| 406 | My mom use to bike there as a kid to swim. She use to take us there to swim, and I've taken my kids there to swim. | 2/28/2022 2:36 PM |
| 407 | My family had seasonal passes from the time I was in grade school (1960) to (1970) when I became a lifeguard. I remember swim lessons, swim meets and sitting in the tall lifeguard chair. The high dive, the low dive and even saving a young boys life with my lifeguard pole. You can't replace the best days of summer. Most importantly there was privacy for swimmers, no one gawking through a chain link fenceyou felt so safe up high! | 2/28/2022 2:04 PM |
| 408 | My siblings took swimming lessons there and I was looking forward to taking my son there when he was of age. | 2/28/2022 1:57 PM |

| 415 | We moved to the area right before it closed and had very little use of it. We would love to see it reopen as our neighborhood pool! | 2/28/2022 1:25 PM |
| 416 | I'm going to the school for over 20 years don't plan to stop | 2/28/2022 1:20 PM |
| 117 | Close to South Jr High | 2/28/2022 1:15 PM |
| 418 | South pool was a great resource for my kids while I was at work to meet their friends, be active and keep busy in healthy ways, during their middle and high school years. It was also an awesome place to see neighbors and share fun times together. | 2/28/2022 1:14 PM |
| 419 | sadly no, but I look forward to my first visit. | 2/28/2022 1:06 PM |
| 420 | Just that it's uniqueness made an impact on me as a child | 2/28/2022 1:03 PM |
| 121 | One of the pools I used to visit as a kid but it was never my favorite. | 2/28/2022 1:01 PM |
| 422 | I used to walk to south pool and swim almost every day of the summer. it was such a great activity and opportunity for something productive to do in the summer. It led me to becoming a lifeguard at the city. | 2/28/2022 12:59 PM |
| 423 | Our Family have used this pool since the 1950's | 2/28/2022 12:48 PM |
| 424 | I used to swim at this pool in the 90's and both my children took there swimming lessons there and would swim there in the summer. | 2/28/2022 12:48 PM |
| 425 | I swam there as a kid and would like my children to as well | 2/28/2022 12:47 PM |
| 426 | When I had 4 kids, two of them twin babies, it was very difficult to give my older daughters normal childhood experiences. But their babysitter had us get summer passes, and were thus able to take them with her own kids 2-3 times a week. They have lots of fond memories. | 2/28/2022 12:47 PM |
| 427 | I spent my 6th-15th summer at this pool. I participated in swim lessons as well as swim team functions here and only left when I reached a higher completion level than the pool could provide. | 2/28/2022 12:41 PM |
| 428 | I have been waiting years for my kids to be old enough to go to south on there own, as they choose. We are finally at that age! I am most desperate for south to remain a pool and for it to open ASAP!! I love hearing the sounds from the pool during the summer and the life and energy it adds to the neighborhood. | 2/28/2022 12:38 PM |
| 429 | When I attended South Jr High, the pools would open on the last day of school. It was a great way to kick off the summer. | 2/28/2022 12:33 PM |
| 430 | I learned to swim at South pool in the 90s! The swimming lessons were in the morning. In the shade of the large trees around the pool the water and air were both so cold! I also remember riding my bike or walking with friends to the pool and feeling so grown up. We would stay all day and go home in time for dinner, usually exhausted and ready to eat! | 2/28/2022 12:27 PM |
| 431 | Summers of 2002-2005 that pool is where I escaped a terribly abusive home. For very little money I had the ability to leave my terrible home environment for the entire day. We would get a free summer lunch in the afternoon. And hit every swim session. That pool literally saved my life. | 2/28/2022 12:25 PM |

| 432 | All my children, nephews, nieces enjoyed this pool. Would like to see my and others enjoy it too | 2/28/2022 12:19 PM |
|-----|--|--------------------|
| 433 | Took swimming lessons there as a child. I love the history and the architecture. Why did the city have to tear down old South JR. High!? That was a nice building too! | 2/28/2022 12:14 PM |
| 434 | It was always a fun "day-trip" from our neighborhood (valley view/capital hs) to these pools in the summer and always on the list of things to check off in the summer. As an adult, we have taken our kids to check it off the list. Now I appreciate them for the service and amenities they provide to families that have no other access to pool, swimming lessons, etc. | 2/28/2022 12:13 PM |
| 435 | Growing up in Boise this pool is one of my earliest memories swimming. Our area has changed so much that to lose this would be a big shame. | 2/28/2022 12:11 PM |
| 436 | The fir high dive I ever went off was at South Pool when I was a boy 10. I climbed up and down the ladder once and finally forced myself to jump. I immediately climbed the ladder again jumped right away following with as many times as possible before my mother told me to pack up since we were going home. | 2/28/2022 12:07 PM |
| 437 | No. | 2/28/2022 12:01 PM |
| 438 | I can't count the many times we swam there as kids. It was our meeting place- a safe place to socialize during the summer. We knew our lifeguards by name- we'd see the "hoods" hanging around getting into trouble but we didn't as we had a place to go and have fun. Many mother's would meet and socialize too. It was a great place! | 2/28/2022 11:58 AM |
| 439 | Yeahit sucked when I went to South in the 1970's. | 2/28/2022 11:57 AM |
| 440 | This pool means a lot to the residents of the depot bench. It would be a shame to get rid of it | 2/28/2022 11:48 AM |

| 444 | Throughout my childhood in the late 70's and early 80's, I spent every day of summer break at this pool. At 53, I still have friends that I made at the pool during the summer months. It has provided me and others with a wealth of memories and friendships. I would love for future generations to have the same. | 2/28/2022 11:06 AM |
| 445 | I have many fond memories of playing at South pool as a child and I enjoy that my children get to have that experience as well. Having a neighborhood pool that they can easily walk to and not have to coordinate a ride across town. | 2/28/2022 11:05 AM |
| 446 | Just being a kid and being able to use the pool with friends | 2/28/2022 11:04 AM |
| 447 | I don't use the pool often but have fond memories from swimming there as a child & my children have been there a few times. We all enjoyed the "different" swimming experience than the traditional in ground pool. Like going to a drive-in movie, sometimes the old ways are still a fun experience. | 2/28/2022 10:56 AM |
