# JOIN US FOR THE CHAIRHOOPS FUNDRAISER WHEELCHAIR BASKETBALL TOURNAMENT!

MARCH 14-16, 2024

Looking for a way to get involved, have fun and make a difference? ChairHoops is an all-ability wheelchair basketball tournament and fundraiser held annually by the Boise Parks and Recreation Department's Adaptive Recreation Program. You do not have to have a disability to play – we provide the sport wheelchairs! It's a great opportunity for families, groups of friends and colleagues to have a good time, do a little team-building, and support Adaptive Recreation in Boise.

Teams are made up of five or more male and female players in any combination. All players get a tournament T-shirt and each team is guaranteed three games. We have two divisions, a recreation division and a competitive division. Those wanting more competition should sign up for the unsanctioned, competitive division which will have a championship game at the end of the tournament. Teams will be notified of their game schedule prior to the tournament.

THURSDAY, MARCH 14: evening games at Fort Boise Community Center

FRIDAY, MARCH 15: evening games at Timberline High School

SATURDAY, MARCH 16: daytime games at Timberline High School

Players with and without disabilities are welcome and encouraged to join us for the tournament. No prior wheelchair basketball experience is necessary; the rules are similar to stand-up basketball rules, teams will receive a rules list which includes a few items specific to wheelchair basketball regulations.

### FUNDRAISER DETAILS

ChairHoops is a fundraiser for Boise Parks and Recreation's Adaptive Recreation program which offers year-round recreation opportunities for people with disabilities. Donations are appreciated and there may be a silent auction at the tournament. Proceeds from the event will benefit the Adaptive Recreation program and will help us buy new adaptive equipment and kick start new programming.

There is a team fee of \$160 per team of 10. Additional players are \$10 per player. Registration ends February 27, 2024. We do encourage teams to register early, as we cap the tournament at 20 teams.
